

Families & Households Revision Booklet (Paper 2 Topics in Sociology)

Theories of the family

Functionalism • Society is a system of interconnected parts- compared to human body. • Body Parts = institutions within society (family, religion etc) maintaining social order. • Everything has a function so that society can work. • Ignore the negative aspects the family can bring such as child abuse, neglect and violence. Murdock • 4 functions the family must provide: • Sexual – stable sexual relationship for adults. • Reproductive – continuing to create members of society. • Economic – must provide resources for the family. • Educational – teach norms and values of society. Parsons • Primary socialisation – teaches children the norms and values of society. • Stabilisation – stabilises personalities and emotional relationships. Parents also provide security to help individuals cope in wider society.	Feminism Liberal Feminism- Somerville • Believe women's oppression is being gradually overcome and we are moving forward- better access job opportunities. Marxist Feminism- Ansley • The main cause of women's oppression is not men, but capitalism. • Ansley- Wives "takers of shit" absorb anger of frustrated husbands- explains domestic violence for Marxists. Radical Feminism- Greer • Men are the enemy and the source of women's oppression. • Family and marriage = patriarchy. • Greer – the creation of all female or 'matriocal' households is an alternative. Difference feminism • Cannot generalise about women's experiences- lesbian & heterosexual, white & black, middle & working class all different. • Not all women live in conventional nuclear families.
Marxism • Family creates class inequality and capitalism. (Inheritance of property). Zaretsky • Family and household is like a 'private sphere'. • No land or property belongs to anyone and it's the idea of being trapped in a family.	New Right • Nuclear family is essential. • Men and women should have conventional roles. Valerie Reisches • Does not agree with sex education, emergency pill – encourages sex among teens. • Does not agree with gay couples, single parents • Housewives should not go to work.
Personal Life Perspective- Carol Smart • Functionalism, Marxists and Feminism suffer 2 weaknesses: ◦ Assume traditional nuclear family dominant family type. ◦ They're structural theories- assume families & members passive puppets. • Perspective influenced by interactionism. To understand families, we must look at individuals and the meanings they give their relationships. Bottom up approach (others top down). Look beyond traditional family- e.g. friendships, adopted families (no blood ties)
