Loeb, 1957 The Battle for Investment Survival (Essential Investment Classics) Gerald M. Loeb, 2020-11-20 A fresh perspective on investing from years past as investors are treated to a straightforward account of how to profit and how to avoid loss in what could be described as the constant tug of war between rising and falling markets *The Battle for Investment Survival* G M Loeb, 2024-05-21 A reader of one of my earlier discussions asked Have you ever tried out the ideas outlined in your book My reply was to the effect that the ideas were tried out first and the book written afterward Any earner who earns more than he can spend is automatically an investor It doesn't matter in the slightest whether he wants to be or not or even whether he realizes that he is investing Storing present purchasing power for use in the future is investing no matter in what form it's put away **The Battle for Investment Survival** Gerald Martin Loeb, 1957 *The Battle for Investment Survival* G. M. Loeb, 2021-12-17 Loeb's Time Tested Strategies for Winning on Wall Street Markets rise and markets fall it is how intelligent investors behave those fluctuations that determines how much they will profit Gerald M Loeb a founding partner of the E F Hutton they are born from actual experience and knowledge based on timeless rock solid investing principles that Loeb himself had used tested and profited from before writing the book The time tested advice for investors speculators and traders Loeb offers holds just as true today as it did when originally written Loeb provides crucial ground rules to investors to follow for long term success He clearly explains both how the stock market works and how you can make it work for you While he recognizes that investment is an inexact science and asserts nothing is more difficult than succeeding in Wall Street you can learn from the patterns of those who prosper and ultimately reap great financial rewards The Battle for Investment Survival is for everyone interested in learning how to survive and thrive in the securities market The main goal protecting and increasing your hard earned capital is indeed a battle in that requires diligence perseverance and endurance as well as a strong will to win To invest successfully and grow your wealth the goal is to make a killing without being killed This invaluable book shows you how Includes illustrative postscript material such as related articles lectures statistical charts and case history examples all compiled by the author over several decades after initial publication as well as a newly expanded foreword and helpful glossary of terms This book is also available from Echo Point Books in paperback ISBN 1648370721 **The Battle for Investment Survival**

G. M. Loeb,2009-01-23 This book is called The Battle for Investment Survival because protecting and increasing capital is in fact a battle In addition to experience flair and contacts matters like this need uninterrupted time and attention and also a need to succeed There will be many who should learn from this book that trying to find their own way in Wall Street will prove unprofitable They will benefit however by what they save rather than by what they make Every reader should close the book knowing more about the hazards of preserving capital and why the book is entitled The Battle for Investment Survival To quote again forewarned is forearmed and a knowledge of true investment objectives and the great difficulty in their achievement is half the battle and of great value in itself *The Battle for Investment Survival* G. Today there are as many investment opinions as there are people. But as many a scorned investor can attest predicting the future isn't easy. In fact, *Being Right or Making Money Third Edition* explains that reliably predicting the future is often not even possible. The good news is that it isn't necessary either. Once you stop trying so hard to be right about the future, you can start making money. *Being Right or Making Money Third Edition* contains a position trading strategy that any serious investor will want to keep nearby. Using the unbiased objective standard in this book, you can stay on target for profit in all market conditions. You'll learn how to create asset allocation models in both stocks and bonds, how to make sense out of contrarian opinion, and how to use indicators to keep you focused no matter what. You won't find any shock and awe investing tactics in this book. Instead, *Being Right or Making Money Third Edition* presents the solid trading model that has made Ned Davis Research Group a go-to source for market wisdom.

The MAGNET Method of Investing Jordan L. Kimmel, Jeffrey A. Hirsch, 2009-08-13 Praise for *The Magnet Method of Investing*: Rather than encouraging the scatter shot approach of broad diversification, Jordan focuses on the rifle shot Magnet method of identifying a limited number of quality stocks to improve your chances of beating the market. Sam Stovall, Chief Investment Strategist, Standard Poor's Equity Research. Jordan Kimmel is one of the brightest market observers out there, and he is certainly a rising star that will be an important person to follow marketwise for many years. Michael Burke, Coeditor, *Investors Intelligence Inc.* Jordan Kimmel's *The Magnet Method of Investing* is an amazing, detailed, and intuitive book. I especially enjoyed Jordan's insights into diversification, the inefficient market, and identifying stocks that are in their sweet spot. Jordan's writing style is also very straightforward and refreshing. He succeeds in taking complicated subjects and explaining them in an insightful way. This is simply an incredible book that is a must read for both beginning and serious investors. Louis G. Navellier, Chairman and founder, Navellier Associates Inc. *The Magnet Method of Investing* examines investing from a different perspective than many investors often see, offering a unique alternative to diversification. Jordan Kimmel has analyzed the methods of the best investors through time and introduces his robust stock selection process. David M. Darst, CFA, Managing Director and Chief Investment Strategist, Morgan Stanley Global Wealth Management Group. We welcome Jordan's book as a valuable perspective on investing. *The Wall Street Transcript* applauds money managers like Jordan who explain their philosophies clearly, support them with research, and back them up with performance data. This is a great addition to any investing reading list. Andrew Pickup, Publisher and CEO, *The Wall Street*

Transcript The Magnet Method of Investing takes on the important issue of diversification which has been oversold to Main Street This is yet another example of the need to go against conventional thinking if you want to achieve superior results
