The Berrybender Narratives Larry McMurtry, 2010-06-01 The complete collection of Larry McMurtry's major four volume series following the Berrybender family aristocratic English and fiercely out of place on their journey to see the American West as it begins to open up

Sin Killer It is 1830 the dawn of a new era in America's growth when Lord and Lady Berrybender embark on a journey up the Missouri River to explore the frontier and to broaden the horizons of their children Tasmin a budding young woman of grit beauty and determination her vivacious and difficult sister and her brother As they journey by rough stages up the Missouri they meet with all the dangers difficulties beauties and temptations of the untamed West For Tasmin these temptations include Jim Snow a frontiersman ferocious Indian fighter and part time preacher known up and down the Missouri as the Sin Killer

The Wandering Hill Abandoning their luxurious steamer which is stuck in the ice near the Knife River the Berrybenders make their way overland to the confluence of the Missouri and the Yellowstone rivers to spend the winter in conditions of siege at the trading post of Pierre Boisdéffre By now Tasmin is a married woman or as good as living with the elusive young mountain man Jim Snow pregnant with his child and about to discover that he has secrets he hasn't told her For his part Jim is about to discover that in taking the outspoken tough minded stubbornly practical young aristocratic woman into his teepee he has bitten off more than he can chew

By Sorrow's River The Berrybender party once again takes to the trail across the endless Great Plains of the West towards Santa Fe where they intend those who are lucky enough to survive the journey to spend the winter Along the way they meet up with a varied cast of characters from the history of the West Kit Carson the famous scout Le Partezon the fearsome Sioux war chief two aristocratic Frenchmen whose eccentric aim is to cross the Great Plains by hot air balloon a band of raiding Pawnee and many other astonishing characters who prove once again that the rolling grassy plains are not in fact nearly as empty of life as they look

Folly and Glory Under irksome though comfortable arrest with her family in Mexican Santa Fe Tasmin Berrybender who would once have followed Jim Snow anywhere is no longer even sure she likes him or knows where to go to next Neither does anyone else even Captain Clark of Lewis Clark fame is puzzled by the great changes sweeping over the West replacing red men and buffalo with towns and farms As the Berrybenders embark on a desperate journey to New Orleans starving dying of thirst and in constant bloody battle with slavers pursuing them both Jim Snow and Tasmin find themselves forced to choose among conflicting loves and finally decide where their futures lie
