Magdalena and she certainly doesn't know the final letter she plans to mail is about his father Pete and Elissa are both in need of healing and maybe that's why they agree to shut down the outside world and pretend nothing exists but what's inside the cabin. Could that also be why they're able to open up to one another talk about disappointments hurts betrayals and hopes. Because it's all pretend. Is that why passion consumes them burns them with a need they've never felt before. Is it so powerful because it isn't real. Except it is. When Pete uncovers the truth about Elissa's part in Gloria Blacksworth's cruel scheme for vengeance he feels betrayed and questions everything that happened in the cabin. As weeks pass and the couple forge separate lives Pete must decide if he can open his heart once again to forgiveness and love.

[A Family Affair: The Gift](#) Mary Campisi, 2016-08-18 Heartache Betrayal Forgiveness Redemption It's time to head back to Magdalena New York and spend a little time with the people we love to love and even a few we love to hate. Only one thing is missing from Tess and Daniel Cash. Casherdon's perfect life a child. Oh how they long for one to make their life complete. But what is it people say about being careful what you wish for. Their wish will come true but not in the way they think. Daniel Casherdon's past is about to catch up with him. It's bad enough when a woman arrives in Magdalena with a nine-year-old boy she claims is his but confessing to a terminal illness and asking Tess and Cash to raise the boy when she's gone. Well that's going to require a big leap of faith that won't be easy or without repercussions. How can anyone refuse a dying mother such a heartbreaking request. Tess is torn between doing right by the child and acknowledging that another woman has given the man she loves something she may never be able to a child. As the woman pulls Cash closer into her emotional circle it is Tess who becomes the outsider and soon she wonders if the woman has secrets she's not telling. More than one resident is suspicious of anyone who drives a wedge between one of Magdalena's favorite couples. The newcomer may look and act like the girl next door but something isn't right and Pop Benito is going to gather ammunition and find out what that something is. But he'd better do it fast before it's too late. And Cash isn't the only one who's gotten a visitor from his past. Pop Benito encounters his nemesis and is forced to face some hard truths about himself and the choices he made years ago. It's going to be one very interesting summer in Magdalena. You're not going to want to miss it.

Enter psychologist Sara Hamilton, a woman who has known her own share of grief and loss and may just be the one person who can help Matt redefine his new world. Sara is every woman's woman; she's not a toothpick or a Cosmo girl; has never been prom queen or dated the blond-haired god with the big white teeth. She's honest and decent and real and lives on the perimeter, applauding her patients' successes, nursing them through their failures, but never acknowledging or accepting what she lacks in her own life. She's loved and lost once and has been so emotionally scarred she's not willing to risk those feelings again. Of course she's never met a man like Matt Brandon. As Matt and Sara explore the delicate balance between blind trust and hope, they will discover that sometimes you have to lose everything to find what you are truly looking for.

Pulling Home: She'll risk anything to save her child, even the truth. It's taken nine years and a cross-country move, but Audra Valentine Wheyton has kept her secrets safe. She's created the perfect life: a husband who loves her, a daughter she adores, and a position as head writer for an award-winning daytime soap. When her husband dies suddenly, Audra returns to her hometown for the funeral and faces a community that has not forgotten her meager beginnings and the man who has never forgiven her for marrying his brother. Jack Wheyton is a successful pediatric neurosurgeon who is about to become engaged when Audra walks back into his life with her daughter. He forgave his brother long ago for taking something that had been his, something he hadn't even realized he wanted until it was gone. But forgiving Audra is another story, and forgetting her? Near impossible.

When a Shattering Illness Strikes: Audra's daughter, she turns to Jack to save her child and risks exposing a secret that will change their lives forever.

The Way They Were: They promised to love one another forever, but tragedy tore them apart. Now destiny may just bring them back together.

At Eighteen: Rourke Flannigan and Kate Redmond thought they'd spend the rest of their lives together until a family tragedy tore them apart. Fourteen years have passed, and they've both carved out separate lives, hundreds of miles apart. Hers as a wife and mother, his as a successful, driven businessman. But once a year, Kate pulls out a red velvet journal and writes a letter which she'll never send to the man who still owns her heart. Once a year, on the anniversary of the first and only night they made love, Rourke permits himself to read the annual investigative report detailing an ordinary day in Kate's life.

When a Subcontractor at One of Rourke's Holding Companies is Killed: Rourke decides to pay the widow a visit and offer condolences, never dreaming the widow will be Kate. She's been raised by an aunt and uncle who've provided her with a wealthy lifestyle and a fancy education, but have withheld what she craved most: love and acceptance. Her uncle has taught her to disregard everything but the bottom line on a balance sheet, and she'll do anything to earn his approval.
