Estes, 2008-03-31 Spiritual but broken theological but flawed these are the words critics use to describe the Gospel of John Compared to the Synoptics John's version of the life of Jesus seems scrambled especially in the area of time and chronology But what if John's textual and temporal flaws have more to do with our implicit assumptions about time than a text that is truly flawed This book responds to that question by reinventing narrative temporality in light of modern physics and applying this alternative temporal lens to the Fourth Gospel From the singularity in the epic prologue to the narrative warping of event like objects this work explodes the elemental temporalities simmering below the surface of a spiritual yet superior Gospel text Characters and Characterization in the Gospel of John Christopher W. Skinner, 2013-04-11 This volume

examines characters in the Fourth Gospel and provides an in depth look at different approaches currently employed by scholars working with literary and reader oriented methods Divided into two sections the book first considers method and theory followed by exegetical character studies using a literary or reader oriented method It summarizes the state of the discussion examines obstacles to arriving at a comprehensive theory of character in the Fourth Gospel compares different approaches and compiles the diverse methodologies into one comparative study Through this detailed exegesis the various theories will come alive and the merits or deficiencies of each approach will be available to the reader This volume is both a comprehensive study in narrative reader oriented theories and a study in the application of those theories as they apply to characterization Summing up current research on characters and characterization in the Fourth Gospel this book also provides a comprehensive presentation of different approaches to character that have developed in recent years

The Baptismal Episode as Trinitarian Narrative Hallur Mortensen, 2020-11-09 Hallur Mortensen examines the concept of God in Mark s Gospel with particular emphasis on the baptismal scene of 1 9 11 This he closely relates to the beginning and end of the prologue 1 2 3 and 1 14 15 concerning the coming of the Lord the gospel and the kingdom of God The allusions of the divine voice to Psalm 2 and Isaiah 42 reveal the function and identity of Jesus as the Son of God and thus also of God as the father of Jesus The identity and descent of the Spirit at the baptism as an anointing is discussed in detail and has a critical function in the coming of the kingdom and the defeat of Satan These aspects are examined in the context of Jewish monotheism and what Hans W Frei calls the intention action description of identity that being is constituted by action and Mortensen thus argues that Mark s Gospel portrays a proto and narrative trinitarian conception of God

Discovering John John Ashton, 2021-01-01 The renowned Johannine scholar John Ashton 1931 2016 left a large number of unpublished essays at the end of his life representing his ongoing exegetical work Introduced here by

Christopher Rowland and Catrin H Williams they explore important themes such as mystery and Christology arising from his ground breaking study *Understanding the Fourth Gospel* *The Theological Programme of Mark* Francesco Filannino, 2021-05-31 The first chapters of literary works are indispensable to understanding them This is also true of the Gospels Francesco Filannino shows that the introductory section of Mark's Gospel Mark 1:1-15 is an important key to accessing the whole narrative because it anticipates the main contents of the evangelist's theology **Wasted Evangelism** Chip M. Anderson, 2013-10-04 What is the relationship between the gospel and the church's responsibility toward the poor Can social action be evangelism *Wasted Evangelism* is an exploration in the Gospel of Mark on the subject of evangelism and social action A proclamation centered definition of evangelism based on the etymology of the word evangelize and a few isolated proof texts is devoid of much of the biblical content that Mark offers to us through his Gospel detaching the concept of evangelism from the narrative meaning that Mark gives to the gospel of Jesus Christ In *Wasted Evangelism* Chip Anderson develops an exegetically based narrative understanding of biblical evangelism which according to Mark's Gospel includes God's care for the economically vulnerable and his concern for the issues of poverty The studies gathered in this volume propose that social action should not be considered a separate distinct responsibility for the church but is rather vital a component of evangelism A close examination of Mark's Gospel and the biblical texts associated with idolatry poverty and justice provides an opportunity for church leadership to rethink the evangelistic activities of their churches and to reconsider what it means to engage their surrounding communities as agents of God's kingdom God Is in the House John Woods, 2022-05-31 Good preaching is not simply a matter of communicating the gospel message Rather it is an invitation to encounter the living God who dwells within that message Distilling forty years of preaching experience into a single book *God Is in the House* is a highly practical tool for all those seeking to strengthen their preaching ministry It draws on Scripture's many images of God as architect and builder to guide its readers through the process of shaping effective sermons Both manifesto and manual it addresses the overall role and significance of preaching while also exploring the specific elements a sermon should contain Full length examples are included for illustration and each chapter has practical exercises to aid the reader in integrating new tools into their homiletic practice This book offers a fresh and imaginative model for thinking about the process of designing and delivering sermons It is an excellent resource for both experienced and developing preachers They Were All Together in One Place? Luke Frank Dicken,2023-08-08 The Gospel of Luke is a book about Jesus claiming to provide assurance concerning what its reader has been taught about Jesus But how does it do that This book provides an answer to that question by helping readers understand Luke as a gospel story in its historical context and with appreciation for the author s literary artistry and theological perspectives Part one explores background information and literary features of Luke such as its author and first readers genre plot and character development the role of programmatic passages and interpreting the large number of parables included by Luke Part two focuses on themes that run throughout the Gospel Jesus s mission salvation discipleship the kingdom of God resurrection and ascension The discussion of these features and themes will provide readers of Luke s Gospel with a grasp of its overarching framework so that they are able to comprehend Luke s unique presentation of Jesus s life and read the Gospel with increased confidence for themselves The Prologue of the Fourth Gospel Peter Phillips,2006-04-01 This study explores the background to the interpretation of the Prologue of the Fourth Gospel and the various layers of meaning **Luke the Theologian** François Bovon,2006 In this completely revised and updated edition Fran ois Bovon provides a critical assessment of the last fifty five years of scholarship on Luke Acts The study divides thematically with individual chapters covering the subjects of history and eschatology the role of the Old Testament Christology the Holy Spirit conversion and the church Each chapter begins with a consideration of the exegetical and theological problems unique to each theme in Luke Acts before providing a detailed survey and critique of contemporary English German French Spanish and Italian New Testament scholarship The Four Gospels Christoph Rau,2024-04-16 When a theologian speaks of the widespread misconception nowadays that faith is an intellectual holding of what is possible they underpin a wretched reduction of faith Since the interest of New Testament studies shifted to philosophical details the word of the Bible was treated intellectually thus shaking the foundation of faith in many people Christoph Rau Could a deeper cause of today s myriad human troubles be related to a dwindling or even nonexistent familiarity with the four New Testament Gospels of Matthew Mark Luke and John This is the view of Christoph Rau for whom today s prevailing approach to theological research which treats the ancient religious texts more as literary products than authentic records of spiritual experience is if anything a contributing factor in our modern alienation from the spirit In this book Rau presents the results of five decades of research demonstrating the independent structure of each of the four canonical Gospels Through clear analyses he illumines the distinctive stylistic features of each composition revealing the design principles through which the meaning and goal of each Gospel can be understood Beyond the intrinsic value of each Gospel the author draws on their

special features to explain how the spiritual richness of the four written works is fully revealed only by considering the pre Christian religions because each of the evangelists describes the incarnation of the Son of God from the perspective of his own mystery religion Furthermore the author succeeds in showing that the Gospels despite their seeming contradictions are elements of a common organism This book is a translation from German of Die Vier um den Einen Wesensart und spiritueller Hintergrund der Evangelien Verlag Dr Dieter Winkler 2008 **There Once Was a Prophet from Judah** Jeff

Carter,2018-02-19 Limericks are like the Bible often funny and sometimes obscene They shock us They surprise us They re not usually considered fitting for polite conversation But perhaps the Bible has been tamed has been polished of its rough edges So let s take the Bible out of polite conversation and let it shock and surprise us again The Gospel of the Christ

Thomas Lewis Stegall,2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ s person and work in the contents of saving faith
