The Dragon's Lullaby Bret James Stewart, 2018-10-11 The dragons are reawakening All the signs indicate as much The duration of the spell that forced the beasts into magically prolonged slumber has nearly elapsed The fanatical Cult of the Wyrm secretly worshiping the power of the creatures throughout the dark centuries has come out of hiding and is murdering those whom it believes have the power to reinstate the spell And the now forgotten caverns where the wyrms were confined so many centuries ago shake with the stirrings of the restless dragons A mismatched group of would be heroes finds itself in the possession of one of the few surviving copies of the spell the Dragon's Lullaby Will this group be able to overcome their own failings long enough to survive to cast the Dragon's Lullaby and save the world from the depredation of the dragons Shadowbender does not think so but they are resolved to do so or what's more likely die in the attempt
