Being Israeli Being Israeli:

Is God Finished with Israel? Alan Turner, 2008-10 Alan Turner is a man for all seasons As English as Sir Thomas More was he was born in 1947 and schooled in his home town of Bournemouth England Raised in a middle class home as a baby boomer his career yearning toward either professional soccer or theater took a 180 degree turn at 19 years of age He and others recognized that God had bestowed an Anointed preaching gift upon him In preparation for this new career his time spent at the London Bible College he refers to as arguably the three best years of my life The Christian life has not come easy to Alan by whose admission he declares he was not cognizant for many years of his deep need of healing from the sin and pain of emotional rejection and religious legalism His parallel history with the rejection and restoration of Israel and subsequent 1982 Call of God to Bible teach as a Christian Zionist qualifies him to address this vital subject for our day Replacement Theology He is father to three married children Rachel Anna and Joel as well as grandfather to seven He resides in Vancouver Island British Columbia Canada ALL invitations to Alan for speaking engagements can be channeled via the MENORAH WEBSITE www.members.shaw.ca/menorah and the Email address menorah@shaw.ca *The Israelis* Donna Rosenthal, 2003 Rosenthal explores a people who while consciously living in a war zone contribute to one of the most vibrant civic societies anywhere It is the story of ordinary people living in an extraordinary place **The Six-Day War and Israeli Self-Defense** John Quigley, 2013 The war of June 1967 between Israel and Arab states was widely perceived as being forced on Israel to prevent the annihilation of its people by Arab armies hovering on its borders Documents now declassified by key governments question this view The UK USSR France and the USA all knew that the Arab states were not in attack mode and tried to dissuade Israel from attacking In later years this war was held up as a precedent allowing an attack on a state that is expected to attack It has even been used to justify a pre emptive assault on a state expected to attack well in the future Given the lack of evidence that it was waged by Israel in anticipation of an attack by Arab states the 1967 war can no longer serve as such a precedent This book seeks to provide a corrective on the June 1967 war Foreign Relations of the United States United States. Department of State, 1955 *The Place of the Mediterranean in Modern Israeli Identity* Alexandra Nocke, 2009-03-25 This book offers new perspectives on Israel s evolving Mediterranean identity which centers around the longing to find a natural place in the region It explores Mediterraneanism as reflected in popular music literature architecture and daily life and analyzes ways in which the notion comprises cultural identity and political realities

Understanding the Arab-Israeli Conflict Michael Rydelnik, 2007-10 The authors place the Arab Israeli conflict in its biblical historical and prophetic contexts and maintains that the true story behind the crisis has not been reported by the media *Introduction to Israel* Gilad James, PhD, Israel is a small country located in the Middle East that has a rich and complex history It was founded in 1948 after the United Nations approved the partition of Palestine which resulted in the establishment of two states Israel and Palestine Israel is a parliamentary democracy and its government is divided into three

branches legislative executive and judicial The country is led by a prime minister who is elected by the Knesset which is the Israeli parliament Israel is known for its diverse population which includes Jews Arabs Druze Christians and other minorities Hebrew and Arabic are the official languages of Israel and the country also has a strong cultural scene with a thriving film industry music scene and literature Jerusalem is the capital city of Israel and it is a holy site for Jews Christians and Muslims as it contains important religious sites such as the Western Wall the Church of the Holy Sepulchre and the Dome of the Rock Israel also has a strong economy with high tech industries tourism and agriculture being major drivers However the country also faces challenges such as ongoing conflicts with Palestinians regional instability and social issues related to the diverse population

Multiculturalism in Israel Adia Mendelson-Maoz,2015-03-15 By analyzing its position within the struggles for recognition and reception of different national and ethnic cultural groups this book offers a bold new picture of Israeli literature Through comparative discussion of the literatures of Palestinian citizens of Israel of Mizrahim of migrants from the former Soviet Union and of Ethiopian Israelis the author demonstrates an unexpected richness and diversity in the Israeli literary scene a reality very different from the monocultural image that Zionism aspired to create Drawing on a wide body of social and literary theory Mendelson Maoz compares and contrasts the literatures of the four communities she profiles In her discussion of the literature of the Palestinian citizens of Israel she presents the question of language and translation and she provides three case studies of particular authors and their reception Her study of Mizrahi literature adopts a chronological approach starting in the 1950s and proceeding toward contemporary Mizrahi writing while discussing questions of authenticity and self determination The discussion of Israeli literature written by immigrants from the former Soviet Union focuses both on authors who write Israeli literature in Russian and of Russian immigrants writing in Hebrew The final section of the book provides a valuable new discussion of the work of Ethiopian Israeli writers a group whose contributions have seldom been previously acknowledged The picture that emerges from this groundbreaking book replaces the traditional homogeneous historical narrative of Israeli literature with a diversity of voices a multiplicity of origins and a wide range of different perspectives In doing so it will provoke researchers in a wide range of cultural fields to look at the rich traditions that underlie it in new and fresh ways

The Banner of Israel ,1893 **The Kingdom of Israel** J. P. Philpott,2024-02-28 Reprint of the original first published in 1883 **New Perspectives on Israeli History** Laurence J. Silberstein,1991-10 This volume the first in the series New perspectives on Jewish studies published by the Berman Center for Jewish Studies and NYU Press draws upon recent Israeli and North American historiography to shed new light on fundamental social political and cultural issues surrounding the emergence of the State of Israel Annotation copyrighted by Book News Inc Portland OR

Israel's Way of War Ehud Eilat,2015-12-23 Israel has fought many wars since its founding in 1948 from conventional military conflicts with Arab forces to irregular clashes with guerrilla and terror groups A study of these confrontations reveals strategic and military patterns Written by a former member of the Israel Defense Forces this book compares the wars

fought in Lebanon against the Palestine Liberation Organization 1982 and against Hezbollah 2006 and in the Gaza Strip 1956 1967 2008 2009 and 2014 The author draws similarities between Israel and Western nations mainly the United States and Britain in their waging of conventional and irregular warfare and offers a comparison of the Vietnam War to Israel's struggle with Hezbollah in the 1990s

The Tapestry of Israel Neil W. Taylor, 2013-05-01 Israel is not just another nation The history of Israel is not merely a collection of coincidences God is not finished with the Jews This tiny nation that is perpetually ensnared in conflict and persecution still holds a key place in God's purpose for mankind and has not been replaced by the Christian Church The Tapestry of Israel explores a number of trends or threads that make up the history of this ancient nation These threads prove Israel's modern relevance and demand a response to the Jews increasing need for support as the pressure mounts to exchange the Holy Land for the illusion of peace Christians will learn that the Jews are still God's chosen people even today and that heavenly intervention and miracles are common occurrences in modern day Israel Corrupt theology and deceptive theories are exposed Discover how Satan seeks to rob Israel of her covenant with God and bring the destruction of Israel through anti Zionism and anti Semitism Learn what the Christian Church's responsibility is in its support of Israel and what the supportive Christian should pray on behalf of Israel Please Visit www.thetapestryofisrael.com

Struggle and Survival in Palestine/Israel Mark LeVine, Gershon Shafir, 2012-09 This book is a collection of narratives collects from family archives interviews and published memoirs They tell the stories of everyday people living a conflict ridden world emphasizing individual interaction introducing marginal voices alongside more renowned ones defying typical definition of Israelis and Palestinians

Multilingualism Anat Stavans, Charlotte Hoffmann, 2015-01-15 Using a multidisciplinary approach this book explores how multilingualism is shaped by a variety of factors such as globalisation and migration It examines language use in a range of cultural contexts exploring how children and adults become multilingual and the impact of multilingualism on society and identity

God's Saved Israel Philip La G. Du Toit, 2019-05-14 God's Saved Israel examines identity in the Pauline corpus in terms of how Paul expresses the new identity in Christ in relation to the identity of ancient Israel In this study the way in which Paul uses the terms Israel Israelite and Judean is approached on the basis of the way in which these terms were used in the second temple period by both insiders and outsiders rather than presupposing that Paul used it in a different way By thoroughly engaging with the New Perspective on Paul and the Radical New Perspective on Paul Paul's conception of identity is pursued mainly along theological exegetical lines especially in terms of the contrast between flesh and Spirit While Rom 11:26 which points to all Israel that will be saved and Gal 6:16 which points to the Israel of God who are blessed are often utilized in a paradigmatic way to interpret the rest of Paul the approach in this book is the other way around These two texts are approached by first assessing Paul's conception of identity in the whole of the Pauline corpus and then by interpreting

Rom 11 26 and Gal 6 16 with a larger understanding of identity in Paul at hand *Israeli Politics and the First Palestinian Intifada* Eitan Alimi, 2007-01-24 As the Palestinian Israeli conflict continues to be of major importance in the Middle East this book employs a new agency approach to the understanding of the conflict examining the unprecedented challenge mounted by Palestinian insurgents to Israeli military rule in the West Bank and Gaza between 1987 and 1992 This volume was awarded the accolade Best Book on Israeli Politics in English by the Israeli Political Science Association **Being Israeli** Gershon Shafir, Yoav Peled, 2002-02-14 A timely study by two well known scholars offers a theoretically informed account of the political sociology of Israel The analysis is set within its historical context as the authors trace Israel's development from Zionist settlement in the 1880s through the establishment of the state in 1948 to the present day Against this background the authors speculate on the relationship between identity and citizenship in Israeli society and consider the differential rights duties and privileges that are accorded different social strata In this way they demonstrate that despite ongoing tensions the pressure of globalization and economic liberalization has gradually transformed Israel from a frontier society to one more oriented towards peace and private profit This unexpected conclusion offers some encouragement for the future of this troubled region However Israel's position towards the peace process is still subject to a tug of war between two conceptions of citizenship liberal citizenship on the one hand and a combination of the remnants of republican citizenship associated with the colonial settlement with an ever more religiously defined ethno nationalist citizenship on the other *Kings and Priests* Uche Anizor, 2014-05-06 The history of modern biblical interpretation is checkered with attempts to rethink and resituate readers theologically and ethically At least two tendencies emerge in these remedial proposals both of which animate this project 1 many accounts privilege either divine action theology or human ecclesial response ethics 2 few proposals have availed themselves of the potential hermeneutical resources of a more extensive biblical theology This study offers a theological and ethical account of Christian readers of Scripture one that brings together these two apparently divergent poles through the deployment of a biblical theological motif royal priesthood The designation of the people of God as a royal priesthood conditioned and informed by the offices of king and priest carries with it themes that frame the hermeneutical situation in such a way that accounts well for the integral relation of divine agency and ecclesial response theology and ethics
