the planet Now is a time of recuperation new growth and family and new hope in a future that had almost been lost Balance must be restored for the planet to fulfill its purpose even as Taylor finds new life blossoming within her However recent events have attracted unwanted attention The Xathen are coming to investigate and no act of intrusion goes unpunished When the Xathen arrive Taylor finds herself an invader on a world that is not her own in command of forces she barely comprehends With the Orion Spur once again on the brink of destruction the only thing that stands between the Xathen and the unsuspecting Commonwealth is Taylor Neeran
