Applied Theatre Resettlement Drama Refugees And Resilience:

Applied Theatre: Resettlement Michael Balfour, Penny Bundy, Bruce Burton, Julie Dunn, Nina Woodrow, 2015-04-23 This edited volume provides a series of studies of drama projects with young refugees completed in Australia to examine the strategies and their impact

Applied Theatre: Resettlement Michael Balfour, Penny Bundy, Bruce Burton, Julie Dunn, Nina Woodrow, 2015-02-26 The book offers a compelling combination of analysis and detailed description of aesthetic projects with young refugee arrivals in Australia In it the authors present a framework that contextualises the intersections of refugee studies resilience and trauma and theatre and arts based practice setting out a context for understanding and valuing the complexity of drama in this growing area of applied theatre Applied Theatre Resettlement includes rich analysis of three aesthetic case studies in Primary Secondary and Further Education contexts with young refugees The case studies provide a unique insight into the different age specific needs of newly arrived young people The authors detail how each group and educational context shaped diverse drama and aesthetic responses the Primary school case study uses process drama as a method to enhance language acquisition and develop intercultural literacy the Secondary school project focuses on Forum Theatre and peer teaching with young people as a means of enhancing language confidence and creating opportunities for cultural competency in the school community and the further education case study explores work with unaccompanied minors and employs integrated multi art forms poetry art drama digital arts clay sculptures and voice work to increase confidence in language acquisition and explore different forms of expression and communication about the transition process Through its careful framing of practice to speak to concerns of power process representation and ethics the authors ensure the studies have an international relevance beyond their immediate context Drama Refugees and Resilience contributes to new professional knowledge building in the fields of applied theatre and refugee studies about the efficacy of drama practice in enhancing language acquisition cultural settlement and pedagogy with newly arrived refugee young people

Applied Theatre, Third Edition Monica Prendergast, Juliana Saxton, Yasmine Kandil, 2024-02-20 Applied Theatre was the first collection to assist practitioners and students in developing critical frameworks for their own community based theatrical projects The editors draw on thirty case studies in applied theatre from fifteen countries covering a wide range of disciplines from theatre studies to education medicine and law and collect essential readings to provide a comprehensive survey of the field Infused with a historical and theoretical overview of practical theatre Applied Theatre offers clear developmental approaches and models for practical application This third edition offers refreshed case studies from many countries worldwide that provide exemplars for the practice of applied theatre The book will be useful to both instructors and students in its focus on providing clear introductory chapters that lay out the scope of the field dozens of case studies in all areas of the field and a new chapter on responses to the global pandemic of 2020 Also includes a new section on representation in its final chapter looking at the issues of how we represent ourselves and others on stage

[Applied Theatre in Paediatrics](#)

Persephone Sextou,2022-12-30 This book explores applied theatre practice for children in environments of illness and cure and how it can powerfully normalise children s hospitalisation experience It is an essential tool for making meaning of children s illness putting it into a fictional context and developing better control of their clinical experiences It can be central to raising the standards of care and quality of life during illness Taken from the author s research and participatory bedside theatre practice in hospitals before during and after the COVID 19 pandemic this book demonstrates new learning about aesthetics ethics emotions stories puppetry digital arts and research methodologies about children s health and wellbeing It provides a selection of ten unique stories told by children inspired by applied theatre practice in paediatrics cardiac oncology neurosurgery burns units and complex and intensive care wards Stories aid in understanding the language of children s pain for a better assessment and management of pain by healthcare professionals through the arts It analyses synergistic theatre performance in stitched lands between challenging realities and safe fictionalities This book enables artists to develop new ways of thinking and contributes to further improvements in the provision of education and reflective learning in the field It also addresses the emotional labour of the artist in healthcare and makes recommendations for balanced training to prevent emotional exhaustion Designed for artists healthcare professionals therapists play specialists and teachers who work with children in healthcare this text aims to help many people find creative ways of making a positive difference in sick children s lives It is a book for those who love and care for children

Applied Theatre and the Sustainable Development Goals

Taiwo Afolabi,Abdul Karim Hakib,Bobby Smith,2024-09-23 This book is the first definitive publication to consider the intersections of applied theatre and the Sustainable Development Goals SDGs a series of goals which have shaped development and social justice initiatives from 2015 to 2030 It brings together emerging and leading scholars and practitioners engaged in creative and community contexts globally In so doing the book offers critical insights to explore the convergences complexities and tensions of working within development frameworks through theatre Divided into three thematic areas it maps out the ways in which applied theatre has related to the SDGs examines issues with global collaborations and as 2030 approaches and the SDG era draws to a close interrogates such practices envisioning what the role of applied theatre might be in the post SDG era The book provokes reflection about this specific era of applied theatre and global development as well as discussion regarding what comes next This volume will be of importance to students artists scholars practitioners and policymakers working in applied theatre and the field of development

Syrian Refugees, Applied Theater, Workshop Facilitation, and Stories Fadi Skeiker,2020-12-30 This book analyzes and theorizes the efficacy of using applied theater as a tool to address refugee issues of displacement trauma adjustment and psychological well being in addition to split community belonging Fadi Skeiker connects refugee narratives to the themes of imagination home gender and conservatism among others Each chapter outlines the author s applied theater practice as a Syrian with and for Syrian refugees in the countries of Jordan Germany and the United States This book will be of great interest to scholars students

and practitioners of applied theater studies and refugee studies

Asylum and Belonging through Collective

Playwriting Helene Grøn, 2023-06-02 This book explores the notion of home in the wake of the so called refugee crisis and asks how home and belonging can be rethought through the act of creative practices and collective writing with refugees and asylum seekers Where Giorgio Agamben calls the refugee the figure of our time this study places the question of home among those who experience its ruptures Veering away from treating the refugee as a conceptual figure the lived experiences and creative expressions of seeking asylum in Denmark and the United Kingdom are explored instead The study produces a theoretical framework around home by drawing from a cross disciplinary field of existential and political philosophy narratology performance studies and anthropology Moreover it argues that theatre studies is uniquely positioned to understand the performative and storied aspects of seeking asylum and the compromises of belonging made through the asylum process

Interculturalism and Performance Now Charlotte McIvor, Jason King, 2018-12-29 This book is the first edited collection to respond to an undeniable resurgence of critical activity around the controversial theoretical term interculturalism in theatre and performance studies Long one of the field's most vigorously debated concepts intercultural performance has typically referred to the hybrid mixture of performance forms from different cultures typically divided along an East West or North South axis and its related practices frequently charged with appropriation exploitation or ill founded universalism New critical approaches since the late 2000s and early 2010s instead reveal a plethora of localized grassroots diasporic and historical approaches to the theory and practice of intercultural performance which make available novel critical and political possibilities for performance practitioners and scholars This collection consolidates and pushes forward reflection on these recent shifts by offering case studies from Asia Africa Australasia Latin America North America and Western Europe which debate the possibilities and limitations of this theoretical turn towards a new interculturalism

Visual and Performing Arts Collaborations in Higher Education Julia Listengarten, Keri Watson, 2023-07-26 This book examines the role of the visual and performing arts in higher education and argues for the importance of socially engaged transdisciplinary practices not just to the college curriculum but also to building an informed and engaged citizenry The first chapter defines and offers an outline for conducting transdisciplinary research Chapters two through five present examples of transdisciplinary projects facilitated in Central Florida between 2017 and 2022 Topics and methodological frameworks include ecocriticism and climate change migration poverty and displacement ageing and disability and systemic racism and mass incarceration Each chapter includes descriptions of the projects and outlines how they integrated the essential learning outcomes articulated by the American Association of Colleges and Universities in the Liberal Education and America's Promise report A concluding chapter offers reflections on the value of transdisciplinary collaborative work and poses questions for further discussions on the role of the arts in higher education The book is designed for graduate and undergraduate students faculty and non academics interested in engaging in transdisciplinary projects to address complex
