

The image is a spiral-bound calendar cover. At the top, a silver metal spiral binding is visible. The background is a deep blue night sky filled with stars. A large, glowing blue planet, likely Jupiter, is positioned in the upper center. A series of 28 crescent moons, each in a different phase, are arranged in a semi-circular arc across the sky. In the foreground, a dark, rocky landscape is visible, with a city's lights glowing on the horizon. The title 'MOON Calendar' is centered in the middle of the image. The word 'MOON' is in a large, bold, white sans-serif font, with the 'O' replaced by a full moon. Below it, the word 'Calendar' is in a smaller, white, cursive-style font. At the bottom, the text 'July 2024 - December 2025' is written in a white, sans-serif font.

understanding of North Korea for South Korean readers Understanding North Korea depicts the reality faced by the Northern regime in areas of politics diplomacy military economy society culture and many more The May 2012 publication has been translated into English with the aim to help the international community better understand the northern half of the Korean peninsula English translations of the referred editions will be published on an biennial basis We hope that this book enables readers around the world to better grasp the reality of North Korea The regime in North Korea exhibits three characteristics it is a totalitarian dictatorship governed by the sole leadership of the sury ng who stands above the Workers Party of Korea WPK and the state the regime as one of the world s most highly centralized and planned economies has advocated self reliance and the monopoly of all means of production by the state and cooperative organizations and the state uses the concept of Grand Socialist Family which requires absolute obedience of people to the sury ng who is considered the father of a family These traits engendered a peculiar form of social structure unprecedented in any other socialist country As it had to do under Kim Jong il North Korea under Kim Jong un must engage in some degree of reform and opening to improve its economy and ensure the regime s survival Such a path however also brings with it the risk of regime collapse The regime thus faces the difficult task of maintaining stability while at the same time reforming and opening up
