*Bodysculpting* Angela Ursprung, 2004 The reason I wanted to write this book is to encourage you to continue to serve the Lord There have been many things that I had to experience for myself Many times I was misunderstood and many things happened that I didn't understand Through each experience God remained faithful Although we don't like to admit it there is a real devil and he comes to steal kill and to destroy but Jesus comes that we might have life more abundantly St John 10 10 The bible tells us in Ephesians 4 27 not to give place to the devil That means if you sit and listen to his lies and deception that eventually you will begin to yield to those lies This book has been written to say don't listen to him not for a moment It will cost you too much and keep you longer than you want to stay Pray and keep your eyes on Jesus and he will direct you in the way that you should go Trust in the Lord with all thine heart and lean not to your own understanding in all your ways acknowledge him and he will I promise ya he will direct your path Proverbs 3 5 6 After this book gets circulated I would like to have an outreach to our teenagers today Some of them are out of control and they need our help they need our help to reach out for the Lord If you would like to help me to do this I need your suggestions and your donations Please feel free to contact me with your ideas The word of God says that we are laborers together with God 1 Corinithians 3 9a so it's not about who but through a joint effort we can reach our children before Christ returns I can be reached at my office Mr Thomas Dale 5310 Snowhill Road Snowhill MD 21863

**The Sculptress** V.S. Alexander, 2021-02-23 From acclaimed author V S Alexander comes an absorbing immersive novel set during World War I as a talented and ambitious artist finds an unusual calling May 1917 The elegant streets of Boston are thousands of miles away from the carnage of the Western Front Yet even here amid the clatter of horse drawn carriages and automobiles it is impossible to ignore the war raging across Europe Emma Lewis Swan's husband Tom has gone to France eager to do his duty as a surgeon Emma a sculptress has stayed behind pursuing her art despite being dismissed by male critics On the bustling sidewalk she spies a returned soldier His brutally scarred face inspires first pity and then something more a determination to use her skill to make masks for disfigured soldiers Leaving Boston for France also means leaving behind Linton Bower a fiery gifted artist determined to win her Emma's union with Tom has been steady yet passionless marred by guilt over a choice she made long ago In Paris she crafts intricate lifelike masks to restore these wounded men to the world But in the course of her new career she will encounter one man who compels her to confront the secret she's never revealed not even to Tom Only by casting off the facade she has worn for so long can she pursue a path through heartbreak and turmoil toward her own unexpected future Praise for V S Alexander's *The Traitor* Alexander brings his signature commitment to historical accuracy to *The Traitor* immersing readers in the intrigue of the resistance Fans of Anthony Doerr's *All the Light We Cannot See* and Alex Rosenberg's *The Girl from Krakow* will fall under the spell of this powerfully moving novel Booklist
