California Waves (The Davenports, Book 2) Bella Andre, Nicky Arden, 2024-05-30 A beautiful series The writing story and characters are all amazing I cannot wait to watch the other Davenports fall in love 5 stars When Herschel Greenfield achieved his dream of becoming an astronaut and going on space missions he thought he knew the risks

but he never expected his splashdown would go wrong and he'd nearly drown. He tells everyone he's fine but if that's true then why can't he get into the ocean? Somehow, somehow, he needs to conquer his fear so that he can continue going into space.

When pro surfer Mila Davenport suffered a career-ending accident that almost cost her life, she had to adjust to an entirely new life where she spent more time on land than in the sea. While she loves her new career as a realtor, nothing makes her feel more alive than riding the waves. Certainly no man has ever come close to giving her that same rush that the ocean does. But after meeting Herschel when she learns about his emotional fallout from his crash landing, she wants nothing more than to help him learn to love the sea as much as she does, despite his harrowing experience. The only problem is that she also thinks he's incredibly sexy and can't help but want him. More than she's ever wanted anyone. And when it seems like he feels the same way about her, that's when things suddenly feel truly dangerous. Far more dangerous than any surfing accident or crash landing. Because this time around, Mila isn't just risking her body; she's risking her heart. But is Herschel willing to risk his heart too? Or once he gets over his issues with the sea, will he be on the next spaceship out of town, and she'll be left with nothing but the memories of being with the most incredible man she's ever known.
