Tomlinson, 2018-11-10 No one starts a magazine more than two decades into the 21st century No one It's only an addled brain that would even toy with the idea Print publications are on their way out The few survivors are frightened huddled waiting silently for the long night to come Well not here at Phenomenal Stories We never expected to have any readers so how could we be disappointed And we're not OK OK there may be one or two readers who ironically are reading Phenomenal Stories on their Kindles Other than that though it's safe to say that after the first four issues we are very nearly 100% reader free So why are we doing this I put it to you as a question Why wouldn't we be doing this OK plenty of reasons but we're doing it anyway Come on along *Yesterday's Faces, Volume 2* Robert Sampson, 1984 The second volume within this series presents more than fifty series characters within pulp fiction selected to represent four popular story types from the 1907-1939 pulps scientific detectives occult and psychic investigators jungle men and adventurers in interplanetary romance Some characters Tarzan John Carter of Mars Craig Kennedy Anthony Buck Rogers became internationally known Others are now almost forgotten except by collectors and specialists **Phenomenal Stories Quarterly, Vol. 1, No. 1, Winter 2018 • Special Collectors' Edition** Shawn M.
