A. **Walter Dill** English colonists, ideas about the role and shape of government influenced the growth of the colonies, the laws that they created, and the system of government that later today.

1. **English**, **Colonists**, customs and ideas inherited from British lawmakers are important contributions to the founding principles and development of the United States.

2. The principle that a government's power is derived absolutely from the people is the Magna Carta, which the English people have regarded as a guarantee of **English**, **government**.

3. The English **Bill of Rights** and other documents that established and confirmed fundamental documents applied to them and gave them the same rights as people living in Britain.

4. The English system of **law**, especially as organized by the British Parliament, was widely followed in the colonies.

5. British Parliament, which distinguished itself by the people, was a familiar example of **representative** government, but they criticized it.

6. Thomas Hobbes developed the **Social Contract** theory, which suggested that people give up their individual sovereignty to the government in exchange for the government's maintenance of law and order.

7. John Locke believed that people have **natural rights** as human beings and a government that failed to protect them is illegitimate.

8. John Locke believed that **men**, **women**, **children**, **Indians** had equal rights and responsibilities and argued as a community, especially as a social contract to protect their rights while creating laws and government.

9. Charles Louis de Montesquieu suggested **separation** the powers of government.

10. Walter Dill said that the English colonies had the same government structure.
