MEMORANDUM FOR Mission Command System Integration Team Project Lead, White CTSF-
Building 30/2209 53rd Street, Fort Hood, Texas 76544

SUBJECT: Memorandum of Appreciation (MCSI Event I-II Training June 2016)

1. The purpose of this memorandum is to provide comments and feedback to the MCSI Team Project Lead on the support provided to the 28th Combat Aviation Brigade (CAB) during the planning, coordination, and execution of the MCSI Event I & II. Your team recently led and facilitated MCSI Event I-II for our brigade at Ft. Pickett, VA.
2. The command group, staff, and soldiers of the CAB would like to convey our appreciation for your teams support. Your team conducted themselves with the utmost professionalism. Their talent and expertise throughout the MCSI training reinforced their place as subject matter experts. Their passion to provide the best possible training, motivated our soldiers and improved our ability to stand up and effectively run a Command Post.
3. During the planning and coordination phase, Mr. Sam Tyne, utilizing the MCSI methodology, played a vital role providing keen insight and support during all IOT IPRA for the Brigade staff. He diligently answered all RFPs and provided accurate direction. As we experienced multiple challenges during Event I, your team remained extremely flexible, providing lessons learned and worked to get our systems operational.
4. My main training objective was to set up and establish the Command Post, conduct Command Post Integrated Training to all staff members and conduct the Command Post Integrated Exercise. Due to the efforts of your team, the results of meeting this objective exceeded my expectations. The CAB made significant improvements in all components of Mission Command.
5. Through my personal observations, the feedback from my staff and the AAR comments from our soldiers, I am honored to recommend your team of professionals to other commands within the Active, Guard, or Reserve Component. I absolutely see the MCSI Team's methodology and delivery as a key enabler to any unit's ability to enhance their mission command capability.
6. Any questions concerning this memorandum can be directed to my Executive Officer at howard.l.ford.mil@mail.mil or phone number 717-861-9002 (O), 717-943-4707 (BB).
