Incredible Bodies Ian McGuire, 2016-05-05 _____ Hugely entertaining. The Times. A wincingly entertaining portrayal of academe with its pants down. And a reminder that when things are at their worst, they're also at their funniest. Liz Jensen. Covering familiar territory in this sardonic academic novel, McGuire wittily exposes his characters' pretensions and frustrations. Outwitted and exploited at every step of the way, Gutman and his story are at once very funny and disconcertingly sad. Sunday Times _____ Thirty-something Morris Gutman is a chronically indecisive temporary lecturer at the University of Coketown. Life hasn't turned out as he planned; he has a demanding wife, an insomniac child, and teaches demeaning courses to ungrateful English students. However, he is willing to do whatever it takes to negotiate a permanent departmental job, even if it means finding his way through the minefield that is academia and winning over the alluring and manipulative research fellow Zoe Cable.

Bodies at Borders: Analyzing the Objectification and Containment of Migrants at Border Crossing Louise Ryan, Izabela Grabowska, Vidal Romero, María Encarnación López, 2023-12-22. By the end of 2020, the number of forcibly displaced people globally had reached 82.4 million as a result of persecution, conflict, violence, human rights violations, and events seriously disturbing public order. UNHCR 2021. Efforts to prevent these people from crossing national boundaries have resulted in draconian legislation and the vilification of migrants at various international borders. In the Mediterranean, at the border with fortress Europe, there have been thousands of fatalities as migrants risk the treacherous crossing in tiny boats. The so-called weaponization of migration is apparent in recent events on the Polish-Belarusian border, as hundreds of asylum seekers are trapped between rival forces of armed soldiers. Under the UK government's hostile environment policy, many legal immigration routes have been closed, and the rights of asylum seekers have been severely curtailed. The so-called migrant caravan, which began in Honduras in October 2018, prompted the US and Mexican governments to deploy active-duty military officers to the border, creating more chaos in the area.

The Elizabethan Mind Helen Hackett, 2022-01-01. The first comprehensive guide to Elizabethan ideas about the mind. What is the mind? How does it relate to the body and soul?
