Being Nixon A Man Divided:

Being Nixon Evan Thomas, 2015-06-16 The landmark New York Times bestselling biography of Richard M Nixon a political savant whose gaping character flaws would drive him from the presidency and forever taint his legacy A biography of eloquence and breadth No single volume about Nixon s long and interesting life could be so comprehensive Chicago Tribune One of Time s Top 10 Nonfiction Books of the Year In this revelatory biography Evan Thomas delivers a radical unique portrait of America s thirty seventh president Richard Nixon a contradictory figure who was both determinedly optimistic and tragically flawed One of the principal architects of the modern Republican Party and its silent majority of disaffected whites and conservative ex Dixiecrats Nixon was also deemed a liberal in some quarters for his efforts to desegregate Southern schools create the Environmental Protection Agency and end the draft The son of devout Quakers Richard Nixon not unlike his rival John F Kennedy grew up in the shadow of an older favored brother and thrived on conflict and opposition Through high school and college in the navy and in politics Nixon was constantly leading crusades and fighting off enemies real and imagined He possessed the plainspoken eloquence to reduce American television audiences to tears with his career saving Checkers speech meanwhile Nixon s darker half hatched schemes designed to take down his political foes earning him the notorious nickname Tricky Dick Drawing on a wide range of historical accounts Thomas s biography reveals the contradictions of a leader whose vision and foresight led him to achieve détente with the Soviet Union and reestablish relations with communist China but whose underhanded political tactics tainted his reputation long before the Watergate scandal A deeply insightful character study as well as a brilliant political biography **Being Nixon** offers a surprising look at a man capable of great bravery and extraordinary deviousness a balanced portrait of a president too often reduced to caricature Praise for **Being Nixon** Terrifically engaging a fair insightful and highly entertaining portrait The Wall Street Journal Thomas has a fine eye for the telling quote and the funny vignette and his style is eminently readable The New York Times Book Review

The Man in the Arena Rodger McDaniell, 2018-09-01 Going beyond biography McDaniell offers readers a glimpse into twentieth century political shifts through the perspective of a liberal senator from a rural conservative state

Richard Nixon Paul Carter, 2023-09 This biography of Richard Nixon covers his uniquely Southern California life in full circle from his birth in Yorba Linda to his final resting place just a few yards from the home in which he was born

They Said No to Nixon Michael Konciewicz, 2020-09-15 In more than 3 000 recorded conversations the Nixon tapes famously exposed a president s sinister views of governance that would eventually lead to his downfall Despite Richard Nixon s best efforts his vision of a government where he could use his power to punish his political enemies never came to fruition because there were those in his party who defied the president s directives While many are familiar with the Republicans who turned against Nixon during the final stages of the Watergate saga *They Said No to Nixon* uncovers for the first time those within the administration including Nixon s own appointees who opposed the White House early on quietly blocking the

president's attacks on the IRS the Justice Department and other sectors of the federal government Culling from previously unpublished excerpts from the tapes and recently released material that expose the thirty seventh president's uncensored views Michael Koncewicz reveals how several Republican party members chose loyalty to their roles as civil servants over Nixon's attempts to expand the imperial presidency Delving into the culture of criminality surrounding Watergate and why it did not succeed They Said No to Nixon sheds light on the significant cultural and ideological shifts that occurred within the GOP during the pivotal 1970s To this day the Nixon tapes are a bracing reminder of the threat to constitutional order posed by a president who wields power without restraint Provided by publisher *Mr. Bojangles, Dance* Ryan B. Case, 2024-04-03

Three men's lives told through the story of one song Jerry Jeff Walker the singer and writer behind the classic hit Mr Bojangles never would have expected that his song inspired by an experience in a New Orleans jail cell would make Richard Nixon cry or that it would be covered by Sammy Davis Jr the entertainment giant and controversially a supporter of Nixon This work told through the perspective of writer performer and listener traces these three men's overlapping journeys through the American consciousness Chapters discuss the history of Walker's song Davis's rise from rags to riches Nixon's journey from grocer's son to president and more **The Green Years, 1964-1976** Gregg Coodley ,David Sarasohn, 2021-09-30 In *The Green Years 1964 1976* Gregg Coodley and David Sarasohn offer the first comprehensive history of the period when the United States created the legislative legal and administrative structures for environmental protection that are still in place over fifty years later Coodley and Sarasohn tell a dramatic story of cultural change grassroots activism and political leadership that led to the passage of a host of laws attacking pollution under President Johnson At the same time with Stewart Udall as secretary of the interior the Wilderness Act the Wild and Scenic Rivers Act and other land protection measures were passed and the department shifted its focus from western resource development to broader national conservation issues The magnitude of what was accomplished was without precedent even under conservation minded presidents like the two Roosevelts The fast paced story the authors tell is not only about the Democratic Party in this era there was still a vital Republican conservation tradition In the 1960s Republicans were chronologically as close to Teddy Roosevelt as to Donald Trump In both the House and Senate and in the Nixon and Ford administrations Republicans played vital roles It was President Nixon who established the Environmental Protection Agency and signed into law the 1970 Clean Air Act revisions in 1972 to the Clean Water Act and the 1973 Endangered Species Act Under Nixon actions were taken to protect the oceans forests coastal zones and grasslands while regulating chemicals pesticides and garbage The authors analyze the full range of transformations during the Green Years from the creation of entirely new pollution control industries to backpacking becoming mass recreation to how revelations about chemical exposure spurred the natural food movement And not least the tectonic shift in the political landscape of the United States with the western states becoming Republican bastions and centers of ongoing backlash against the federal government *The Green Years 1964 1976* is the story

of environmental progress in the midst of war and civil unrest and of the lessons we can learn for our future Studies in Intelligence ,2016 **Nixon in China** Nicole L. Anslover,2025-09-30 This book reassesses Richard Nixon s historic visit as the first American president ever to visit mainland China in 1972 personalizing the actors involved and exploring the event s lasting impact Nixon s visit signalled a dramatic change not only in U S China relations but in the overall trajectory of America s Cold War foreign policy With this visit Nixon set in motion a new phase of the relationship between the United States and the People s Republic of China which is still evolving today The volume places this important moment in its proper historical context by examining the various intriguing actors involved and analyzing the lasting impact of this trip on U S foreign relations It examines different types of diplomacy Nixon and Kissinger s unique style of implementing foreign policy and how the trip impacted the U S its Cold War allies and China With its primary focus on the American side of the story this book also importantly examines the Chinese goals preparations and apprehensions This book will be of interest to students and scholars of U S diplomatic history the Cold War and American political history more generally **Resilient America** Michael Nelson,2017-06-26 To look at the partisan polarization that paralyzes Washington today is to see what first took shape with the presidential election of 1968 This book explains why Urban riots and the Tet Offensive the assassinations of Martin Luther King Jr and Robert F Kennedy the politics of outrage and race all pointed to a reordering of party coalitions of groups and regions a hardening and widening of an ideological divide and to the historical importance of the 1968 election as a watershed event Resilient America captures this extraordinary time in all its drama the personalities the politics the parties the events and the circumstances from the shadow of 1964 through the primaries to the general election that pitted Richard Nixon against Hubert Humphrey with George Wallace and Eugene McCarthy as the interlopers Where most accounts of this pivotal year and the decade that followed emphasize the coming apart of the nation this book focuses on the fact that because of measures taken after the election the country actually held together An esteemed scholar of the American presidency Michael Nelson turns our attention to how in spite of increasing and increasingly vehement differences the parties of the time managed to make divided government work Conventional political processes peaceful demonstrations congressional legislation executive initiatives Supreme Court decisions party reforms and presidential politics were flexible enough to absorb most of the dissent that tore America deeply in 1968 and might otherwise have torn it apart This fraught time as Nelson s work clearly demonstrates produced unity as well as results well worth noting in our current predicament

Mayday 1971 Lawrence Roberts (Journalist),2020 1971 Fiery radicals flower children and militant vets gathered for the most audacious act in a years long movement to end America s war in Vietnam a blockade of the nation s capital The White House headed by an increasingly paranoid Richard Nixon was determined to stop it Roberts drawing on interviews archives and newfound White House transcripts recreates these largely forgotten events It began with a bombing inside the U S Capitol a still unsolved case To prevent the Mayday Tribe s guerrilla style traffic blockade the government mustered the

military Riot squads swept through the city arresting more than 12 000 people An inspiring story of how our democracy faced grave danger and survived adapted from jacket *The Actual Art of Governing* Distinguished Professor and Lawrence a Jegen III Professor Gerard N Magliocca, Gerard N. Magliocca, 2025 *The Actual Art of Governing* takes an in depth look at one of the most important opinions in constitutional law US Supreme Court Justice Robert H Jackson s 1952 concurrence in the Steel Seizure Case is now the go to source for judges and scholars who must resolve complex questions about the separation of powers public emergencies the modern presidency and the role of courts in maintaining the rule of law Through new archival research eminent legal historian Gerard N Magliocca details how Justice Jackson s opinion was written how it became famous and what it means in the twenty first century [Watergate, 1973-1974](#) John M. Parrish, 2023-11-07 *Watergate 1973 1974* explores America s most dramatic constitutional crisis of the twentieth century the investigation of the Watergate burglary The scandal brought the nation s political system to the brink of disaster the US president had defied established norms of democracy and his enemies and allies alike struggled to hold together the country s fragile constitutional order In the game students portray members of Congress journalists and key figures from the Nixon administration all seeking to advance their faction s goals while also seeking a way to resolve the Watergate crisis

Conspiracy P. O'Connell Pearson, 2020-10-13 The story of President Richard Nixon and those who fought against him comes to life in this insightful and accessible nonfiction middle grade book from the author of *Fly Girls* and *Fighting for the Forest* The Watergate scandal created one of the greatest constitutional crises in American history When the House Judiciary Committee approved three articles of impeachment against President Richard Nixon and the Supreme Court ruled that he had to turn over to Congress the tapes that proved the claims against him he realized his support in the Senate had collapsed He resigned rather than face almost certain conviction on abuse of power and obstruction of justice We know the villain s story well but what about the heroes When the country s own leader turned his back on the Constitution who was there to defend it *Conspiracy* is about the reporters prosecutors judges justices members of Congress and members of the public who supported and defended the Constitution when it needed it most *The Highest Calling* David M. Rubenstein, 2024-09-10 A NEW YORK TIMES BESTSELLER From the New York Times bestselling author of *The American Story* and *How to Lead* and host of PBS s *History with David Rubenstein* David Rubenstein interviews living American presidents and top historians and journalists who reflect on the US presidency including Joe Biden Barack Obama George W Bush Maggie Haberman Ron Chernow and more For years bestselling author David M Rubenstein has distilled the contours of American democracy through conversations with noted leaders and historians In *The Highest Calling* he offers an enlightening overview of arguably the single most important position in the world the American presidency Blending history and anecdote Rubenstein chronicles the journeys of the presidents who have defined America as it exists now what they envision for its future and their legacy on the world stage Drawing from his own experience in the Carter administration he engages in dialogues with

our nation's presidents and the historians who study them Get exclusive access to fresh perspectives including Original interviews with most of the living US presidents Interviews with noted presidential historians like Annette Gordon-Reed Ron Chernow Candice Millard and more Through chatty insightful and enlightening The Wall Street Journal analysis Rubenstein captures our country's most prominent leaders the political genius and frays of the presidential role and the wisdom that emerges from it

The Fall of Richard Nixon Tom Brokaw, 2019-10-29 Bestselling author Tom Brokaw brings readers inside the White House press corps in this up close and personal account of the fall of an American president In August 1974 after his involvement in the Watergate scandal could no longer be denied Richard Nixon became the first and only president to resign from office in anticipation of certain impeachment The year preceding that moment was filled with shocking revelations and bizarre events full of power politics legal jujitsu and high stakes showdowns and with head shaking surprises every day As the country's top reporters worked to discover the truth the public was overwhelmed by the confusing and almost unbelievable stories about activities in the Oval Office Tom Brokaw who was then the young NBC News White House correspondent gives us a nuanced and thoughtful chronicle recalling the players the strategies and the scandal that brought down a president He takes readers from crowds of shouting protesters to shocking press conferences from meetings with Attorney General Elliot Richardson and White House Chief of Staff Alexander Haig to overseas missions alongside Henry Kissinger He recounts Nixon's claims of executive privilege to withhold White House tape recordings of Oval Office conversations the bribery scandal that led to the resignation of Vice President Spiro Agnew and his replacement by Gerald Ford the firing of Special Prosecutor Archibald Cox how in the midst of Watergate Nixon organized emergency military relief for Israel during the Yom Kippur War the unanimous decision of the Supreme Court that required Nixon to turn over the tapes and other insider moments from this important and dramatic period The Fall of Richard Nixon allows readers to experience this American epic from the perspective of a journalist on the ground and at the center of it all Praise for The Fall of Richard Nixon A divided nation A deeply controversial president Powerful passions No it's not what you're thinking but Tom Brokaw knows that the past can be prologue and he's given us an absorbing and illuminating firsthand account of how Richard Nixon fell from power Part history part memoir Brokaw's book reminds us of the importance of journalism the significance of facts and the inherent complexity of power in America Jon Meacham Pulitzer Prize winning author of The Soul of America

America's Identity Crisis Michael Gellert, 2022-05-01 This newly revised edition of The Fate of America examines the national character of the United States against the backdrop of its history popular culture and media Michael Gellert suggests that the deterioration of America's heroic ideal the heart of its national character is responsible for the country's deepening social ills and the erosion of its vital institutions He calls for a spiritual and intellectual renaissance and a renewed sense of national purpose in order to meet the challenges of the twenty first century With an updated Preface and a new Appendix on the Trump phenomenon's paradoxical effect Gellert profiles the development of the American heroic ideal

and how this concept expresses the nation's aspiration toward greatness and its sense of identity **The Hardhat Riot**

David Paul Kuhn, 2020 In downtown Manhattan in the shadow of the half built Twin Towers hardhats beat scores of hippies bloody in May 1970 four days after Kent State This is the story of when the old Democratic Party attacked the new and of how Richard Nixon seized the breach realizing that these quite candidly are our people now We relive the schism that tore liberalism apart by returning to when it was all laid bare one brutal day when the Democrats future was bludgeoned by its past as if it was a violent last gasp to say we once mattered to them too **The Last Liberal Republican** John Roy

Price, 2023-11-17 The Last Liberal Republican is a memoir from one of Nixon's senior domestic policy advisors John Roy Price a member of the moderate wing of the Republican Party a cofounder of the Ripon Society and an employee on Nelson Rockefeller's campaigns joined Daniel Patrick Moynihan and later John D Ehrlichman in the Nixon White House to develop domestic policies especially on welfare hunger and health Based on those policies and the internal White House struggles around them Price places Nixon firmly in the liberal Republican tradition of President Theodore Roosevelt New York governor Thomas E Dewey and President Dwight Eisenhower Price makes a valuable contribution to our evolving scholarship and understanding of the Nixon presidency Nixon himself lamented that he would be remembered only for Watergate and China The Last Liberal Republican provides firsthand insight into key moments regarding Nixon's political and policy challenges in the domestic social policy arena Price offers rich detail on the extent to which Nixon and his staff straddled a precarious balance between a Democratic controlled Congress and an increasingly powerful conservative tide in Republican politics The Last Liberal Republican provides a blow by blow inside view of how Nixon surprised the Democrats and shocked conservatives with his ambitious proposal for a guaranteed family income Beyond Nixon's surprising embrace of what we today call universal basic income the thirty seventh president reordered and vastly expanded the patchy food stamp program he inherited and built nutrition education and children's food services into schools Richard Nixon even almost achieved a national health insurance program fifty years ago with a private sector framework as part of his generous benefits insurance coverage for all Nixon included coverage of preexisting conditions prescription drug coverage for all and federal subsidies for those who could not afford the premiums The Last Liberal Republican will be a valuable resource for presidency scholars who are studying Nixon his policies the state of the Republican Party and how the Nixon years relate to the rise of the modern conservative movement *A Certain Idea of America* Peggy Noonan, 2024-11-19 From Pulitzer prize winning Wall

Street Journal columnist and New York Times bestselling author Peggy Noonan a masterclass in how to see and love America For a quarter century Peggy Noonan has been thinking aloud about America in her much loved Wall Street Journal column In this new collection of her essential recent work Noonan demonstrates the erudition wisdom and humor that have made her one of America's most admired writers She calls balls and strikes on the political shenanigans of recent leaders and she honors the integrity of great Americans ranging from Billy Graham to the heroes of 9 11 A thinker who never allows her

tenderness to slip into sentimentality she writes with clear eyed urgency about the internal and external dangers facing our republic She sometimes writes with indignation but above all she writes with love and an enduring faith that America can be its best self that its ideals are worth protecting and that beauty and heroism can be found in our neighbors in our history and in ourselves This book is a celebration of what America has been is and can be How the South was won and the nation lost Philipp Adorf, 2016-10-10 Die Republikanische Partei dominierte zwischen den späten 1960er und 80er Jahren die Präsidentschaftswahlen in den Vereinigten Staaten Vier der letzten sechs Wahlen sind jedoch verloren gegangen Dieses Werk sieht die Gründe hinter dieser Krise im Versuch der Partei während und nach dem Kampf der schwarzen Minderheit für ihre Bürgerrechte in den 1960er Jahren die weißen oft evangelikalen Wähler des Südens auf ihre Seite zu bringen In einem Land in dem der weiße Bevölkerungsanteil stetig sinkt und junge Wähler skularer denn je sind finden sich die weißen Wähler des Südens immer öfter auf der Verliererseite der in Washington D C ausgetragenen politischen Schlachten und mit ihnen auch die Republikanische Partei
