Gallagher suggests it is time to recognize a new and significant contributor to the death of reading in our schools. Readicide. Gallagher argues that American schools are actively though unwittingly furthering the decline of reading. Specifically he contends that the standard instructional practices used in most schools are killing reading by valuing standardized testing over the development of lifelong readers. Mandating breadth over depth in instruction. Requiring students to read difficult texts without proper instructional support and insisting students focus on academic texts. Ignoring the importance of developing recreational reading. Losing sight of authentic instruction in the looming shadow of political pressures. Readicide provides teachers, literacy coaches, and administrators with specific steps to reverse the downward spiral in reading steps that will help prevent the loss of another generation of readers. *Teaching the Tough Issues* Jacqueline Darwin, 2015-04-24 This book introduces a groundbreaking teaching method intended to help English, social studies, and humanities teachers address difficult or controversial topics in their secondary classrooms. Because these issues are rarely addressed in teacher preparation programs, few teachers feel confident facilitating conversations around culturally and politically sensitive issues in ways that honor their diverse students' voices and lead to critical, transformative thinking. The author describes a four-step method to help teachers structure discussions and written assignments while concurrently assisting them in addressing Common Core State Standards. Designed to aid students in both developing their own viewpoints on contentious issues and in actively critiquing those of their teachers and peers, these practices will enhance any humanities curriculum. **The Jodi Picoult Collection #1** Jodi Picoult, 2012-10-23 Three of bestselling author Jodi Picoult's compelling novels together in this ebook collection. *Songs of the Humpback Whale* For years Jane Jones has lived in the shadow of her husband, renowned San Diego oceanographer Oliver Jones. But during an escalating argument, Jane turns on him with an alarming volatility. In anger and fear, Jane leaves with their teenage daughter for a cross-country odyssey. Now Oliver, an expert at tracking humpback whales across vast oceans, will search for his wife across a continent and find a new way to see the world through her eyes. *Plain Truth* The discovery of a dead infant in an Amish barn shakes Lancaster County to its core. But the police investigation leads to a more shocking disclosure: circumstantial evidence suggests that Katie Fisher, an unmarried Amish woman believed to be the newborn's mother, took the child's life. When Ellie Hathaway, a disillusioned big-city attorney, comes to Paradise, Pennsylvania, to defend Katie, two cultures collide, and for the first time, Ellie faces a system of justice very different from her own. Delving deep inside the world of those who live plain, Ellie must find a way to reach Katie on her terms. And as she unravels a tangled murder case, Ellie also looks deep within to confront her own fears and desires. When a man from her past reenters her life. *Salem Falls* A handsome stranger comes to the sleepy New England town of Salem Falls in hopes of burying his past. Once a teacher at a girls' prep school, Jack St. Bride was destroyed when a student's crush sparked a powder-keg of accusation. But amid the rustic calm of Salem Falls, a quartet of teenage girls harbor dark secrets, and they maliciously target Jack with a shattering allegation. Now at the center of a modern-day witch hunt, Jack is forced once again to

proclaim his innocence to a town searching for answers to a justice system where truth becomes a slippery concept written in shades of gray and to the woman who has come to love him Leaving Time: A Novel by Jodi Picoult (Trivia-On-Books)

examines Sylvia Plath's life and writings with a specific look at key ideas related to *The Bell Jar*. A collection of twenty-three essays offers readers context and insight to discussions centering around the pervasive impact of illness, the novel as a search for personal identity and the autobiographical nature of the work. The book also examines contemporary perspectives on depression such as the sometimes deadly pressure of perfectionism on gifted teens and the idea that depression and risk of suicide run in families.

The Jodi Picoult Collection #2 Jodi Picoult, 2012-10-23 Three of bestselling author Jodi Picoult's compelling novels together in this ebook collection. *Perfect Match*: In the course of her everyday work, career-driven assistant district attorney Nina Frost prosecutes child molesters and works determinedly to ensure that a legal system with too many loopholes keeps these criminals behind bars. But when her own five-year-old son Nathaniel is traumatized by a sexual assault, Nina and her husband Caleb, a quiet and methodical stone mason, are shattered, ripped apart by an enraging sense of helplessness in the face of a futile justice system that Nina knows all too well. In a heartbeat, Nina's absolute truths and convictions are turned upside down, and she hurtles toward a plan to exact her own justice for her son, no matter the consequence, whatever the sacrifice. *Second Glance*: *Second Glance*, an eerie and engrossing work, delves into a virtually unknown chapter of American history: Vermont's eugenics project of the 1920s and 30s to provide a compelling study of the things that come back to haunt us literally and figuratively. *Do We Love Across Time*: *Do We Love Across Time*, or in spite of it? *My Sister's Keeper*: *My Sister's Keeper* examines what it means to be a good parent, a good sister, a good person. Is it morally correct to do whatever it takes to save a child's life, even if that means infringing upon the rights of another? Is it worth trying to discover who you really are if that quest makes you like yourself less? Should you follow your own heart or let others lead you? Once again, Jodi Picoult tackles a controversial real-life subject with grace, wisdom, and sensitivity.
