American Eagle Undies:

Sacred Snaps Roman R. Williams, Catherine Holtmann, William L. Sachs, 2024-11-25 Sacred Snaps tells the story of a new approach to interfaith engagement. It is an invitation to see and engage religion diversity and inclusion through the lens of the mobile phone camera. These days just about everyone owns a camera equipped cell phone. What if we recruited these cameras for the common good? When religion shows up in everyday life at work, school, the mall, or the beach, often it is not welcome. At a time when so much of the public discourse is around equity, diversity, and inclusion, religion seems peripheral to the conversation. Many embrace the wisdom that our workplaces, schools, and communities are enhanced when people can bring their whole selves into every aspect of their daily lives. But religion and spirituality are not gaining the same ground as other aspects of diversity such as race, ethnicity, gender, sexuality, and ability. To be more fully included in the cultural conversation about human flourishing, religion needs to be seen and heard in new ways. The old paradigm of interreligious dialogue is no longer adequate. A new paradigm focused on building relationships at the grass roots of daily life is emerging. This cutting edge volume brings together Christians and Muslims in the United States and Canada to explore what their beliefs, practices, and values look like in everyday life. Written in Stone David Connor, 2019-08-28 After the end of a bad relationship and the death of his dog, Geoffrey is left with a choice: live the rest of his life alone or start over. But starting over is easier said than done, and alone in the woods one night, Geoffrey writes those very words on a rock. To his surprise, when he returns later, he discovers someone has replied. The lengthy written conversation that ensues over days leaves Geoffrey less lonely and also quite hopeful and intrigued about the future and the identity of his mysterious new friend.
