How many different ways can you think of to make a gift, for the year 1000?

- **Design**
- **Construction**
- **Finishing**
- **Display**

Design - The process of creating a plan for something that will be made. It involves thinking about the purpose, the materials, the tools, and the steps to make it.

Construction - The process of making something from a plan. It involves using tools and materials to create the physical object.

Finishing - The process of making something look better. It involves adding details, such as paint, varnish, or a final coat of wood.

Display - The process of showing something off. It involves putting the finished object in a place where it can be seen and admired.
