Recent Advances in Intelligent Systems and Smart Applications Mostafa Al-Emran,Khaled Shaalan,Aboul Ella Hassanien,2020-06-26 This book explores the latest research trends in intelligent systems and smart applications It presents high quality empirical and review studies focusing on various topics including information systems and software engineering knowledge management technology in education emerging technologies and social networks It provides insights into the theoretical and practical aspects of intelligent systems and smart applications **Facing Forward** Sajitha Bashir,Marlaine Lockheed,Elizabeth Ninan,Jee-Peng Tan,2018-09-20 Facing Forward lays out a range of policy and implementation actions that are needed for countries in Sub Saharan Africa to meet the challenge of improving learning while expanding access and completion of basic education for all The book underscores the importance of aligning the education system to be relentlessly focused on learning outcomes and to ensuring that all children have access to good schools good learning materials and good teachers It is unique in characterizing countries according to the challenges they faced in the 1990s and the educational progress they have made over the past 25 years allowing countries in the region to learn from each other The authors review the global literature and add to it by their extensive new analyses of multiple datasets from more than three dozen countries in the region they integrate findings about what affects children s learning their access to schooling and progress through basic education The book draws lessons from the region and for the region about what works and what is needed to better implement what is known to have worked The book examines four areas to help countries better align their systems to improve learning 1 completing the unfinished agenda of reaching universal basic education with quality 2 ensuring effective management and support of teachers 3 targeting spending priorities and budget processes on improving quality and 4 closing the institutional capacity gap It concludes with an assessment of how future educational progress may be affected by projected fertility rates and economic growth *Kenya International Monetary Fund. African Dept.*,2021-04-06 Kenya has been hit hard by the COVID 19 pandemic Despite a forceful policy response by the authorities the socio economic impact has been significant The shock has also exacerbated the country s pre existing fiscal vulnerabilities pushing Kenya into high risk of debt distress While the economy is now recovering fiscal and balance of payments financing needs remain sizable over the medium term Research Anthology on Advancements in Women's Health and Reproductive Rights Management Association, Information Resources,2022-05-06 Reproductive health and rights are critical topics in today s society as laws

and policies are continuously debated and adjusted across the world There are many different outlooks on these issues and different countries have widely varying laws in place at present In order to better understand where the world currently is regarding these pressing discussions further study is needed on the status of women s reproductive rights The Research Anthology on Advancements in Women s Health and Reproductive Rights provides a thorough review of the current research available regarding reproductive health The book discusses how various countries and regions are handling reproductive rights as well as current issues women face within their reproductive health journeys Covering topics such as sexual health gender and pregnancy this major reference work is ideal for nurses government officials policymakers healthcare professionals researchers scholars academicians practitioners instructors and students

International technical guidance on sexuality education UNESCO,UNAIDS,UNFPA,UNICEF,UN Women,WHO,2018-01-15 *The Oxford*

Handbook of Meditation Miguel Farias,David Brazier,Mansur Lalljee,2021 A state of the art guide to meditation science and history its facts and myths Covers the development of meditation practices across the world exploring how the varieties of meditation techniques were created in different cultural and religious contexts Explores ethical social and religious implications and discusses controversial topics Book jacket

Accountability in education: meeting our commitments UNESCO,2017-10-30 The second edition of the Global Education Monitoring Report GEM Report presents the latest evidence on global progress towards the education targets of the UN Sustainable Development Goals With hundreds of millions of people still not going to school and many not achieving minimum skills at school it is clear education systems are off track to achieve global goals The marginalized currently bear the most consequences but also stand to benefit the most if policy makers pay sufficient attention to their needs Faced with these challenges along with tight budgets and increased emphasis on results oriented value for money countries are searching for solutions Increased accountability often tops the list The 2017 8 GEM Report shows the entire array of approaches to accountability in education It ranges from countries unused to the concept where violations of the right to education go unchallenged to countries where accountability has become an end in itself instead of a means to inclusive equitable and high quality education and lifelong learning for all The report emphasizes that education is a shared responsibility While governments have primary responsibility all actors schools teachers parents students international organizations private sector providers civil society and the media 0 3 have a role in improving education systems The report emphasized the importance of transparency and availability of information but urges caution in how data are used It makes the case for avoiding accountability systems with a disproportionate focus on narrowly defined results and punitive sanctions In an era of multiple accountability tools the report provides clear evidence on those that are working and those that are not Back cover

Community Health Workers in Action Melvin Delgado,2020 Health is a universal topic although complex to understand because to adequately cover it requires the introduction of an historical context and socio cultural factors Health and health inequities touch the lives of millions of people of color across all regions

and a desperate search for innovative ways of reaching them in an affirming and cost effective manner This search translates into cultural and linguistic programs that empower and foster social change bringing immense rewards and challenges Community health workers offer tremendous promise in getting much needed health care to those in most need allowing for innovative practice in reaching those in greatest need Health care health workers urban communities **Preparing Early Childhood Teachers for Managing Emergencies** Ajayi, Hannah O.,Grupper, Emmanuel,Fowowe, Simeon Sunday,Cassidy, Tom,Ashton, Emily,2022-04-08 The COVID 19 pandemic has revealed the reality of life in all aspects of human endeavors The education sector was not spared the school system was uprooted and procedures had to be made quickly for the safety of students and faculty As a result educators struggled with keeping students engaged academically during online learning and the stress of a health crisis on society **Preparing Early Childhood Teachers for Managing Emergencies** explores international and cross cultural perspectives on teacher effectiveness in handling education and learning in emergency periods as well as preparedness for post COVID 19 experiences This book identifies shares and explores the predominant theoretical and conceptual understandings of teacher preparedness toward emergencies and the aftermath Covering topics such as first aid measures teacher effectiveness and technology usage this book is an essential resource for global K 12 educators pre service teachers K 12 administrators policymakers researchers and academicians **Strengthening Sector Policies for Better Food Security and Nutrition Results:** Food and Agriculture Organization of the United Nations,2018-11-07 Social protection is a key strategy in the fight against hunger and malnutrition By addressing the underlying causes of hunger social protection programmes can enhance households food consumption along with their ability to produce food and augment income In the absence of social protection the food insecure are often forced to cope in ways that further increase their vulnerability and undermine their future income The extension of social protection to these population groups is critical however the depth of its impacts depends on how programmes are designed and implemented This social protection guidance note supports policy dialogue by considering different programming design options for social protection to better contribute to food security and nutrition outcomes *Indiana University and the World* Patrick O'Meara,2019-07-30 Indiana University s administration faculty and staff believe that an international reach is a central part of the teaching and research identity of a great university Beginning with summer tramps led by faculty in the later 1800s providing support to a struggling German higher education system devastated by World War II partnering with Kenyan medical institutions and collaborating with Ukrainian parliamentarians IU has participated in a diverse range of international opportunities What connects these seemingly disparate efforts is their reciprocal nature IU s international activities have benefited countless lives while providing opportunities for the intellectual development of faculty and students This commitment to international engagement continues into Indiana University s third century with the launch of Gateway offices in economically and culturally dynamic parts of the world such as China India Germany and Mexico *Global Migration and Civic Education*

James A. Banks, 2023-05-08 Global migration the rise of popular nationalism and the quest by diverse racial ethnic cultural linguistic and religious groups for recognition civic equality and structural inclusion within their nation states have complicated the attainment of citizenship in countries around the world Virulent and pernicious nationalism in some nations including the United States the United Kingdom Hungary Switzerland and Italy has made it difficult for migrant refugee and other marginalized groups to attain citizenship rights and to fully participate in their nation states The enormous increase in the number of migrant and refugees in many nations has also complicated citizenship acquisition for marginalized populations In this book scholars working in civic education from selected nations share perspectives policies research and strategies for constructing and implementing civic education programmes that will help students from diverse racial ethnic cultural linguistic and religious groups attain political efficacy and become structurally integrated and fully participating citizens of their nation states This book was originally published as a special issue of the journal Intercultural Education

extensive collection of chapters covering over 40 countries and their toxicological infrastructure which includes listings of major books and journals organizations professional societies universities poison control centers legislation and online databases Provides the Second Edition of the International Union of Pure and Applied Chemistry s Glossary of Terms Used in Toxicology a carefully constructed and peer reviewed collation of critical terms in the science Concludes with a potpourri of quotes concerning toxicology and their use in the arts and popular culture Paired with Volume One which offers chapters on a host of toxicology sub disciplines this set offers the most comprehensive compendium of print digital and organizational resources in the toxicological sciences with over 120 chapters contributions by experts and leaders in the field

The Palgrave Encyclopedia of Sexuality Education ,2024-12-23 This Encyclopedia provides a comprehensive map of the field of sexuality education It offers an entry point for those interested in this topic providing a robust summary of issues and directing them to its best scholarship Comprehensive in scope it covers diverse global locations to highlight the significance of context when defining sexuality education The rapid development and increase in accessibility of digital technologies which has broadened sexuality education to include digital and media platforms is also reflected

The United Nations world water development report 2020 UNESCO World Water Assessment Programme,2020-03-23 The 2020 edition of the WWDR titled Water and Climate Change illustrates the critical linkages between water and climate change in the context of the broader sustainable development agenda Supported by examples from across the world it describes both the challenges and opportunities created by climate change and provides potential responses in terms of adaptation mitigation and improved resilience that can be undertaken by enhancing water resources management attenuating water related risks and improving access to water supply and sanitation services for all in a sustainable manner It addresses the interrelations between water people environment and economics in a changing climate demonstrating how climate change can be a positive catalyst for improved water management governance and financing to achieve a sustainable and prosperous world for all The report provides a fact based water focused contribution to the knowledge base on climate change It is complementary to existing scientific assessments and designed to support international political frameworks with the goals of helping the water community tackle the challenges of climate change and informing the climate change community about the opportunities that improved water management offers in terms of adaptation and mitigation

Clinical Psychology and Adolescent Girls in a Postfeminist Era Rosalyn H. Shute,2018-02-02 Adolescent girls wellbeing is under threat They face pressure to achieve academically while simultaneously negotiating a life dominated by social media an unrelenting focus on appearance cyberbullying sexual harassment and ready access to pornography characterised by male violence to women The sociocultural environment presents significant risks for girls mental health yet clinical psychology remains largely focused on the individual Cultural factors are also overshadowed by postfeminist forces and a renewed emphasis on biological determinants of psychological sex differences Clinical Psychology and Adolescent Girls in a Postfeminist Era goes back to

first principles and revisits the question of the place of nature and nurture in children's development in the light of what we now know about neural plasticity dynamic systems and gender socialisation Feminism and its sometimes uncomfortable relationship with psychology is discussed as are the meaning and implications of postfeminism and whether girls have special strengths Practice principles and specific ideas for practice with today's girls are all included Finally there is a complementary chapter on working with adolescent boys Feminist writings about psychotherapy with women had their heyday some time ago and some see boys as the ones who now need special attention This book contends that the changing pressures of today's western world call for a renewed interest in specialised practice with girls taking account of up to date theories about child development and exploring the idea of expanding clinical practice beyond the individual
