Children's Culture and the Avant-Garde Marilynn Strasser Olson,2013-03-05 This volume explores the mutual influences between children's literature and the avant garde Olson places particular focus on fin de siècle Paris where the Avant garde was not unified in thought and there was room for modernism to overlap with children's literature and culture in the Golden Age The ideas explored by artists such as Florence Upton Henri Rousseau Sir William Nicholson Paula Modersohn Becker and Marc Chagall had been disseminated widely in cultural productions for children their work in turn influenced children's culture These artists turned to children's culture as a new way of seeing allied to a contemporary interest in international artistic styles Children's culture also has strong ties to decadence and to the grotesque the latter of which became a distinctively Modernist vision This book visits the qualities of the era that were defined as uniquely childlike the relation of childhood to high and low art and the relation of children's literature to fin de siècle artistic trends Topics of interest include the use of non European figures the Golliwogg approaches to religion and pedagogy to oppression and motherhood to Nature in a post Darwinian world and to vision in art and life Olson's unique focus covers new ground by concentrating not simply on children's literature but on how childhood experiences and culture figure in art

The In-Between Bookstore Edward Underhill, 2025-05-22 Underhill's tender innovative debut is the smartest take on this trope I've ever read Jodi Picoult 1 Sunday Times bestselling author Underhill skilfully employs a clever set up and a queer lens to explore the deep changes we all experience in growing up Steven Rowley New York Times bestselling author of The Guncle A whimsical and healing novel about a trans man in New York who almost 30 laid off broke moves back to his small Illinois hometown walks into the bookstore he worked at in high school and slips through time to come face to face with his pre transition teenage self If you had one chance to talk to your younger self would you What would you say When Darby left Oak Falls for university in New York City all he wanted was to get as far away as possible find a community where he could start afresh and finally forget about his childhood best friend Michael and just how painfully their friendship ended Now about to turn 30 Darby suddenly finds himself unemployed With no better alternative and questioning where he really belongs he moves back to his hometown But the changes in Oak Falls make him feel off balance And Michael's still there their relationship still distant and strained One thing is familiar In Between Books Darby's refuge growing up and high school job When he walks inside Darby feels an eerie sense of déjà vu everything is exactly the same Even the newspapers are dated 2009 And behind the till is a teen who looks a lot like Darby did at sixteen a teen who just might give him the opportunity to change his own present for the better if he can figure out how before his connection to the past vanishes forever
