Transformed by the Grace of God Martin Reén,2021-12-14 The reason that I have written this book is to give you hope of true and lasting transformation A hope that is built on the grace of God I have seen both in my own life as well as in the lives of countless other people how the power of Jesus Christ heals restores transforms and makes everything new again This book is an invitation to dive into the depths of God s grace and to be transformed by the love of the Father and the finished work of Jesus Christ It has been my goal to write it in a simple language to make it as accessible and readable as possible but also to do it in an inspirational way I have no intention to write a systematic explanation of the grace of God but to share some of the insights I have gained through the years as to how we are transformed by the grace of God Hopefully this book can be a source of encouragement and comfort for that process The God of all grace will strengthen and establish you so that you can become everything that He has called you to be Covencraft

The Seven Spirits of God -- Building According to the Pattern of the Kingdom J. Scott Husted,2015-10-28 This work represents the rediscovery of an ancient pattern that God has given to his people in order to build His Kingdom on earth This pattern can be found throughout the Bible The scripture shows that the Hebrew writers of Old and New Testaments thought wrote and lived according to this pattern We can see that they considered this pattern as foundational to planting building and living out God s Kingdom here on Earth As we recognize the pattern of the Kingdom and begin to understand its elements we can begin to use it to structure every effort pertaining to the Kingdom of God Indeed the scripture urges us Build everything according to the Pattern that I God have shown you Once recognized as God s intended pattern of the Kingdom this pattern is applicable and necessary to every part of Godly worship service and life today In fact as we implement our ministry work and life according to God s plan we begin to see that God s

The Importance of Inner Healing and Deliverance for Effective Discipleship Johnathan Lee Shoo Chiang, 2019-12-18

Personal encounters with God are vital for the current generation of believers, the postmodern millennial generation who affirm truth through experience. Instead of the traditional view of inner healing and deliverance (IHD) as a hospital unit of the church, this dissertation-turned book will explain the biblical, theological, and current relevance of incorporating IHD into the discipleship structure of the local church. With field research based in Singapore and Taiwan, a grounded theory based on empirical research attests to a framework that enables believers to personally and powerfully encounter God, experience divine healing and wholeness, and become equipped for ongoing sanctification.
