emphasizes the link between Baptism and death assisting Christians in grasping who we are called to be in this life as disciples and who we are promised to become in eternal life as saints As the author points out the centrality of baptismal identity to the funeral liturgy he makes apparent that the union established at Baptism continues until all reach Christ Such an appreciation for life in the Body of Christ will help the community recognize both their responsibilities at the death of a member and the union that remains with that member as all journey to the divine Wilbricht explores the Church's theology of Baptism and death and provides pastoral suggestions that will encourage communities to carry out their commitment to care for the grieving and bury the dead

Issues in Prayer Book Revision Robert W. Prichard, 2018-09-17 Essays from academics across a spectrum of perspectives The Standing Commission on Liturgy and Music sought input from multiple sources in order to better understand the charge of the General Convention of 2015 suggesting that it present a plan for the revision of the Book of Common Prayer to the 2018 Convention While the individual chapters of this volume raise a variety of differing issues they share a common assumption that one of the sources of information for the Standing Commission and the Church in its deliberations ought to be the community of academically trained liturgical scholars The hope of this volume is to open a conversation across the church that will continue in the future
