As secrets begin to emerge Harper is thrust into something bigger and more diabolical than she ever could have imagined And standing right at the centre of it all is Lucas But is he truly the wild man he appears to be A cold blooded killer An innocent victim Or a perplexing mix of all three Harper must find out the answers to these questions because the more time she spends with him the more she risks losing her heart Note This book was previously published under the title *Savaged* Praise for Mia Sheridan The bible to how to write a good convincing love story L J Shen There is no love story like a Mia Sheridan love story A L Jackson *Falling for Gage* Mia Sheridan, 2024-04-23 The follow up to New York Times bestsellers *Archer's Voice* and its sequel *Travis* a small town romance full of charm and heart from bestselling author Mia Sheridan How is it possible that perfect Gage Buchanan is still single after all these years He can't quite figure it out himself Perhaps he hasn't met the right woman Maybe he's spent too many years focusing on work or maybe he just isn't as perfect as everyone thinks he is Gage thought he left his days of one night stands behind him however something about the gorgeous cocktail waitress in a town three hours away is far too intriguing But when she shows up weeks later in his hometown Calliope pretending to be an art appraiser Gage is completely blindsided not to mention still very attracted to the apparent little liar He can't figure her out not her angle nor the persistent pull between them Aurora Rory Casteel is determined to find her father All she knows from her late mother is that he lives in Calliope and he's an important part of the town So when Rory's gallery owning friend offers to run cover for her while she sleuths around town she jumps at the chance But she doesn't anticipate the man she spent one wild night with turning out to be a local Sure it puts a wrinkle in Rory's plan but she can work around Gage Buchanan Even as it gets harder to pretend her heart doesn't flip every time he's in the room She has a suspicion he isn't everything he seems either but maybe it's perfect Gage's flaws that are what she's really drawn to Why readers love Mia Sheridan The bible to how to write a good convincing love story L J Shen There is no love story like a Mia Sheridan love story A L Jackson Utterly mesmerizing An exquisite beautifully written romance Samantha Young A romance that will captivate you heal you and make you believe that love can conquer all K Bromberg A beautifully touching story of true love and triumph over heartbreaking situations People.com Truly beautiful and just sweeps you away into the story Aestas Book Blog **Kyland** Mia Sheridan, 2023-10-26 A small town friends to lovers romance from the New York Times bestselling author of the TikTok sensation *Archer's Voice* *Dirt poor* Hillbilly Backwoods hick Mountain folk Tenleigh Falyn struggles each day to survive in the small poverty stricken mining town where she lives with her sister and mentally ill mother Her dream of winning the yearly Tyton Coal scholarship is all that keeps her going With it she would get a free ride to a college of her choice and finally escape the harshness of this life Secure a career that could one day get her family out of Dennville But Kyland Barrett has worked just as tirelessly to win this scholarship desperate to leave behind the town that has brought him so much pain Through near starvation deep loneliness and against all odds he'll let nothing stand in his way certainly not the girl who's his main competition Then one moment changes everything Tenleigh and Kyland find themselves
