The Marriage Bargain: A Small Town, Southern Romance Yuwanda Black, 2019-06-21 You will accept my proposal Daria You will become my wife And what makes you so sure about your proposition I said God I wanted to knock that smug smile off his addictively handsome face Because you have no choice So why fight it Besides it's only a year What have you got to lose Everything I wanted to scream My hopes My dreams Genuine affection Real love I'd be giving up all of that if I agreed to become his wife even if it was only for one year What would be left of me after I had dreamed of being Glory Falkner's wife a thousand times since I first met him at ten years old But never once had my fantasy played out like this And that's because it is fantasy a tiny voice whispered

in my head I turned around to face him We all have choices Glory In theory yes In reality no In your world you may not have realized that fundamental truth But you live in my world now And what world is that I asked my arms folded across my chest The real world he said reaching over and tucking a tendril of hair behind my ear In the real world dearest Daria only those with power have choices I could feel the thumping of my pulse on the side of my neck where his hand had come to rest He was so sure So confident And no wonder tears stung the back of my eyes as I realized the truth of what he said I don't think I've ever hated another human being as much as I hated him at that moment Alright Glory you have yourself a wife But if you ever lay a finger on me you will regret it That I can promise you I finished my eyes never leaving his His thumb caressed the side of my neck the pulsing of my vein mocking my words I like my women ready willing and able Daria I don't see you qualifying on any of those fronts So don't worry darling your virtue is safe with me I watched Glory's broad ramrod straight figure disappear through the large glass door I'd managed to save my beloved art gallery from bankruptcy but at what cost Would my heart pay the price for something much more valuable
