An Airman's Odyssey Richard Rowley, 2009-02 Like Homer s Odyssey An Airman s Odyssey tells the incredible story of a twenty one year journey highlighted by one amazing adventure after another The story you are about to read will take you on a fifty thousand mile journey from the East Coast of the United States to the West across the largest ocean in the world five times to a tropical island barely big enough to land a plane on It will transport you deep inside a military program larger and more secret than any since the Manhattan Project then to the foot of an erupting volcano the second largest volcanic eruption of the twentieth century This is the story of invisible laser beams fired from jet airplanes at targets on the ground several miles away It s also the story of senators and generals FBI agents working with the Air Force Office of Special Investigations to prevent a major compromise of classified information and of losing a friend killed in the line of duty It is a story of the love of family and a deep appreciation for country It s a voyage of self discovery and of going home none of which would be possible without divine intervention at every critical turn Just as when the gods intervened for and against Odysseus the forces of fortune and adversity can be clearly seen in An Airman s Odyssey but unlike Homer s Odyssey this is no work of fiction The stories are real and the divine intervention is focused and purposeful not cunning and divisive It will take the reader as it did the author on a wonderful journey across the spectrum of human emotions from laughter to tears suspense to a sense of relief as well as

adventure and intrigue So sit down relax and hang on the journey is about to begin **Joining the United States Army** Snow Wildsmith,2014-01-10 This book is for the teenager or young adult who is interested in enlisting in the United States Army It will walk him or her through the enlistment and recruit training process making the decision to join the military talking to recruiters getting qualified preparing for and learning what to expect at basic recruit training The goal of the McFarland **Joining the Military** book series is to help young people who might be curious about serving in the military decide whether military service is right for them which branch is the best fit and whether they are qualified for and prepared for military service Features include lists of books web links and videos a glossary and an index
