Press Freedom in Contemporary Japan Jeff Kingston, 2016-12-01 In twenty first century Japan there are numerous instances of media harassment intimidation censorship and self censorship that undermine the freedom of the press and influence how the news is reported Since Abe returned to power in 2012 the resurgence of nationalism under his leadership has emboldened right wing activists and organizations targeting liberal media outlets journalists peace museums and ethnic Korean residents in Japan This ongoing culture war involves the media school textbooks constitutional revision pacifism and security doctrine This text is divided into five sections that cover Politics of press freedom The legal landscape History and culture Marginalization PR public diplomacy and manipulating opinion Press Freedom in Contemporary Japan brings together contributions from an international and interdisciplinary line up of academics and journalists intimately familiar with the current climate in order to discuss and evaluate these issues and explore potential future outcomes It is essential reading for anyone wishing to understand contemporary Japan and the politics of freedom of expression and transparency in the Abe era It will appeal to students academics Japan specialists journalists legal scholars historians political scientists sociologists and those engaged in human rights media studies and Asian Studies

Mutual Perceptions and Images in Japanese-German Relations, 1860-2010, 2017-06-06 Mutual Perceptions and Images in Japanese German Relations 1860 2010 examines the mutual images formed between Japan and Germany from the mid nineteenth to twenty first centuries and the influence of these images on the development of bilateral relations Unlike earlier research on Japanese German relations which focused on the similarity of these countries historical trajectories this publication presents a more nuanced picture It relativizes perceptions of a special spiritual relationship between Japan and Germany as well as their commonalities of national character through an exploration of previously untapped historical visual and textual sources With essays by sixteen leading scholars in the field this collection is an invaluable contribution to the historiography of modern Japan and Germany and to the field of international relations Contributors are Hans Joachim Bieber Fukuoka Mariko Hakoishi Hiroshi Iwasa Takur Kat Y ko Kawakita Atsuko Gerhard Krebs Kud Akira Heinrich Menkhaus Danny Orbach Peter Pantzer Sven Saaler Sat Takumi Volker Stanzel Suzuki Naoko Tajima Nobuo Tano Daisuke and Rolf Harald Wippich

Global Nationalism: Ideas, Movements And Dynamics In The Twenty-first Century Pablo De Orellana, Nicholas Michelsen, 2022-10-04 The twenty first century is witnessing a truly transnational revival of a very old set of ideas Despite

romantic attachments to old symbols these late modern nationalism movements are not simply replicas of the previous two waves of nationalism in the 1860s and 1920s Nor is it true that today s nationalism movements want simply to return to the past and effect a nationalist 1930s style retrenchment From Putin s macho revivalism through to Trump s shocking victory and Xi s strongman regionalism nationalists engage with the economic context of our time and address issues born of globalization Crucially in their vision for international relations they seek the destruction of key international norms in a drive to restore a vision of sovereignty predicated on a survivalist understanding of state power Global Nationalism edited and framed by Pablo de Orellana and Nicholas Michelsen brings together the latest research by up and coming early career researchers and scholars Beginning with a succinct history and typology of contemporary nationalism and its predecessors this book offers analysis of several cases of contemporary nationalism examining how specific movements define identity address grievances and propose identity based solutions Key themes and lessons emerge from the study of a variety of cases from the very ideas animating nationalist thought to their expression in a wide variety of nationalist movements around the world The reflections on the ecosystem of nationalist ideas and movements offered in this volume are a vital starting point in the study of contemporary nationalism as a global twenty first century phenomenon East Asian Economic Ties with the Middle East Shirzad Azad,2019-05-01 This book presents the documentation of all known recorded capital trials within the Tudor dynasty each encapsulating the drama and intrigue of real history as Tudor law evolved from following the monarch s will to following clearly established law While capital punishment was common several individuals accused of treason skillfully and successfully defended themselves The names of many of the subjects will be familiar to those who are interested in Tudor history as they were prominent enough to be mentioned in books about the rulers they served Biographies have been published about some of these individuals including the events that led up to their trials but all too often the trials themselves have been left out or have been included only by way of a few excerpts so that this volume is the first to include as many as presented here Some books about the period include the word Trial of was in the title but still only short excerpts of the actual trial are included Other books on Tudor personalities are more about entertainment than factual history enhanced by embellishing a few facts and rather skillfully weaving them into a great story that totally excludes the trials The inducement to put together this book is two fold First it is my opinion that the trials are an integral part of the individual s biographical story and of history secondly some readers of my past publications have asked for a book just about the trials of those best known to readers interested in English Tudor history The trials included in this edition are accumulated from many sources Only a very few have been left out because actual trial records were not found only a conglomeration of notes from many sources that give the reader a basic account of the legal proceeding During the reign of Elizabeth I record keeping and trial transcripts became more frequent and regular A New Modern History of East Asia Eckhardt Fuchs,Tokushi Kasahara,Sven Saaler,2017-12-04 For decades historians and societal forces have campaigned for

rapprochement reconciliation and dialogue between East Asian nations This book is a result of these efforts Debates regarding the interpretation of the modern history of East Asia continue to affect bilateral relations between the states of the region History education has become a particularly controversial issue in this context This book s main message is that a common understanding regarding the history of East Asia is possible even though some differences remain It is not only a major contribution to reconciliation in the region but as the first textbook on the history of East Asia written collaboratively by scholars from three East Asian countries it is also highly recommended for use in an anglophone teaching environment

The authors are a group of historians teachers and concerned citizens from China Japan and South Korea **Men in Metal** Sven Saaler,2020-10-12 In his pioneering study *Men in Metal* Sven Saaler examines Japanese public statuary as a central site of historical memory from its beginnings in the Meiji period through the twenty first century Saaler shows how the elites of the modern Japanese nation state went about constructing an iconography of national heroes to serve their agenda of instilling national and nationalist thinking into the masses Based on a wide range of hitherto untapped primary sources Saaler combines data driven quantitative analysis and in depth case studies to identify the categories and historical figures that dominated public space *Men in Metal* also explores the agents behind this visualized form of the politics of memory and introduces historiographical controversies surrounding statue building in modern Japan **Identity, Policy, and**

Prosperity Jeongwon Bourdais Park,2017-08-11 This book offers a rare glimpse into China s Korean minority which dominates the area bordering North Korea even as Korea is riven into capitalist and communist societies China s Koreans register this dilemma as one internal to the society they live in in China s postindustrial Northeast As this research makes clear once driven by state investment in industry the Northeast is now struggling to define its identity as a post industrial region the ethnic Koreans there even more so This monograph provides a distinctive look at a group shaped by political turmoil economic transformation and cultural struggle the study may offer an idea of what the future of the Korean peninsula itself might be disentangling the puzzling contradictions and synergies between nationality locality and development in China

Yasukuni Fundamentalism Mark R. Mullins,2021-07-31 Although religious fundamentalism is often thought to be confined to monotheistic religions of the book this study examines the emergence of a fundamentalism rooted in the Shinto tradition and considers its role in shaping postwar Japanese nationalism and politics Over the past half century the Liberal Democratic Party LDP and the National Association of Shrines NAS have been engaged in collaborative efforts to recover or restore what was destroyed by the process of imperialist secularization during the Allied Occupation of Japan Since the disaster years of 1995 and 2011 LDP Diet members and prime ministers have increased their support for a political agenda that aims to revive patriotic education renationalize Yasukuni Shrine and revise the constitution The contested nature of this agenda is evident in the critical responses of religious leaders and public intellectuals and in their efforts to preserve the postwar gains in democratic institutions and prevent the erosion of individual rights This timely treatment critically engages the contemporary

debates surrounding secularization in light of postwar developments in Japanese religions and sheds new light on the role religion continues to play in the public sphere *Critical Issues in Contemporary China* Czeslaw Tubilewicz, 2016-12-12

Critical Issues in Contemporary China Unity Stability and Development comprehensively examines key problems crucial to understanding modern day China Organized around three interrelated themes of unity stability and development each chapter explores distinct issues and debate their significance for China domestically and for Beijing's engagement with the wider world While presenting contending explanatory approaches contributors advance arguments to further critical discussion on selected topics Main issues analysed include political change military transformation legal reforms economic development energy security environmental degradation food security and safety demographic trends migration and urbanization labour unrest health and education social inequalities ethnic conflicts Hong Kong's integration cross Strait relations Given its thorough and up to date assessment of major political social and economic challenges facing China this fully revised and substantially expanded new edition is an essential read for any student of Chinese Studies *The Oxford Handbook of International Criminal Law* Kevin Jon Heller, Frédéric Mégret, Sarah M. H. Nouwen, Jens David Ohlin, Darryl Robinson, 2020 Provides a non traditional inter disciplinary approach to the study of international criminal law incorporating insights from global history philosophy and international relations Explores the most innovative theoretical and doctrinal developments in the field Critically examines prevailing practices orthodoxies and received wisdoms Includes contributions from expert scholars outside of international law alongside chapters by some of the field's most respected scholars Book jacket *Japan's Prisoners of Conscience* Lawrence Repeta, 2022-11-30 This book is a narrative account of the criminal prosecution of three peaceful protesters in Japan during the Iraq War that tells the inside story of their arrests and trial and examines the larger issues raised by the case Based on interviews with defendants lawyers and eyewitnesses and other Japanese language sources the book carries rich descriptions of the individuals at the heart of the story including the charismatic leader of the Tachikawa Tent Village who has been protesting since U S military forces were stationed in her hometown in the early postwar era Authored by an attorney who has researched and written on Japanese legal issues for more than three decades and was the plaintiff in a suit that made constitutional history by opening Japan's courts to free reporting this book offers expert insights into the forces that affect the right to freedom of political speech in Japan Illustrating the sharp political conflict that has deeply affected Japan's defense policy for decades this book will be of great interest to scholars and students of Comparative Law Peace Studies Japanese Society and Modern Asian History

Asian Nationalisms Reconsidered Jeff Kingston Introduction

In today's digital age, the availability of Asian Nationalisms Reconsidered Jeff Kingston books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Asian Nationalisms Reconsidered Jeff Kingston books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Asian Nationalisms Reconsidered Jeff Kingston books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Asian Nationalisms Reconsidered Jeff Kingston versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Asian Nationalisms Reconsidered Jeff Kingston books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Asian Nationalisms Reconsidered Jeff Kingston books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Asian Nationalisms Reconsidered Jeff Kingston books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open

Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents.
