unfathomable difficulty and infinite mystery well deserves Critic The game of snooker has a remarkable history From humble origins it blossomed spectacularly in the 1980s into the nation s most popular sport Top players became celebrities The papers were stuffed with snooker scandals It even conquered the pop charts In the twenty first century the game is still big news Along with millions of British fans a vast audience continues to grow across every corner of the world from Europe to the Middle East to China The global thirst for snooker has never been greater But strangely perhaps snooker s deeper meanings have rarely been explored It is a game that celebrates subtlety and mystery a slow undertaking in a fast paced world Elegant and profound snooker invites serious contemplation Deep Pockets is a study of this uncharted territory a love letter to snooker and an impassioned journey into its soul Because snooker in fact is more than a game It is a belief set a way of seeing an entire philosophical system In chapters that cover everything from time truth loss luck and more Deep Pockets explores how snooker can help us to trace the meaning of life itself *Only Imagine* Kathleen Stock,2017 *Only Imagine* offers a theory of fictional content or as it is sometimes known fictional truth The theory of fictional content Kathleen Stock argues for is known as extreme intentionalism the idea that the fictional content of a particular work is equivalent to exactly what the author of the work intended the reader to imagine Historically this sort of view has been highly unpopular Literary theorists and philosophers alike have poured scorn upon it The first half of this book attempts to argue that it should in fact be taken very seriously as an adequate account of fictional truth better in fact than many of its more popular rivals The second half explores various explanatory benefits of extreme intentionalism for other issues in the philosophy of fiction and imagination Namely can fiction give us reliable knowledge Why do we resist imagining certain fictions What in fact is a fiction And how should the imagination be characterised **Similes Dictionary** Elyse Sommer,2013-05-01 Language Appealing As Sunlight After a Storm A sentence should read as if its author had he held a plough instead of a pen could have drawn a furrow deep and straight to the end Henry David Thoreau Prose consists of phrases tacked together like the sections of a prefabricated hen house George Orwell Whether it invokes hard work or merely a hen house a good simile is like a good picture it s worth a thousand words Packed with more than 16 000 imaginative colorful phrases from abandoned as a used Kleenex to quiet as an eel swimming in oil the *Similes Dictionary* will help any politician writer or lover of language find just the right saying be it original or banal verbose or succinct Your thoughts will never be as tedious as a twice told tale or dry as the Congressional Record Choose from elegant turns of phrases as useful as a Swiss army knife and varied as expressions of the human face Citing more than 2 000 sources from the Bible Socrates Shakespeare Mark Twain and H L Mencken to popular movies music and television shows the *Similes Dictionary* covers hundreds of subjects broken into thematic categories that include topics such as virtue anger age ambition importance and youth helping you find the fitting phrase quickly and easily Perfect for setting the atmosphere making a point or helping spin a tale with economy intelligence and ingenuity the vivid comparisons found in this collection will inspire anyone Love comforteth like sunshine after rain William

Swoon Betsy Prioleau,2013-01-28 Lose yourself Swoon has wicked fun answering that age old query What do women want Chicago Tribune Contrary to popular myth and dogma the men who consistently beguile women belie the familiar stereotypes satanic rake alpha stud slick player Mr Nice or big money mogul As Betsy Prioleau author of *Seductress*

points out in this surprising insightful study legendary ladies men are a different complex species altogether often without looks or money They fit no known template and possess a cache of powerful erotic secrets With wit and erudition Prioleau cuts through the cultural lore and reveals who these master lovers really are and the arts they practice to ensnare women What she discovers is revolutionary Using evidence from science popular culture fiction anthropology and history and from interviews with colorful real world ladykillers Prioleau finds that great seducers share a constellation of unusual traits While these men run the gamut they radiate joie de vivre intensity and sex appeal above all they adore women They listen praise amuse and delight and they know their way around the bedroom And they've finessed the hardest part locking in and revving desire Women never tire of these fascinators and often like Casanova's conquests remain besotted for life Finally Prioleau takes stock of the contemporary culture and asks where are the Casanovas of today After a critique of the twenty first century sexual malaise the gulf between the sexes and women's record discontent she compellingly argues that society needs ladies men more than ever Groundbreaking and provocative Swoon is underpinned with sharp analysis brilliant research and served up with seductive verve

Reading Style Jenny Davidson, 2014-06-24 A professor critic and insatiable reader Jenny Davidson investigates the passions that drive us to fall in love with certain sentences over others and the larger implications of our relationship with writing style At once playful and serious immersive and analytic her book shows how style elicits particular kinds of moral judgments and subjective preferences that turn reading into a highly personal and political act Melding her experiences as reader and critic Davidson opens new vistas onto works by Jane Austen Henry James Marcel Proust and Thomas Pynchon adds richer dimension to critiques of W G Sebald Alan Hollinghurst Thomas Bernhard and Karl Ove Knausgaard and allows for a sophisticated appreciation of popular fictions by Stephen King Neil Gaiman Lionel Shriver George Pelecanos and Helen DeWitt She privileges diction syntax point of view and structure over plot and character identifying the intimate mechanics that draw us in to literature's sensual frameworks and move us to feel identify and relate

Davidson concludes with a reading list of her favorite titles so others can share in her literary adventures and get to know better the imprint of her own reading style **A Perfectly Good Family** Lionel Shriver, 2009-03-02 Following the success of *We Need to Talk About Kevin* and *The Post Birthday World* *A Perfectly Good Family* is coming back into print after being unavailable for years Talking Book Topics ,2013 Age, Gender and Sexuality through the Life Course Susan Pickard, 2018-04-19 *Age Gender and Sexuality through the Life Course* argues that the gendered structure of temporality defined in the dual sense of everyday time as well as age and stage of life is a key factor underpinning the stalling of the gender revolution Taking as its central focus the idealised young woman who serves as the mascot of contemporary success this book demonstrates how the celebration of the Girl is i representative of social mobility educational and professional achievement ii possesses diligence docility and emotional intelligence and iii displays a reassuring sexuality and youthfulness but is constructed from the outset to have a fleetingly short life span Pickard undertakes a theoretical and empirical exploration of the contemporary female experience of education work motherhood sexuality the challenge of having it all Furthermore through additional analysis of the transitional reproductive regime from youth into mid life and beyond this insightful monograph aims to demonstrate how age and time set very clear limits to what is possible and desirable for the female self yet how the latter factors also if used reflexively can provide the key means of resisting and challenging patriarchy This book is aimed at a broad interdisciplinary audience located in gender studies age studies culture studies sociology and psychology accessible for advanced undergraduates and beyond *The BBC National Short Story Award 2014* Zadie Smith, Lionel Shriver, Rose Tremain, Tessa Hadley, Francesca Rhydderich, 2014-09-17 Short story writers often say that for maximum dramatic effect you should arrive fashionably late to a scene After years of living in the literary wilderness it seems the short story's own moment has finally arrived The last twelve months have marked an extraordinary year for the form The Nobel Prize for Literature the Man Booker International Prize the Folio Prize and the Independent Foreign Fiction Prize were all awarded to short story writers The shortlist for the BBC National Short Story Award 2014 captures the spirit of this mood and the short story's knack for cutting straight to the action the all important moment of change The five stories on this year's shortlist were chosen by a panel of judges that included poet and novelist Adam Foulds author illustrator and performer Laura Dockrill editor Philip Gwyn Jones BBC Editor of Books Di Speirs and the broadcaster Alan Yentob who chaired the panel and introduces this collection The Intelligible Metropolis Nora Pleßke, 2014-08-15 Writings on the metropolis generally foreground illimitability stressing thereby that the urban ultimately remains both illegible and unintelligible Instead the purpose of this interdisciplinary study is to demonstrate that mentality as a tool offers orientation in the urban realm Nora Pleßke develops a model of urban mentality to be employed for cities worldwide Against the background of the Spatial Turn she identifies dominant urban specific structures of London mentality in contemporary London novels such as Monica Ali's *Brick Lane* J G Ballard's *Millennium People* Nick Hornby's *A Long Way Down* and Ian
