Hidden Jesus:

The Hidden Jesus Dan R. Mitchell, 2014-11-12 This book will shake your faith in Jesus Christ History has hidden who Jesus really is The information from reputable sources forces us to change our image of Jesus We fail to see the struggles of a normal man in a Jewish life While the narrative text struggles to remain true to the Gospel it also uses information of recent discoveries It leaves you wondering just what has come to us in the selective texts of the Bible and why other texts have not been put in the Bible by a faith that wanted only a God and not a man

The Heart That Sees God Francis

Frangipane,2024 FROM THE BEST SELLING AUTHOR OF THE THREE BATTLEFIELDS What if everything you think you know about the Sermon on the Mount has only scratched the surface This book will challenge you to embrace the process of change so that you can live an authentic fulfilled and intimate life with God The Sermon on the Mount is more than a list of blessings it s the recipe to becoming who God created you to be Francis Frangipane invites you to remove the blinders from your heart and take a fresh new look at the only full sermon of Jesus ever recorded Revisit Jesus s teaching and discover the amazing and life transforming truths hidden behind the words He shared as He saw the multitudes gathering that day and led them on a journey from seeing their own needs to seeing God Known for messages that lead you straight to the heart of God and deepen your relationship with Him Frangipane s writing not only reveals the mysteries of Jesus s sermon he also reveals the true condition of your heart as he challenges you to embrace the process of change that is the only way to live the authentic fulfilling intimate Christian life you ve always wanted to live Jesus never intended for us to think of this sermon as a list of blessings He intended it as a progression of spiritual realities that leads us to become all God wants us to be Rediscover Jesus s words and begin the journey that will transform your life and change your world **Animal Suffering**

and the Problem of Evil Nicola Hoggard Creegan,2013-05-30 Nicola Hoggard Creegan offers a compelling examination of the problem of evil in the context of animal suffering disease and extinction and the violence of the evolutionary process Using the parable of the wheat and the tares as a hermeneutical lens for understanding the tragedy and beauty of evolutionary history she shows how evolutionary theory has deconstructed the primary theodicy of historic Christianity the Adamic fall while scientific research on animals has increased appreciation of animal sentience and capacity for suffering Animal Suffering and the Problem of Evil responds to this new theodic challenge Hoggard Creegan argues that nature can be understood as an interrelated mix of the perfect and the corrupted the wheat and the tares At times the good is glimpsed but never easily nor unequivocally She then argues that humans are not to blame for all evil because so much evil preceded human becoming Finally she demonstrates that faith requires a confidence in the visibility of the work of God in nature regardless of how infinitely subtle and almost hidden it is affirming that there are ways of perceiving the evolutionary process beyond that nature is red in tooth and claw **Gethsemani Homilies** Matthew Kelty,2010-11-01 Matthew Kelty a

native of Boston has been a monk of Gethsemani since 1960 Before that he served as an active priest in the Society of the Divine Word both in the States and in Papua New Guinea His previous books include Flute Solo Sheed Andrews McMeel Sermons in the Monastery Call of the Wild Geese and Singing for the Kingdom Cistercian Publications He was a novice of Thomas Merton who later chose him as his confessor After some years at Gethsemani he became a hermit for ten years in Papua New Guinea After returning to the monastery he became chaplain to the guests and retreatants to whom he gave a spiritual conference each evening after Compline Gethsemani Homilies Revised and Enlarged Edition was first published by the Franciscan Press in Quincy Illinois but after a short time the Press closed down and the manuscript was returned to

Gethsemani The editor William O Paulsell has revised and enlarged the edition that we have here **Mark's Gospel: An Actological Reading** Malcolm Torry,2022-05-19 This might look like an ordinary commentary on Mark s Gospel but it isn t one It understands reality as Action actions change diversity movement and the dynamic rather than as Being beings the unchanging the unitary rest and the static and it reads Mark s Gospel in the light of that distinctive understanding of reality It is all about action change and diversity and it understands God Jesus and ourselves as action change and diversity The initial chapter introduces the action based understanding of reality as action in changing patterns an actology rather than an ontology Then follows a section by section close study of the Gospel The result is a unique and somewhat unexpected reading of the text and a distinctive theology to match **Power of Samson: Guardian of God's Secret Code** Donald Alexander,2020-02-07 Initially setting out to disprove God s existence a scientist stumbles upon mysterious Biblical codes and patterns that point to God s fingerprint Through his personal testimony he proves that these incredible discoveries reveal undeniable reproducible objective evidence that God Exists 52 embedded associations connect Samson to Jesus in the same order in just 96 verses in the Book of Judges The probability of this happening by chance is smaller than finding a single atom on Planet Earth by chance Yet numerous other code sequences are also embedded in the lives of a Great Cloud of Witnesses including Joseph Samson David Jonah Elisha Moses and Joshua in the same order as those in the life of Christ How could numerous independent authors have known about the steps of Christ in such detail hundreds to over a thousand years in advance The Author behind these accounts somehow can see events in the distant future How can this be Could He be the Omniscient One called God **The Message of the Cross** Jaerock Lee,2007-08 Lee provides spiritually satisfying answers to fundamentally important questions for all Christians who had never been given thorough and accurate explanations Practical Life **His Purpose** Gerimantas Gaigalas,2011-10-14 Does God have a purpose What He seeks in your life and where He leads you After getting the answer to this question many remain at home spending their life in front of TV screen however others take the courage and begin the most important and wonderful journey in their life This journey leads to His purpose Indeed God has a purpose for your life How to know it and reach it This book describes the spiritual journey of Christians who are lead by the Holy Spirit in reaching the true purpose of God 'The Real Scriptures' of God – New Testament James Platter,2012-09-29 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isnt in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its

priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else's church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language The Real Scriptures edited by James Platter above a layman who formerly studied the scriptures for many years with the Baptist Bible Fellowship in San Dimas California in the United States but now rejects the reduced 1627 A D Version of the KJV Bible and formally learned the Greek language of the New Testament at Capernwray Missionary Fellowship Moss Vale N S W Australia under the Reverend Alan Catchpoole in 1973 *The Timeless Age of God* Russell Redden, 2009-03-17 A doctrine once common in Apostolic times unlocks the meaning of many Bible passages Ancient Jews Christians Gnostics and Greek philosophers believed that heaven is an unchanging place of timelessness the first dimension where creation began and will return at the end of time This book catalogs evidence of this theology throughout the Bible and numerous ancient texts Unknown to the majority of Christians the theology of two aeons is central to many Bible passages many of them related to the ascension of Christ The Son of Man ascended into the unchanging Spirit of God the Father who lives in heaven outside of time and space This knowledge was revealed to ancient Israel a testimony of Christ's priesthood many years before He walked the earth Life-Study of Exodus Witness Lee, 1998-09 The Conclusion of the New Testament (8) Witness Lee, In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries It is filled with the revelation concerning the processed Triune God the living Christ the life giving Spirit the experience of life and the definition and practice of the church In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation development and expounding of the truths contained in the Scriptures The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people the second principle is that we should interpret develop and expound the truths contained in the Bible with Christ for the church and the third governing principle is Christ the Spirit life and the church No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does **Different Visions of Love** Brian Griffith, 2008 Griffith's narrative moves like a searchlight over each phase of church history illuminating the visions options and choices behind events He traces the rise of a dominator version of Christianity in which the primary concern was a chain of command to be followed with rewards or punishments according to the degree of obedience And beside this he illuminates another face of Christianity concerned with healing all divisions between loved and unloved people The story Griffith presents is often deeply disturbing as in his unstinting accounts concerning the gospel for women or the

age of holy wars and witch hunts But ultimately his story offers solid grounds for optimism He shows that all contention between different religious visions can be a process of building partnership As Griffith points out Jesus himself wished to debate his opponents openly not to silence or eliminate them He was not afraid of real encounter or the potential of creative conflict I want to congratulate Brian Griffith on this masterful controversial and highly readable account His book offers hope in a divided world where reaction against globalized godless corporate secularism meets with a war on religious fundamentalism I hope to see other writers do comparable work in highlighting the partnership and dominator visions within their religious traditions around the world Riane Eisler author of *The Chalice the Blade Sacred Pleasure* *Tomorrows Children* *The Power of Partnership* *The Real Wealth of Nations* I find it gives me an incredibly clarifying perspective on Christianity way beyond my previous understanding It should be read by everyone with an interest in Western Civilization It is a marvelous companion to *The Great Turning* David Korten author of *The Great Turning From Empire to Earth Community*

Revelation Revolution Kay Fairchild, Lisa Perdue, 2003-08 The Gospel According to St. John C. K. Barrett, 1978-12-01

In this useful work C Kingsley Barrett offers an insightful commentary on the book of John Barrett seeks to view John in light of a variety of contexts including that in which it was written and its implications for modern day readers The book includes detailed notes and commentary on each chapter of John s Gospel
