book readers have said I am currently studying each and every page of the Karen and Cindy studies looking up every Bible passage They are very well put together very well documented with references and all enormously helpful I had Jehovah s Witnesses visiting for six years The sad thing is now I have their beliefs in my head So I put myself into God s hands and asked for direction Well the feeling of freedom is amazing I am like a child learning again for the first time The reason I had to write to you was the Karen and Cindy conversations Instead of me asking for help one question at a time they are all there for me It seems as if Cindy could read my mind It s so lovely for things to fall into place I was scared while I did not understand even the tiny bit I do now It s such a joy instead of feeling unworthy we re all sinners I know and feeling I would never be saved or go to Heaven So please thank God and Jesus with me for such help As you know I am in prison I know that every soul you help touch is a seed that might grow to touch hundreds and thousands For example the What Does God Require book you sent me some time back has been making its rounds around this prison yard And many Jehovah s Witnesses have been raising lots of questions and are re thinking their faith Again thank you for your ministry Keep up the great work

To Every Locked Mind, There Is a Key Martin Hernandez, Daniel Rodriguez, 2017-01-26 There are two issues which confront those who have a heart to share the gospel with the Jehovah s Witnesses 1 Not knowing what drives their commitment and 2 Frustration The end result both parties arguing by debating scripture Regardless what is said the gospel message falls on a hardened heart and deaf ears In this book you will learn why the Witnesses are so committed to their beliefs You will also learn from the personal experiences of an ex Jehovah s Witnesses how the Witnesses think why they depend upon the Watchtower and why leaving the Watchtower organization can be quite a painful emotional and spiritual ordeal This author does not believe that witnessing to Jehovah s Witnesses is about presenting persuasive arguments The beginning of a successful witness to Jehovah s Witnesses is a two fold process 1 Understanding their allegiance to the Watchtower Society s authority and 2 dismantling that allegiance with patience and kindness Once you understand how and why the Witnesses are so committed to the Watchtower Society your frustration will cease Jesus taught a principle in sowing the Word of God Once the seed is planted the farmer then prepares the ground before the seed is planted and soon the seed will reproduce after itself All farmers know that seeds take time to grow and will exercise patience Remember patience is the first description of God s love The analogy of the sower sows the word that Jesus taught is the perfect illustration We all want to start planting before ground preparation Therefore no Jehovah s Witness will be opened to hear the gospel message unless the ground of his heart is first prepared or we cast seed on rocky soil Love is the tool we will use to prepare the heart to receive seed which is the premise of this book The Apostle Paul wrote Love is patient and love is kind We also read that God is love The nature of God s character is first expressed by patience then kindness Patience speaks of commitment and devotion Kindness reduces distance between people and establishes a connection In over 30 years of witnessing to Jehovah s Witnesses this has been my strategy in having a successful witness In this book you will have a fresh insight into the minds of

Jehovah's Witnesses from the personal testimonial of one who left the Watchtower organization. This testimony will give you an understanding why the Witnesses are so committed to the Watchtower Society and how the power of God's love can set them free to have a relationship with Jesus Christ.

Answers to My Jehovah's Witness Friends Thomas F. Heinze, 2011. Answers you need to witness effectively to Jehovah's Witnesses. When Jehovah's Witnesses come to your door, have you ever wished you could get them off their memorized scripts and show them what the Bible really teaches? Have you ever wished you had the information necessary to lovingly show them why their religion is wrong? Now you can. Using many quotes from Watchtower leaders, this small book exposes the errors of this false religion, presenting thought-provoking questions Jehovah's Witnesses can't answer. Don't turn them away from your door saying "I'm not interested." Learn the questions that will make them think so you can effectively share the true gospel with them. Did you know? In 1889, Jehovah's Witness founder C. T. Russell predicted the final end of the kingdoms of this world and the establishment of the Kingdom of God will be accomplished at the end of A.D. 1914. This is one in a long list of unfulfilled Jehovah's Witness Bible prophecies that are revealed in this book.

Conversations with Jehovah's Witnesses Ron Rhodes, 2014-02-01. An unfamiliar car parks near your house and two pleasant-looking folks approach your front door. The doorbell rings and after exchanging pleasantries, your unexpected guests offer you some literature from the Watchtower Society. What will you say? What should you say? Should you engage your visitors in conversation at all? And if so, how? Trusted Bible teacher Ron Rhodes guides you through several realistic dialogues with Jehovah's Witnesses, demonstrating helpful techniques for listening, asking questions, avoiding offense, and more. He includes the information you need to address the big issues, including the New World Translation of the Bible, the divine name, the Trinity, salvation, and the afterlife. With this practical, kindhearted, and easy-to-understand resource, you can actually enjoy discussions about your faith when Jehovah's Witnesses come to call, and you can lovingly guide them to the truth about Jesus Christ.

Knock, Knock Ruth Baker, 2007-10. In her breakthrough book *Knock Knock: Shedding Light on Jehovah's Witnesses at the Door*, born-again author Ruth Baker uses her twenty years of experience as a Jehovah's Witness to unveil the mystery of this obscure cult. This shocking testimony will not only equip Christians to properly protect themselves, their families, and friends from the unseen forces of darkness, but will also challenge them to boldly defend the truth with confidence and love. This book is an essential weapon in preparing for the next Knock Knock.
