**The Story of Men's Underwear** Shaun Cole, 2012-05-08 Men's fashion particularly the trends involving undergarments was once reserved for the elite today it has become democratised clear proof of social progress The aestheticism of the body so highly valued by the Greeks seems to have regained a prominent place in the masculine world Mirroring the evolution of society's values the history of underwear also highlights the continuous dancing exchange that exists between women's styles and men's fashion Undergarments are concealed flaunted stretched or shortened establishing a game between yesterday's illicit and today's chic and thereby denouncing the sense of disgrace that these simple pieces of clothing used to betray In this work Shaun Cole endeavours to re-establish for the first time through well researched socio-economic analysis the importance of men's underwear in the history of costume from ancient times to today A reflection of technological progress this study is full of surprises and powerful reflections on man's relationship with his body

**Miss Misery** Andy Greenwald, 2006-01-31 Once I started I couldn't stop It felt like falling down the stairs Meet David Gould abandoned by his girlfriend pushing the deadline for his first book tormented by writer's block and obsessed with the impossibly sexy overwhelmingly alive diaries young people keep online Outside it's a beautiful Brooklyn summer But inside his apartment David is sleeping in screening calls draining beer after beer and dreaming of Miss Misery aka twenty-two year old provocateur Cath Kennedy a total stranger with impeccable music taste and an enviable nightlife Now meet David Gould online Here in his fictional diary he's a downtown DJ and an inveterate night owl drinking and charming countless girls until the sun comes up But when Miss Misery moves to New York City and begins canoodling with an insufferable hipster David's diary mysteriously begins updating itself The reason David Gould has a doppelgänger an obnoxious shadow set on claiming David's newly glamorous life as his own Even worse for David the phone calls from his editor are becoming increasingly desperate and the voice mails from his girlfriend an ocean away are becoming more and more distant And then there are all of the instant messages from seventeen year old Ashleigh Bortch an emo kid in Salt Lake City with an inappropriate crush on David and a knack for showing up at precisely the wrong time Forced out of his apartment David Gould is facing the fight of his life With humor heart and a vibrant genre jumping soundtrack Andy Greenwald captures the essence of what it means to be young and struggling with identity in the new century From cyberspace to nightclub bathrooms from New York City to Utah Miss Misery is a fast-paced funny story about the timeless need to become the main character in your own life
