American Horror Story:

Telling an American Horror Story Cameron Williams Crawford, Leverett Butts, 2021-03-02 Telling an American Horror Story collects essays from new and established critics looking at the many ways the horror anthology series intersects with and comments on contemporary American social political and popular culture Divided into three sections the chapters apply a cultural criticism framework to examine how the first eight seasons of AHS engage with American history our contemporary ideologies and social policies Part I explores the historical context and the uniquely American folklore that AHS evokes from the Southern Gothic themes of Coven to connections between Apocalypse and anxieties of modern American youth Part II contains interpretations of place and setting that mark the various seasons of the anthology Finally Part III examines how the series confronts notions of individual and social identity like the portrayals of destructive leadership in Cult and lesbian representation in Asylum and Hotel

Reading American Horror Story Rebecca Janicker, 2017-04-03 Looming onto the television landscape in 2011 American Horror Story gave viewers a weekly dose of psychological unease and gruesome violence Embracing the familiar horror conventions of spooky settings unnerving manifestations and terrifying monsters series co creators Ryan Murphy and Brad Falchuk combine shocking visual effects with an engaging anthology format to provide a modern take on the horror genre This collection of new essays examines the series contribution to television horror focusing on how the show speaks to social concerns its use of classic horror tropes and its reinvention of the tale of terror for the 21st century

American Horror Story and Cult Television Richard Hand, Mark O'Thomas, 2023-11-14 Over the course of ten seasons since 2011 the television series American Horror Story AHS created by Ryan Murphy and Brad Falchuk has continued to push the boundaries of the televisual form in new and exciting ways Emerging in a context which has seen a boom in popularity for horror series on television AHS has distinguished itself from its rivals such as The Walking Dead Bates Motel or Penny Dreadful through its diverse strategies and storylines which have seen it explore archetypal narratives of horror culture as well as engage with real historical events Utilising a repertory company model for its casting the show has challenged issues around contemporary politics heteronormativity violence on the screen and disability to name but a few This new collection of essays approaches the AHS anthology series from a variety of critical perspectives within the broader field of television studies and its transections with other disciplines
