Blind Trust Second Chances Series 3:

Blind Trust (The SNAP Agency Book #3) Natalie Walters, 2023-04-11 Lyla Fox knows she has a reputation at the SNAP Agency for impulsivity but when she receives a threatening letter from a man she helped put in prison she can't stop herself from going all in to find out why he's coming after her. Unfortunately she's going to need the help of the one person who questions her reckless choices more than anyone else. Explosives and weapons specialist Nicolas Garcia agrees to help Lyla in order to keep her safe but her recklessness continues to be a major concern especially when her investigation into a conspiracy puts a target on her back. Dealing with bombs is dangerous. Working with Lyla is proving to be just as treacherous to both the mission and his heart. Natalie Walters closes out her SNAP Agency series with a bang with this nail-biting story of a deadly government conspiracy, an unlikely couple, and an ending that will leave you breathless. **True Light** Terri Blackstock, 2008-09-09 Book 3 in a masterful what-if series in which global catastrophe puts a family's very survival at risk and both reveals the darkness in human hearts and lights the way to restoration. Now eight months into a global blackout the residents of Oak Hollow are trying to cope with the deep winter nights and a gnawing hunger from a food shortage. The struggle to survive can bring out the worst in anyone. A teenage friend of the Brannings has been found shot while hunting and his slain deer is gone. Suspicions immediately fall on Mark Green, the son of a convicted murderer. Before he can prove his innocence vigilantes force the sheriff to arrest him. Deni Branning is growing closer to Mark and she sees him as a hero, not a traitor. She and her family set out to find the person who really pulled the trigger. But clearing Mark's reputation is only part of the battle. Protecting him from the neighbors who ostracized him is just as difficult. New York Times bestselling suspense author Terri Blackstock weaves a masterful what-if novel in which global catastrophe reveals the darkness in human hearts and lights the way to restoration for a self-centered world. But this woman has clearly been stalking Amy, his adoptive daughter and the center of his life. And a threat to Amy is a threat to Wes. Laney Fields has no desire to threaten anyone, just a longing to see the child she'd brought into the world six years ago and then been forced to release for adoption. But when she learns that Amy's adoptive mother has died, Laney becomes determined to play a part in her daughter's life. Between a man and woman torn by past losses, present fears, and the paradox of their growing fascination for each other stands one small child. She could be the object of distrust that will drive them apart or the agent of faith in God that can bring them together. **Last Light** Terri Blackstock, 2009-05-18 The first installment in a thrilling series in which a global catastrophe puts a family's survival at risk and both reveals the darkness in human hearts and lights the way to restoration. Birmingham, Alabama has lost all power. Its streets are jammed.

with cars that won't start and its airport is engulfed in flames from burning planes. All communications: cell phones, computers, even radios are silent. Every home and business is dark. Is it a natural disaster, a terrorist attack, or something far worse? In the face of a crisis that sweeps an entire high-tech planet back to a time before electricity, the Branning family faces a choice: Will they hoard their possessions in order to survive, or trust God to provide as they share their resources with those around them? Yesterday's world is gone. Family and community are all that remain. And the outage is revealing the worst in some.

Now suddenly eight months later, he's back with no word of explanation. Only an impossible request: trust him. Trust him despite the devastating past and an inexplicable and increasingly frightening present. Whatever secret Clint is hiding, it's changed him. And it's about to change Sherry, sweeping her and Clint into a terrifying whirlpool of pursuit and intrigue where death and deliverance teeter on a razor edge of circumstance that can either restore or forever destroy Sherry's faith, not only in Clint but in others and perhaps in God himself. *Blind Trust* is part of the Second Chances series by award-winning suspense novelist Terri Blackstock. A beautiful victim with a secret to hide. Between them stands one good cop, torn between justice and the law. This rape case is an exception. The victim is more than willing to testify. And there's abundant evidence to put the suspect behind bars. Just one thing bothers Detective Larry Millsaps: Young and beautiful Melissa Nelson seems to know almost too much about the evidence needed to convict her attacker. The unfolding investigation unearths a brutal track record on the part of the suspect and a stunning revelation of Melissa's own haunting past that could do far worse than destroy her credibility. Caught in a deadly conflict between the ironies of the law and the demands of his Christian convictions, Millsaps finds himself protecting Melissa from a psychopathic stalker's lethal game of cat and mouse, even as evidence collects that could send to prison not an inhuman criminal but the woman Millsaps has come to love. *Justifiable Means* is the second book in the Sun Coast Chronicles by award-winning author Terri Blackstock.
