Chinyere, Jackson Mobisa Mogeni, 2023-04-10 TOPICS IN THE BOOK Influence of School Feeding Program on the Retention of Learners in Public Primary Schools in Kenya A Case Of Mombasa County College Conversion into Quarantine Center Students Perception on Safety at Kenya Medical Training College Mombasa Influence of Parental Involvement on Learning Outcomes at Public Early Childhood Centres in Nairobi City County Kenya Promoting Innovation Creativity and Entrepreneurship Skills in Science Education Students A Panacea for Employability Extent of Integration of Information and Communication Technologies in Classroom Instruction in Nepal E Schools Kenya *The Power of Resilience* Peniel Mugo, 2022-12-27 Individuals don't choose when where and in what circumstances to be born They just find themselves there It therefore calls for focus patience hard work determination and above all trust in God to get to the desired end This book is about where when and under what circumstances this author was born and raised It also informs about the Kenyan people and what Kenya can offer to the rest of the world It also attempts to prepare new arrivals to the United States especially those from developing countries on the challenges that they are likely to encounter **Radiology in Global Health** Daniel J. Mollura, Melissa P. Culp, Matthew P. Lungren, 2018-12-31 Exploring the question as to why more than half the world continues to have little or no access to medical imaging and radiology this important second edition fully revised and expanded offers not only answers but practical solutions providing new tools ideas and strategies for bringing vital radiology to low resource areas Based on RAD AID's ten years of work 2008-2018 serving indigent communities around the world the book's interdisciplinary approach offers the synthesis of business management government policy formulation clinical methods and engineering in order to integrate economic development technology innovation clinical model planning educational strategies and public health measures The gold standard title in the field Radiology in Global Health 2nd Edition is intended for a broad audience including physicians especially radiologists and radiology residents radiology technologists radiology nurses sonographers hardware software engineers policy makers business leaders researchers and public health specialists at all levels who use or implement health care services for underserved populations In addition as health care providers use radiology in the process of clinical decision making this title is also designed for clinical physicians nurses nurse practitioners physician assistants and paramedical personnel Administrators and public health personnel will also be interested as the planning of radiology services for health care systems at both the facility level and at the population level requires a clear understanding of the technological challenges and management opportunities *Research and Discussions in Critical Discourses and Remedies in Global Health*

Education Ashti A. Doobay-Persaud, Tracy L. Rabin, Tomlin Paul, Jessica Evert, Benedicta Ayiedu Mensah, 2024-10-01 Global Health a field of study research and practice defined in 2009 with precursors in international health and development is currently reckoning with itself The field has well intended goals emphasizing collaboration and dialogue between population health public health clinical care and other disciplines to address socioeconomic determinants of health and employing interdisciplinary approaches to address health inequities wherever they exist Despite these lofty ideals there are concerns that the field itself has historically served to reinforce rather than deconstruct colonialism and power imbalances At this point in time the field has evolved toward a vision of a community of practice between institutions across the income spectrum HIC LMIC LIC working in bidirectional and multidirectional ways to develop staff staff space systems and strategies to eliminate health disparities However with deeply rooted colonial assumptions racism elitism and other forms of bias underlying institutions and individuals initiatives operating under the auspices of Global Health are all too often antithetical to the pursuit itself

Det. 25 Michael L. Haley MSG (Ret.) USAR, 2023-01-18 When Sergeant First Class Haley and 35 other Soldiers in Detachment 25 deployed to Afghanistan on a mission to mentor the training and development of the Afghanistan National Army they did not know how chewed up the situation was Selected from volunteers within the Ninety Fifth Division the Army Reserve Drill Sergeants of Det 25 discovered that training the ANA was a joke Afghanistan was a toilet that needed to be flushed of its Taliban turds but that was never going to happen What did happen was that the entire world took a crap all over that country and left it more of a mess than it was before Operation Enduring Freedom began Nation building is a failure and the United States must never again attempt it anywhere else in the world Whenever someone tells the truth about military or political incompetence in the United States the government feigns plausible deniability or tries to suppress the truth This story tells the truth about a group of American heroes and legends who did not deserve a loss for their sacrifices Thanks to the worst president in American history the loss of American lives has become a joke Americans can only laugh about OEF because there is nothing else anyone can do now except to have faith hope and love
