The American Poet Laureate Amy Paeth, 2023-05-16 The American Poet Laureate shows how the state has been the silent center of poetic production in the United States since World War II It is the first history of the national poetry office the U S poet laureate highlighting the careers of Elizabeth Bishop Robert Frost Gwendolyn Brooks Robert Pinsky Tracy K Smith Juan Felipe Herrera and Joy Harjo at the nation's Capitol It is also a history of how these state poets participated in national arts programming during the Cold War Drawing on previously unexplored archival materials at the Library of Congress and materials at the John F Kennedy Presidential Library Amy Paeth describes the interactions of federal bodies including the Central Intelligence Agency the State Department and the National Endowment for the Arts with literary organizations and with private patrons including Prozac heiress Ruth Lilly The consolidation of public and private interests is crucial to the development of state verse culture recognizable at the first National Poetry Festival in 1962 which followed Robert Frost's Mission to Moscow and which became dominant in the late 1990s and early 2000s The American Poet Laureate contributes to a growing body of institutional and sociological approaches to U S literary production in the postwar era and demonstrates how poetry has played a uniquely important and largely underacknowledged role in the cultural front of the Cold War

The Academic Avant-Garde Kimberly Quioque Andrews, 2023-01-10 The surprising story of the relationship between experimental poetry and literary studies In The Academic Avant Garde Kimberly Quioque Andrews makes a provocative case for the radical poetic

possibilities of the work of literary scholarship and lays out a foundational theory of literary production in the context of the university In her examination of the cross pollination between the analytic humanities and the craft of poetry writing Andrews tells a bold story about some of today s most innovative literary works This pathbreaking intervention into contemporary American literature and higher education demonstrates that experimental poetry not only reflects nuanced concern about creative writing as a discipline but also uses the critical techniques of scholarship as a cornerstone of poetic practice Structured around the concepts of academic labor such as teaching and methodological work such as theorizing the book traces these practices in the works of authors ranging from Claudia Rankine to John Ashbery providing fresh readings of some of our era s most celebrated and difficult poets

Unoriginal Genius Marjorie Perloff,2010-12 Marjorie Perloff here explores this intriguing development in contemporary poetry the embrace of unoriginal writing Paradoxically she argues such citational and often constraint based poetry is more accessible and in a sense personal than was the hermetic poetry of the 1980 s and 90 s

Rumor Elizabeth Robinson,2018-01-19 Robinson s ambition in

Rumor is enormous to understand the problem of violence to understand how power subjugates bodies and souls and turns them to use In the world these poems inhabit language itself is a violent power tool a buzzsaw precise ruthless and often wrong Yet language s instability allows Robinson to turn it on itself to question categories such as gender Through brooding bloody clearwater analysis through delicate brutally uncertain self questioning Robinson s poems create a frictive warmth that s not comfortable but rousing Catherine Wagner Elizabeth Robinson has long been probing the interplay of the personal with the abstract or as she has put it the brick floor from which the kingdom of God extends or could extend In Rumor the poet victim whom grief evicts from herself tries to take on the persona of perpetrator as if it were a sanctuary from which to explore and understand the violence she lies a divided pronoun knife slicing through softened self She crouches over herself a difficult situation The poems worry at boundaries between subject object male female transgender but most of all between abstract violence and the physical the teacher flayed by removal from the student This process of incarnation of word made flesh is frightening nauseating but must be faced we cough up words made of flesh and eat them anew Here I myself had no face but took to smiling and wrapped my hand around my incomprehension Rumor is fascinating daunting complex Its exploration remains open does not pretend to find answers but instead offers memorable words How firmly the answer closes its eyes Rosmarie Waldrop

Multicultural Poetics Nissa Parmar, 2017-12-21 Argues that multiculturalism and hybridity are key components of the nation s poetry and its culture Multicultural Poetics provides a new perspective on American poetry that will contribute to the evolution of contemporary critical practice Nissa Parmar combines formalist analysis with cultural studies theory to trace a lineage of hybrid poetry from the American Renaissance to what Marilyn Chin deemed America s multicultural renaissance the blossoming of multicultural literature in the 1980s and 1990s This re visionary literary history begins by analyzing Whitman and Dickinson as postcolonial poets This critical approach provides an alternative to the factionalism that has characterized twentieth century American poetic history and continues to inform literary criticism in the twenty first century Parmar uses a multiethnic multigender method that emphasizes the relationship between American poetic form and cultural development This book provides a new approach by using hybridity as the critical paradigm for a study that groups multiethnic and emergent authors It thereby combats literary ghettoization while revealing commonalities across American literatures and the cross fertilization that has informed their development Parmar demonstrates her mastery of the immense body of scholarship devoted to the poetic lineage Multicultural Poetics engages She writes with elegance and tact and displays her ability to simplify several concepts liminality the third space interstitiality of the most confounding of contemporary theorists Donald E Pease author of *The New American Exceptionalism*

The New American Poetry and Cold War Nationalism Stephan Delbos, 2021-08-20 This book examines Donald M Allen s crucially influential poetry anthology *The New American Poetry* 1945 1960 from the perspectives of American Cold War nationalism and literary transnationalism considering how the anthology expresses and challenges Cold War norms claiming

post war Anglophone poetic innovation for the United States and reflecting the conservative American society of the 1950s Examining the crossroads of politics social life and literature during the Cold War this book puts Allen s anthology into its historical context and reveals how the editor was influenced by the volatile climate of nationalism and politics that pervaded every aspect of American life during the Cold War Reconsidering the dramatic influence that Allen s anthology has had on the way we think about and anthologize American poetry and recontextualizing The New American Poetry as a document of the Cold War this study not only helps us come to a more accurate understanding of how the anthology came into being but also encourages new ways of thinking about all of Anglophone poetry from the twentieth century and today [Writing Into the Future](#) Alan Golding,2022-09-13 The dial The little review and the dialogics of the modernist new The new American poetry revisited again New newer and the newest American poetries Poetry anthologies and the idea of the mainstream Serial form in George Oppen and Robert Creeley Place space and new syntax in Oppen s Seascape needle s eye Macro micro material Rachel Blau DuPlessis s Drafts and the post objectivist serial poem Drafts and fragments Rachel Blau DuPlessis s counter Poudian project Drawings with words Susan Howe s visual feminist poetics Authority marginality England and Ireland in the work of Susan Howe Bruce Andrews writing and poetry What about all this writing Williams and alternative poetics Language writing digital poetics and transitional materialities [Inciting Poetics](#) Jeanne Heuving,Tyrone Williams,2019-06-15 The essays in Inciting Poetics provide provocative answers to the book s opening question What are poetics now Authored by some of the most important contemporary poets and critics the essays present new theoretical and practical approaches to poetry and poetics that address current topics and approaches in the field as well as provide fresh readings of a number of canonical poets The four sections What is Poetics Critical Interventions Cross Cultural Imperatives and Digital Capital and Institutional Frames create a basis on which both experienced readers and newcomers can build an understanding of how to think and write about poetry The diverse voices throughout the collection are both informative and accessible and offer a rich exploration of multiple approaches to thinking and writing about poetry today
