Fall From Grace The Failed Crusade Of The Christian Right

Michael D'Antonio

Fall From Grace The Failed Crusade Of The Christian Right:

The Struggle for the Soul of the SBC Walter B. Shurden, 1993 *The Democratic Virtues of the Christian Right* Jon A. Shields, 2009-02-02 The Christian Right is frequently accused of threatening democratic values But in *The Democratic Virtues of the Christian Right* Jon Shields argues that religious conservatives have in fact dramatically increased and improved democratic participation and that they are far more civil and reasonable than is commonly believed Shields interviewed leaders of more than thirty Christian Right organizations observed movement activists in six American cities and analyzed a wide variety of survey data and movement media His conclusions are surprising the Christian Right has reinvigorated American politics and fulfilled New Left ideals by mobilizing a previously alienated group and by refocusing politics on the contentious ideological and moral questions that motivate citizens Shields also finds that largely for pragmatic reasons the vast majority of Christian Right leaders encourage their followers to embrace deliberative norms in the public square including civility and secular reasoning At the same time Shields highlights a tension between participatory and deliberative ideals since Christian Right leaders also nurture moral passions prejudices and dogmas to propel their movement Nonetheless the Christian Right's other democratic virtues help contain civic extremism sharpen the thinking of activists and raise the level and tenor of political debate for all Americans *Prodigal Nation* Andrew R. Murphy, 2011-01-05 America's supposed moral decline from an imagined golden age and the threat of divine punishment for the sin of straying from the path of righteousness have been consistent themes in its political and religious rhetoric In *Prodigal Nation* Andrew Murphy investigates the jeremiad's historical roots and probes the ways in which it continues to illuminate themes and tensions in American social and political life **Great Awakenings** Frank Hoffmann, Marshall Fishwick, Beulah B. Ramirez, 2013-11-12 As religious fervor grows Dr Fishwick a recipient of the Ray and Pat Browne Award for Lifetime Achievement from The American Culture Association takes a sweeping look at religion in the United States the country with the highest church attendance in the Western world Popular religion can take many shapes and forms It can wax and wane but it cannot be eliminated or ignored That is what prompted him to write *Great Awakenings* Popular Religion and Popular Culture He ponders how religion affects American life and popular culture and why religion has become a major force in contemporary politics How has the Electronic Revolution furthered the religious right What does popular religion tell us about popular culture And about our faith He identifies and explores five great religious revivals or Great Awakenings the Atlantic Seaboard Awakening the Urban Awakening the Modernist Awakening the Celebrity Preacher Awakening the Electronic Awakening Fishwick explores the current events preceding and during each awakening its leaders followers and critics *Great Awakenings* gives a new understanding of the American religious past and leaves us with an anticipation for the next great awakening *The Book of Jerry Falwell* Susan Friend Harding, 2018-06-26 National polls show that approximately 50 million adult Americans are born again Christians Yet most Americans see their culture as secular and the

United States is viewed around the world as a secular nation Further intellectuals and journalists often portray born again Christians despite their numbers as outsiders who endanger public life But is American culture really so neatly split between the religious and the secular Is America as modern and is born again Christian religious belief as pre modern as many think In the 1980s born again Christians burst into the political arena with stunning force Gone was the image of old fashioned fundamentalism and its anti worldly separatist philosophy Under the leadership of the Reverend Jerry Falwell and allied preachers millions broke taboos in place since the Scopes trial constraining their interaction with the public world They claimed new cultural territory and refashioned themselves in the public arena Here was a dynamic body of activists with an evangelical vision of social justice organized under the rubric of the Moral Majority Susan Harding a cultural anthropologist set out in the 1980s to understand the significance of this new cultural movement The result this long awaited book presents the most original and thorough examination of Christian fundamentalism to date Falwell and his co pastors were the pivotal figures in the movement It is on them that Harding focuses and in particular their use of the Bible s language She argues that this language is the medium through which born again Christians individual and collective come to understand themselves as Christians And it is inside this language that much of the born again movement took place Preachers like Falwell command a Bible based poetics of great complexity variety creativity and force and with it attempt to mold their churches into living testaments of the Bible Harding focuses on the words sermons speeches books audiotapes and television broadcasts of individual preachers particularly Falwell as they rewrote their Bible based tradition to include rather than exclude intense worldly engagement As a result of these efforts born again Christians recast themselves as a people not separated from but engaged in making history The Book of Jerry Falwell is a fascinating work of cultural analysis a rare account that takes fundamentalist Christianity on its own terms and deepens our understanding of both religion and the modern world

Beyond Eurocentrism Peter Gran,1996 Employing the approaches of Gramsci and Foucault Gran proposes a reconceptualisation of world history He challenges the convention of relying on totalitarian or democratic functions of a particular state to explain relationships of authority and resistance in a number of national contexts *Queering Gay and Lesbian Studies* Thomas Piontek,2010-10-01 *Queering Gay and Lesbian Studies* is a broadly interdisciplinary study that considers a key dilemma in gay and lesbian studies through the prism of identity and its discontents the field studies has modeled itself on ethnic studies programs perhaps to be intelligible to the university community but certainly because the ethnic studies route to programs is well established Since this model requires a stable and identifiable community gay and lesbian studies have emphasized stable and knowable identities The problem of course is that sexuality is neither stable tidy nor developmental With the advent of queer theory there are now other perspectives available that frequently find themselves at odds with traditional gay and lesbian studies In this pioneering new study Thomas Piontek provides a critical analysis of the development of gay and lesbian studies alongside the development of queer theory the disputes between them

and criticism of their activities from both in and outside of the gay academic community Examining disputes about transgenering gay male promiscuity popular culture gay history political activism and non normative sexual practices Piontek argues that it is vital to queer gay and lesbian studies opening this emerging discipline to queer critical interventions without however further institutionalizing queer theory *Under God* Garry Wills, 2013-05-28 In *Under God* Pulitzer Prize winner and eminent political observer Garry Wills sheds light on the frequent collision between American politics and American religion Beginning with the 1988 presidential contest an election that included two ministers and a senator accused of sin award winning author Garry Wills surveys the tapestry of American history to show the continuity of present controversies with past religious struggles and argues that the secular standards of the Founding Fathers have been misunderstood He shows that despite reactionary fire breathers and fanatics religion has often been a progressive force in American politics and explains why the policy of a separate church and state has ironically made the position of the church stronger Marked by the extraordinary quality of observation that has defined Will s work *Under God* is a rich original look at why religion and politics will never be separate in the United States **A Ball, a Dog, and a Monkey** Michael D'Antonio, 2007-09-18 From Pulitzer Prize winning author D'Antonio comes this memorable account of the first year of the space race with all its panic explosions rivalries and comic escapades Eight pages of b w photographs **The Wiley Blackwell Companion to Religion and Politics in the U.S.** Barbara A. McGraw, 2016-05-31 The Wiley Blackwell Companion to Religion and Politics in the U S provides a broad inclusive and rich range of chapters in the study of religion and politics Arranged in their historical context chapters address themes of history law social and religious movements policy and political theory Broadens the parameters of this timely subject and includes the latest work in the field Draws together newly commissioned essays by distinguished authors that are cogent for scholars while also being in a style that is accessible to students Provides a balanced and inclusive approach to religion and politics in the U S Engages diverse perspectives from various discourses about religion and politics across the political and disciplinary spectra while placing them in their larger historical context *Getting Right with Reagan* Marcus M. Witcher, 2019-11-29 Republicans today often ask What would Reagan do The short answer probably not what they think Hero of modern day conservatives Ronald Reagan was not even conservative enough for some of his most ardent supporters in his own time and today his practical often bipartisan approach to politics and policy would likely be deemed apostasy To try to get a clearer picture of what the real Reagan legacy is in this book Marcus M Witcher details conservatives frequently tense relationship with Ronald Reagan in the 1980s and explores how they created the latter day Reagan myth Witcher reminds us that during Reagan s time in office conservative critics complained that he had failed to bring about the promised Reagan Revolution and in 1988 many Republican hopefuls ran well to the right of his policies Notable among the dissonant acts of his administration Reagan raised taxes when necessary passed comprehensive immigration reform signed a bill that saved Social Security and worked with adversaries at home and

abroad to govern effectively Even his signature accomplishment invoked by Mr Gorbachev tear down this wall was highly unpopular with the Conservative Caucus as evidenced in their newspaper ads comparing the president to Neville Chamberlain Appeasement is as Unwise in 1988 as in 1938 Reagan s presidential library and museum positioned him above partisan politics emphasizing his administration s role in bringing about economic recovery and negotiating an end to the Cold War How this legacy as Reagan himself envisioned it became the more grandiose version fashioned by Republicans after the 1980s tells us much about the late twentieth century transformation of the GOP and as Witcher s work so deftly shows the conservative movement as we know it now

New Right, New Racism Amy Elizabeth Ansell,2016-07-27 New Right New Racism is a comparative analysis of the role of racialized symbols in the right turn of US and British politics in the late 1970s through to today The author argues that the symbol of race has been central to the New Right s project to redefine the cultural codes and broader social imaginary upon which the consensus politics of the post war years was built In the process of mobilizing race as an ideological articulator of the exit from consensus politics the New Right has promoted a new form of racism qualitatively distinct from more traditional forms

Fall from Grace Michael D'Antonio,1990

The Rise of Baptist Republicanism Oran P Smith,2000-05-01 A Choice Outstanding Academic Book By championing the ideals of independence evangelism and conservatism the Southern Baptist Convention SBC has grown into the largest Protestant denomination in the country The Convention s mass democratic form of church government its influential annual meetings and its sheer size have made it a barometer for Southern political and cultural shift Its most recent shift has been starboard toward fundamentalism and Republicanism While the Convention once offered a happy home to Harry Truman Jimmy Carter and church state separationists in the past two decades the SBC has become an uncomfortable institution for Democrats progressive theologians and other moderate voices Current SBC member heroes include Senators Trent Lott and Jesse Helms Despite this seeming marginalization Southern Baptist politicians have grown from political obscurity to occupying the four highest positions in the constitutional order of succession to the presidency President Bill Clinton Vice President Al Gore Senate President pro tempore Strom Thurmond and House Speaker Newt Gingrich are all Southern Baptists In its emerging Republicanism the SBC has taken on characteristics of its more active fellow travelers in the Christian Right forging alliances with former enemies African Americans and Roman Catholics playing presidential politics establishing a Washington lobbying presence working the political grassroots and declaring war on Walt Disney Each of these missions has been accomplished with calculating political precision The Rise of Baptist Republicanism traces the Republicanization of the SBC s Republicanism in the context of the rise of the Fundamentalist Right and the emergence of a Republican majority in the South Describing the SBC s political roots Oran P Smith contrasts Baptist Republicans with the rest of the Christian Right while revealing the theological cultural and historical factors which have made Southern Baptists receptive to Republican Fundamentalist Right influences The book is a must read for anyone wishing to understand the intersection of religion and

politics in America today **Christian Fundamentalism in America** David S. New, 2014-01-10 Today the United States is plagued with cultural and political polarization the Reds and the Blues Because religion has been of great significance in America right from the first colonists who believed themselves to be God's chosen nation it is not surprising that religion constitutes the basis of today's dichotomy The recent resurgence of Christian fundamentalism is significant for the future of America as a nation under God This book examines the history of conservative American Christianity as it interacts with liberal beliefs With the Enlightenment the Puritan sense of mission faded but was rekindled with the Great Awakening This religious movement unified the colonies and provided an animating ideal which led to revolution against Britain But soon after the forces of liberalism made inroads and the seeds of division were planted This balanced account favors neither conservative nor liberal It is history with a human touch emphasizing personalities from Jonathan Edwards and William Jennings Bryan to David Koresh and Jim Jones **God's Own Party** Daniel K. Williams, 2012-07-12 In God's Own Party Daniel K Williams presents the first comprehensive history of the Christian Right uncovering how evangelicals came to see the Republican Party as the vehicle through which they could reclaim America as a Christian nation **The Religious Right** Glenn H. Utter, John W. Storey, 1995-12 Compiles facts statistics and information on resources about the religious right in the US containing a chronology of the movement results of surveys of conservative Christian attitudes quotations from religious right leaders plus directories describing pro and anti religious right organizations Includes an annotated listing of print and nonprint works by and about the religious right and discussion of the influence of religion on society Of interest to students researchers and general readers Annotation copyright by Book News Inc Portland OR Strangers in Zion William Robert Glass, 2001 This story has been virtually ignored by historians of fundamentalism and historians of religion in the South Glass has written a history that fills a significant gap in the historical literature on fundamentalism and on religion in the American South As such he lays the groundwork for understanding the South's contribution to the growth of the religious right in second half of the twentieth century BOOK JACKET *Standing on the Premises of God* Frederick E. Detwiler, 1999

Jimmy Carter, the Politics of Family, and the Rise of the Religious Right J. Brooks Flippen, 2011-03-15 As Jimmy Carter ascended to the presidency the heir apparent to Democratic liberalism he touted his background as a born again evangelical Once in office his faith indeed helped form policy on a number of controversial moral issues By acknowledging certain behaviors as sinful while insisting that they were private matters beyond government interference J Brooks Flippen argues Carter unintentionally alienated both social liberals and conservative Christians thus ensuring that the debate over these moral family issues acquired a new prominence in public and political life The Carter era according to Flippen stood at a fault line in American culture religion and politics In the wake of the 1960s some Americans worried that the traditional family faced a grave crisis This newly politicized constituency viewed secular humanism in education the recognition of reproductive rights established by Roe v Wade feminism and the struggle for homosexual rights as evidence of cultural decay

and as a challenge to religious orthodoxy Social liberals viewed Carter's faith with skepticism and took issue with his seeming unwillingness to build on recent progressive victories Ultimately Flippen argues conservative Christians emerged as the Religious Right and were adopted into the Republican fold Examining Carter's struggle to placate competing interests against the backdrop of difficult foreign and domestic issues a struggling economy the stalled Strategic Arms Limitation Talks disputes in the Middle East handover of the Panama Canal and the Iranian hostage crisis Flippen shows how a political dynamic was formed that continues to this day

Fall From Grace The Failed Crusade Of The Christian Right Introduction

In today's digital age, the availability of Fall From Grace The Failed Crusade Of The Christian Right books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Fall From Grace The Failed Crusade Of The Christian Right books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Fall From Grace The Failed Crusade Of The Christian Right books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Fall From Grace The Failed Crusade Of The Christian Right versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Fall From Grace The Failed Crusade Of The Christian Right books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Fall From Grace The Failed Crusade Of The Christian Right books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Fall From Grace The Failed Crusade Of The Christian Right books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Fall From Grace The Failed Crusade Of The Christian Right books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Fall From Grace The Failed Crusade Of The Christian Right books and manuals for download and embark on your journey of knowledge?

FAQs About Fall From Grace The Failed Crusade Of The Christian Right Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Fall From Grace The Failed Crusade Of The Christian Right is one of the best book in our library for free trial. We provide copy of Fall From Grace The Failed Crusade Of The Christian Right in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Fall From Grace The Failed Crusade Of The Christian Right. Where to download Fall From Grace The Failed Crusade Of The Christian Right online for free? Are you looking for Fall From Grace The Failed Crusade Of The Christian Right PDF? This is definitely going to save you time and cash in something you should think about.
