The Redemption of Desmeres Joseph R. Lallo,2016-05-25 The Redemption of Desmeres is a sidequest in The Book of Deacon Saga Desmeres Lumineblade always prided himself on his pragmatism clarity and focus These qualities made him the maker of the finest weapons ever created and even helped end the Perpetual War But some choices leave scars on even the steadiest mind and now the time has come to find balance for his less heroic deeds For the first time in his life Desmeres finds himself without purpose or direction He has no doubt that every last decision made over his long life whether the others viewed it as heroic or heinous has been intelligent and necessary But as the world recovers from its greatest trial he finds his mind muddled and filled with uncertainty For one who has already made himself the enemy of the Elite the finest warriors of the Alliance Army such distraction could cost him his freedom or even his life He has no true allies to turn to and so he seeks council in one of the darker more sordid corners of Vulcrest A woman named Genara helps guide him to the epiphany he seeks and that realization will lead them both on a journey of danger discovery and redemption

The Calderan Problem Joseph R. Lallo,2017-09-20

The Rise of the Red Shadow Joseph R. Lallo,2013-07-30 Every story must begin somewhere For the warrior who would come to be known as the fearsome Red Shadow the story began in a forgotten glade deep in the land of Tressor It was there that a pair of trackers eager to retrieve a lost slave instead found an orphaned malthrope Had it been a human it might have been treated with compassion but in the eyes of human society a malthrope was a monster a mix of fox and man believed to be a murderer and thief by its very nature The beast was to be sold for a handful of silver but fate intervened in the form of an old blind slave named Ben Under the learned hand of the one human who believed in his potential the young malthrope would instead be given the wisdom to take his first steps on the long journey to his destiny The Rise of the Red Shadow chronicles the early life of one of the most mysterious figures of the The Book of Deacon trilogy the creature called Lain It tells of his years working and learning on a Tresson plantation until a dark day of vengeance and bloodshed finally set him free From there you will follow as he finds his place in the world learning what it is to be a

malthrope and turning to the purpose that will guide him for the rest of his days It is a story of love hate and lessons hard learned revealing the painful choices one must make to become the hero the world needs The D'Karon Apprentice Joseph R. Lallo,2015-11-10 The D Karon Apprentice is the long awaited sequel to the acclaimed epic fantasy The Book of Deacon Trilogy It is a direct follow up to The Battle of Verril It has been months since the Chosen finally defeated the D Karon and the Perpetual War came to an end Once warriors Myranda Deacon Ivy and Ether must now take on the role of diplomats in the ongoing task of preserving the unsteady peace between the lands of Tressor and the Northern Alliance Generations of war have left a deep distrust between the people on both sides of the border and any sign of treachery or hostility could cause a new war to flare If that happens the weakened Northern Alliance will have little hope to survive against the military might of their neighbor to the south A mysterious figure long slumbering and forgotten has stirred in the wake of the Chosen triumph She is not pleased to find the D Karon no longer answer her calls and she sets out to find them once more This woman a powerful necromancer with deep knowledge of D Karon magic and little concern for the world and its people spreads chaos wherever she goes Her bloody swath through the southern lands is just the spark the volatile world needs to take to flame once more To keep their lands from descending back into a war that will claim the lives of untold thousands Myranda Deacon and Myn must venture into the heart of Tressor Escorted by a Dragon Rider named Grustim and surrounded by fear and distrust the road ahead will not be difficult but the chosen have fought too hard and lost too much to lose it all to this dark apprentice Rogue Derelict Joseph R. Lallo,2018-10-17 Rogue Derelict is pulse pounding side story set in the universe of Lindsay Buroker s Fallen Empire Series In the chaos following the fall of the empire Benita Castor wants nothing more than to live a nice quiet life She thought she made all the right decisions What could be safer than becoming an accountant Where could she be more secure than the industrial fringe of the empire s most civilized planet Yet somehow she finds herself in the employ of a crime boss and is shipped off to audit a recent acquisition in a forgotten corner of the system Her new assignment is an old Kirian space station being developed by Nori Veshcha an enterprising woman with big plans for the relic Nori is overflowing with ambition innovative ideas and confidence though her crew leaves something to be desired Her chief technician Blick Mathson is a man more familiar with collecting debts than repairing ships The only other crew member her personal valet Lefty Hammermill is a dim witted but well meaning grunt with secondhand cybernetics Not much of a workforce to tackle the task of converting a centuries old hunk of junk into a cutting edge resort but Nori is nothing if not determined At first the assignment has the makings of an unpleasant but uneventful enterprise even if Nori is somewhat overly cool Blick is a bit overly warm and Lefty is just overly Lefty When a second relic of a bygone era makes an unscheduled arrival and its crew assumes Benita is their Kirian commander she and the others realize the echoes of the past could have grave consequences for their future Can a mismatched skeleton crew on a malfunctioning space station rise to the challenge or will a remnant of history remind the system that some threats aren t gone they re simply
