American Henry James:

The American Henry Henry James, 2017-07-28 How is this book unique Font adjustments biography included Unabridged 100% Original content Illustrated About The American by Henry James The American is a novel by Henry James The novel is an uneasy combination of social comedy and melodrama concerning the adventures and misadventures of Christopher Newman an essentially good hearted but rather gauche American businessman on his first tour of Europe Newman is looking for a world different from the simple harsh realities of 19th century American business He encounters both the beauty and the ugliness of Europe and learns not to take either for granted The core of the novel concerns Newman's courtship of a young widow from an aristocratic Parisian family The American generally flows well and is easily accessible to today s reader more so than some of James s later novels Newman s friendship with Valentin de Bellegarde is particularly well drawn and the descriptions of upper class Parisian life are vivid Newman seems to see Claire de Cintre only in terms of her elegance and suitability as a consort for a rich and accomplished man like himself As for Claire we learn nothing about what transpired between her and her first much older husband nor is anything significant revealed about her feelings for Newman Only the mercenary Mademoiselle Nioche is presented as a sexual being and this only in the most oblique and negative terms Even by Victorian standards James s reticence on sexual matters is striking Henry James on Culture Henry James, 1999-01-01 This text presents a collection of 18 articles by Henry James on the social and political issues of his day They focus on guestions of gender and manners religion and metaphysics as well as grouping together all of his works on World War I
