

THE ARISTOCATS

The Aristocats By Walt Disney Company

Jennifer A. Kokai, Tom Robson

The Aristocats By Walt Disney Company:

Disney's The Aristocats ,1996 *Disney & His Worlds* Alan Bryman,2003-09-02 This work provides an overview of the Disney organization in particular the theme parks and their significance for contemporary culture The author examines topics such as Walt Disney s life and how his biography has been constructed the Disney Company in the years after his death and various writings about the Disney theme parks He raises important issues about the parks such as whether they are harbringers of postmodernism the significance of consumption at the parks and the representation of past and future The discussion of theme parks links with the presentation of Disney s biography and his organization by showing how central economic and business considerations have been in their development and how the significance of these considerations is typically marginalized in order to place an emphasis on fantasy and magic *Understanding Disney* Janet Wasko,2013-06-07 Since the 1930s the Walt Disney Company has produced characters images and stories which have captivated audiences around the world How can we understand the appeal of Disney products What is it about the Disney phenomenon that attracts so many children as well as adults In this major new book Janet Wasko examines the processes by which the Disney company one of the largest media and entertainment corporations in the world manufactures the fantasies which enthral millions She analyses the historical expansion of the Disney empire examines the content of Disney s classic films cartoons and TV programs and shows how they are produced considering how some of the same techniques have been applied to the Disney theme parks She also discusses the reception of Disney products by different kinds of audiences By looking at the Disney phenomenon from a variety of perspectives she provides a fresh and comprehensive account of one of the most significant media and cultural institutions of our time This important book by a leading scholar of the entertainment industries will be of great interest to students in media and cultural studies and will appeal to a wide readership [Catalog of Copyright Entries. Landmark Intellectual Property Cases and Their Legacy Christopher Heath,Anselm Kamperman Sanders,2011-01-01 This is a book dedicated to the significance and legacy of landmark cases in the field of intellectual property Eleven well known scholars offer in depth commentary and analysis of cases that have made an impact on legal theory or critical thinking about the scope and purpose of the protection of intellectual and industrial creativity All the cases covered have proven useful in developing doctrine even though subsequent developments have made some appear and misleadingand rather than and leadingand and for some recent cases it is too early to say whether their approach will become mainstream Among the fundamental questions and all profoundly interesting and to which no definite answers have yet been found and arising in the course of the analysis are the following and Who should be master over the reputation esteem and legacy of authors and their works and authors and their heirs or subsequent copyright owners and What if any protection should be granted to achievements in the absence of confusion and Should prevention of unfair competition allow one to and reap what one has not sownand and Should we protect commercial investment beyond the scope of defined intellectual property rights and Should it be considered a tort to use a well known mark in a way that may dilute its repute and distinctive character and What kinds of monopolies should be protected if any and Does the patent system in its current form allow us to question the assumption that technological progress is good per se and that novel and inventive solutions should thus be protected and Should extraneous considerations such as public good and social usefulness be considered at the stages of grant and enforcement of patent rights and Should we grant patents over living organisms whose workings and reproduction are a long way from being completely understood and Should the rules developed for the enforcement of property rights limit a patenteeand s remedies to appropriate damages thereby effectively granting a compulsory licence The book concludes with an analysis of two case clusters remarkable for the worldwide dimension of the dispute The authors show how litigation over Lego in about 30 jurisdictions and Budweiser in over 40 jurisdictions has enriched doctrine on such issues as contract trade marks trade names geographical indications property rights in general human rights and various international and bilateral treaties all as they impinge on the protection of intellectual property rights For scholars in the field as well as for lawyers seeking a rich vein of doctrine to buttress a case this unusual book will be of incomparable value As a masterful clarification of salient doctrine it represents a major contribution to the legal theory underpinning intellectual property law

John Fiedler* Elizabeth Messina,2012-04-20 Whats His Name John Fiedler The Man The Face The Voice highlights the captivating life and work of character and voice actor John Fiedler Most people are familiar with Johns voice work as Winnie the Poohs best friend Piglet John was hand picked by Mr Walt Disney and worked for the Disney Company providing the voice of Piglet for 37 years 1968 2005 In addition to Johns wonderful voice acting career he had a lucrative career in television and film John is known for his roles in memorable films such as 12 Angry Men A Raisin in the Sun The Odd Couple True Grit That Touch of Mink and A Fine Madness John has the special distinction of entering television during its inception riding the ever changing current of TV for nearly 60 years John is remembered for his notable guest appearances in television shows such as The Bob Newhart Show The Odd Couple The Twilight Zone The Munsters Star Trek Bewitched Get Smart Threes Company The Golden Girls Cheers and many more John spent the later portion of the 1940s and the entire 1950s in New York relocated to California during the 1960s and 1970s and returned to New York in 1980 where he would remain for the duration of his life John certainly had an impressive career spanning nearly six decades

Johns work and creations will continue to live on in the hearts of millions **Billboard** ,1996-02-24 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends The Gospel According to Disney Mark I Pinsky, In this follow up to his bestselling The Gospel According to The Simpsons The Spiritual Life of the World s Most Animated Family religion journalist Mark Pinsky explores the role that the animated features of Walt Disney played on the moral and spiritual development of generations of children Pinsky explores thirty one of the most popular Disney films as well as recent developments such as the 1990s boycott of Disney by the Southern Baptist Convention and the role that Michael Eisner and Jeffrey Katzenberg played in the resurgence of the company since the mid 1980s Billboard ,1996-05-25 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Performance and the Disney Theme Park Experience Jennifer A. Kokai,Tom Robson,2019-11-27 This book addresses Disney parks using performance theory Few to no scholars have done this to date an enormous oversight given the Disney parks similarities to immersive theatre interpolation of guests and dramaturgical construction of attractions Most scholars and critics deny agency to the tourist in their engagement with the Disney theme park experience The vast body of research and journalism on the Disney Imagineers the designers and storytellers who construct the park experience leads to the misconception that these exceptional artists puppeteer every aspect of the guest s experience Contrary to this assumption Disney park guests find a range of possible reading strategies when they enter the space Certainly Disney presents a primary reading but generations of critical theory have established the variety of reading strategies that interpreters can employ to read against the text This volume of twelve essays re centers the park experience around its protagonist the tourist Disney Music Legacy Ambrose Delaney,AI,2025-02-24 Disney Music Legacy explores the significant role of Disney s music from early animations to modern blockbusters in shaping popular culture and the entertainment industry The book reveals how Disney strategically uses music to enhance storytelling develop emotional connections with audiences and reinforce cultural values Intriguingly music s impact extends beyond entertainment influencing societal norms and preferences The book challenges the assumption that Disney s success is solely due to animation by highlighting the indispensable role of its musical contributions The book progresses chronologically starting with foundational principles and the contributions of early composers then transitions to the stylistic evolution of Disney soundtracks across eras including the Golden Age and the Disney Renaissance It further examines Disney s influence on musical theater and theme park experiences By drawing on archival materials interviews and musical score analyses the book combines musicological analysis cultural studies and media theory to provide a nuanced understanding of Disney s

musical legacy What makes this book unique is its holistic perspective combining rigorous musicological analysis with a broader understanding of Disney's cultural impact While celebrating Disney's achievements it also acknowledges controversies surrounding cultural representation fostering a balanced and critical perspective This approach provides readers with a framework for understanding the strategic use of music in media appealing to film enthusiasts music lovers and students alike

The Drinking Curriculum Elizabeth Marshall,2024-01-02 A lively exploration into America's preoccupation with childhood innocence and its corruption In *The Drinking Curriculum* Elizabeth Marshall brings the taboo topic of alcohol and childhood into the limelight Marshall coins the term the drinking curriculum to describe how a paradoxical set of cultural lessons about childhood are fueled by adult anxieties and preoccupations By analyzing popular and widely accessible texts in visual culture temperance tracts cartoons film advertisements and public service announcements Marshall demonstrates how youth are targets of mixed messages about intoxication Those messages range from the overtly violent to the humorous the moralistic to the profane Offering a critical and at times irreverent analysis of dominant protectionist paradigms that sanctify childhood as implicitly innocent *The Drinking Curriculum* centers the graphic narratives our culture uses to teach about alcohol the roots of these pictorial tales in the nineteenth century and the discursive hangover we nurse into the twenty first

Electro Swing Chris Inglis,2023-03-31 Electro swing is a relatively recent musical style and scene which combines the music of the swing era with that of the age of electronic dance music Chris Inglis considers key questions about electro swing's place in contemporary society including what it may mean for a contemporary genre to be so reliant upon the influences of the past the different ways in which jazz may be presented to a modern audience how one may go about defining jazz in today's postmodern world and how this emergent genre may be analysed in terms of the wider issues of race and class consumption

The Animated Movie Guide Jerry Beck,2005-10-28 Going beyond the box office hits of Disney and Dreamworks this guide to every animated movie ever released in the United States covers more than 300 films over the course of nearly 80 years of film history Well known films such as *Finding Nemo* and *Shrek* are profiled and hundreds of other films many of them rarely discussed are analyzed compared and catalogued The origin of the genre and what it takes to make a great animated feature are discussed and the influence of Japanese animation computer graphics and stop motion puppet techniques are brought into perspective Every film analysis includes reviews four star ratings background information plot synopses accurate running times consumer tips and MPAA ratings Brief guides to made for TV movies direct to video releases foreign films that were never theatrically released in the U S and live action films with significant animation round out the volume
