Management: Integrations and Trends Jennex, Murray E.,2010-01-31 This book presents current research in Knowledge Management highlighting new technologies approaches issues solutions or cases that can help an organization implement a knowledge management initiative or provide a knowledge base Provided by publisher *Handbook of Middle East Politics*

Shahram Akbarzadeh,2023-10-06 This Handbook uses a comprehensive study of political institutions social movements and external pressures to offer nuanced study of politics in the Middle East Foremost scholars on the Middle East examine key themes such as political change regional rivalry and authoritarianism making this collection very timely and relevant as an authoritative source The Politics of Written Language in the Arab World ,2017-07-31 The Politics of Written Language in the Arab World connects the fascinating field of contemporary written Arabic with the central sociolinguistic notions of language ideology and diglossia Focusing on Egypt and Morocco the authors combine large scale survey data on language attitudes with in depth analyses of actual language usage and explicit and implicit language ideology They show that writing

practices as well as language attitudes in Egypt and Morocco are far more receptive to vernacular forms than has been assumed. The individual chapters cover a wide variety of media from books and magazines to blogs and Tweets. A central theme running through the contributions is the social and political function of doing informality in a changing public sphere steadily more permeated by written Arabic in a number of media.

Dynamism in Islamic Activism, 2006. Though the media frequently cover tensions surrounding radical Muslim communities within Western countries, coverage and understanding of similar tensions within Muslim nations themselves are far more limited. This study of the Netherlands Scientific Council for Government Policy analyzes developments in Islamic beliefs, political activism, society and law in twelve Islamic countries since the 1970s. *Dynamism in Islamic Activism* is a penetrating, timely study that helps citizens and policy makers look beyond simplistic, stereotypical understandings of Islamic societies.
