African American Religion A Confluent Of African Traditional Religion And Christianity

Barbara A. McGraw

African American Religion A Confluent Of African Traditional Religion And Christianity:

African-American Religion David Musa, 2015-07-06 Literature on North American slavery is almost inexhaustible but negligent of the religious culture of the slaves most especially African American Christianity As noted in Robert Handys insightful article for several decades African American Christianity appeared only as incidentals in the general historiography of American Church history Considering the immeasurably positive role of the Church in the lives of African Americans this oversight is almost inexcusable Even where studies in slave Christianity have been attempted one would search in vain for any substantial discussion of the mutual effects of the slaves original African religion and Christianity Thus this study is a contribution to recent explorations into that vital aspect of the history of African slaves in North America their Christianization The study focuses on the question of why the African slaves were apparently more responsive to Christianity in the Great Awakenings than during the previous evangelization efforts by the Anglican missionaries I propose that the continuities as well as discontinuities between Christianity and African Traditional Religion were key among determinant factors in the slaves response to Christianity Basically the slaves responded to the type of Christianity in which these factors were more prominent the Great Awakenings vis vis the Anglican version The first chapter of this study highlights the problem of past inattention to slave Christianity especially as it relates to African Traditional Religion In Chapter two I argue for both West Africa as the original home of the slaves and African Traditional Religion as the predominant religious culture of that region The third chapter describes the process personnel and problems encountered in slave Christianization Chapters four and five analyze and evaluate the impact of Christianizing efforts by the Anglican missionaries and revival evangelists respectively Chapter six summarizes and discusses the value of my findings for the African American Church and Christianity in general The study contains suggestions for further research

Yoruba Traditions and African American Religious Nationalism Tracey E. Hucks, 2012-05-16 Exploring the Yoruba tradition in the United States Hucks begins with the story of Nana Osejeman Adefunmi s personal search for identity and meaning as a young man in Detroit in the 1930s and 1940s She traces his development as an artist religious leader and founder of several African influenced religio cultural projects in Harlem and later in the South Adefunmi was part of a generation of young migrants attracted to the bohemian lifestyle of New York City and the black nationalist fervor of Harlem Cofounding Shango Temple in 1959 Yoruba Temple in 1960 and Oyotunji African Village in 1970 Adefunmi and other African Americans in that period renamed themselves Yorubas and engaged in the task of transforming Cuban Santería into a new religious expression that satisfied their racial and nationalist leanings and eventually helped to place African Americans on a global religious schema alongside other Yoruba practitioners in Africa and the diaspora Alongside the story of Adefunmi Hucks weaves historical and sociological analyses of the relationship between black cultural nationalism and reinterpretations of the meaning of Africa from within the African American community

Religious Education in the African American Tradition Kenneth H. Hill, 2012-11 Schweitzer s goal in

this book is to explore what postmodernity actually means for theology and how theology and the church may respond to its challenges He focuses on the life cycle as it is changing with the advent of postmodernity looking sequentially at segments of the life cycle using different lenses modernity postmodernity and responses from church and theology Schweitzer concludes with a theology of the life cycle The Oxford Handbook of Religion and Race in American History Kathryn Gin Lum,Paul Harvey,2018 The Oxford Handbook of Religion and Race in American History brings together a number of established scholars as well as younger scholars on the rise to provide a scholarly overview for those interested in the role of religion and race in American history Thirty four scholars from the fields of History Religious Studies Sociology Anthropology and more investigate the complex interdependencies of religion and race from pre Columbian origins to the present The volume addresses the religious experience social realities theologies and sociologies of racialized groups in American religious history as well as the ways that religious myths institutions and practices contributed to their racialization Part One begins with a broad introductory survey outlining some of the major terms and explaining the intersections of race and religions in various traditions and cultures across time Part Two provides chronologically arranged accounts of specific historical periods that follow a narrative of religion and race through four plus centuries Taken together The Oxford Handbook of Religion and Race in American History provides a reliable scholarly text and resource to summarize and guide work in this subject and to help make sense of contemporary issues and dilemmas Salvation in African Christianity Rodney L. Reed,David K. Ngaruiya,2023-10-31 What must I do to be saved That question raised in the book of Acts by the Philippian jailer is a question for the ages Yet what even does it mean to be saved Is salvation for this life or the next Is it purely spiritual or does it have physical and material implications Can salvation be lost Do we determine who will be saved or does God What role does Christ play in salvation Such are the seemingly unending questions soteriology strives to answer In this eighth volume from the Africa Society of Evangelical Theology African theologians articulate their understanding of salvation and its widespread implications for life and practice in conversation with Scripture and the rich diversity of an African cultural context Salvation is examined from historical philosophical and theological lenses and scholars address topics as wide ranging as conversion ethnicity fertility poverty prosperity the Trinity exclusivism African Pentecostalism rural community eschatology wholeness and atonement It is a powerful exploration of the holistic nature of salvation as articulated in Scripture and understood by the African church *Afro-Christian Convention* Yvonne Delk,2023-06-15 The story of the Afro Christian Convention one story of many in the history of the independent Black Church is the story of faith survival affirmation and empowerment in the hostile environment of racism From 1892 to the 1960s the Afro Christian Convention was composed of 150 churches and 25 000 members located primarily in North Carolina and Virginia The tradition of the Afro Christian church too long ignored and under celebrated takes its rightful place in the canon of United Church of Christ history **The Care of Men** Christie Cozad Neuger,James Newton Poling,2011-12-01 Men in our culture are experiencing various crises to which pastors and

pastoral caregivers are called to respond These crises include changing role definitions and gender expectations as well as diminishing economic opportunities In light of these crises men need new foundations for self esteem and identity and new support for changing With their different experiences and specialties the contributors to *The Care of Men* examine some crises and provide helpful ideas for caregivers in diverse situations with diverse populations of men **The Wiley Blackwell Companion to Religion and Politics in the U.S.** Barbara A. McGraw, 2016-05-31 The Wiley Blackwell Companion to Religion and Politics in the U S provides a broad inclusive and rich range of chapters in the study of religion and politics Arranged in their historical context chapters address themes of history law social and religious movements policy and political theory Broadens the parameters of this timely subject and includes the latest work in the field Draws together newly commissioned essays by distinguished authors that are cogent for scholars while also being in a style that is accessible to students Provides a balanced and inclusive approach to religion and politics in the U S Engages diverse perspectives from various discourses about religion and politics across the political and disciplinary spectra while placing them in their larger historical context *Afrocentrism and Christian Faith* Wyatt Tee Walker, 1993 *Encyclopedia of Global Religion* Mark Juergensmeyer, Wade Clark Roof, 2012 Presents entries A to L of a two volume encyclopedia discussing religion around the globe including biographies concepts and theories places social issues movements texts and traditions **Black Magic** Yvonne P. Chireau, 2006-11-20 Black Magic looks at the origins meaning and uses of Conjure the African American tradition of healing and harming that evolved from African European and American elements from the slavery period to well into the twentieth century Illuminating a world that is dimly understood by both scholars and the general public Yvonne P Chireau describes Conjure and other related traditions such as Hoodoo and Rootworking in a beautifully written richly detailed history that presents the voices and experiences of African Americans and shows how magic has informed their culture Focusing on the relationship between Conjure and Christianity Chireau shows how these seemingly contradictory traditions have worked together in a complex and complementary fashion to provide spiritual empowerment for African Americans both slave and free living in white America As she explores the role of Conjure for African Americans and looks at the transformations of Conjure over time Chireau also rewrites the dichotomy between magic and religion With its groundbreaking analysis of an often misunderstood tradition this book adds an important perspective to our understanding of the myriad dimensions of human spirituality **Malcolm X**, 2016-05-18 In the year 2015 we remembered the 50th anniversary of Malcolm X s assassination in Harlem New York Spurred by the commitment to continue the critical work that Malcolm X began the scholars represented in the book have analysed the enduring significance of Malcolm X s life work and religious philosophy Edited by Dustin J Byrd and Seyed Javad Miri Malcolm X From Political Eschatology to Religious Revolutionary represents an important investigation into the religious and political philosophy of one of the most important African American and Muslim thinkers of the 20th century Thirteen different scholars from six different countries and various

academic disciplines have contributed to our understanding of why Malcolm X is still important fifty years after his death Contributors are Syed Farid Alatas Dustin J Byrd Bethany Beyyette Louis A DeCaro Stephen C Ferguson William David Hart John H McClendon Seyed Javad Miri John Andrew Morrow Emin Poljarevic Rudolf J Siebert Nuri Tinaz and Yolanda Van Tilborgh

Servanthood of Song Stanley R. McDaniel, 2024-05-23 *Servanthood of Song* is a history of American church music from the colonial era to the present Its focus is on the institutional and societal pressures that have shaped church song and have led us directly to where we are today The gulf which separates advocates of traditional and contemporary worship Black and White Protestant and Catholic is not new History repeatedly shows us that ministry to be effective must meet the needs of the entire worshipping community not just one segment age group or class *Servanthood of Song* provides a historical context for trends in contemporary worship in the United States and suggests that the current polemical divisions between advocates of contemporary and traditional classically oriented church music are both unnecessary and counterproductive It also draws from history to show that to be the powerful component of worship it can be music whatever the genre must be viewed as a ministry with training appropriate to that *Servanthood of Song* provides a critical resource for anyone considering a career in either musical or pastoral ministries in the American church as well as all who care passionately about vital and authentic worship for the church of today

The Truth about Conservative Christians Andrew M. Greeley, Michael Hout, 2008-09-15 Ever since the reelection of President Bush conservative Christians have been stereotyped in the popular media Bible thumping militants and anti intellectual zealots determined to impose their convictions on such matters as evolution school prayer pornography abortion and homosexuality on the rest of us But conservative Christians are not as fanatical or intractable as many people think nor are they necessarily the monolithic voting block or political base that kept Bush in power Andrew M Greeley and Michael Hout s eye opening book expertly conveys the complexity variety and sensibilities of conservative Christians dispelling the myths that have long shrouded them in prejudice and political bias For starters Greeley and Hout reveal that class and income have trumped moral issues for these Americans more often than we realize a dramatic majority of working class and lower class conservative Christians backed liberals such as Jimmy Carter and Bill Clinton during their runs for president And when it comes to abortion most conservative Christians are not consistently pro life in the absolute fashion usually assumed they are still more likely to oppose the practice than other Americans but 86 percent of them are willing to tolerate it to protect the health of the mother or when the woman has been raped and 22 percent of them are even pro choice What do conservative Christians really think about evolution homosexuality or even the meaning of the word of God Answering these questions and more *The Truth about Conservative Christians* will interest and surprise a broad range of readers especially in this heated election year

Women in World Christianity Gina A. Zurlo, 2023-08-07 A groundbreaking comprehensive and interdisciplinary analysis of women s experiences in World Christianity *Women in World Christianity Building and Sustaining a Global Movement* is the first

textbook to focus on women's experiences in the founding spread and continuation of the Christian faith Integrating historical theological and social scientific approaches to World Christianity this innovative volume centers women's perspectives to illustrate their key role in Christianity becoming a world religion including how they sustain the faith in the present and their expanding role in the future Women in World Christianity features findings from the Women in World Christianity Project a groundbreaking study that produced the first quantitative dataset on gender in every Christian denomination in every country of the world Throughout the text special emphasis is placed on women in the twentieth and twenty first centuries the period of Christianity's shift from the global North to the global South Easily accessible chapters organized by continent tradition and select topics introduce students to the wide variety of Christian belief and practice around the world The book also discusses issues specifically relevant to women in the church gender based violence ecology theological education peacebuilding and more This textbook Provides a balanced view of women's involvement in Christianity as a world religion and how they sustain the faith today Introduces students to female theologians around the world whose scholarship is generally overlooked in Western theological education Discusses women's essential contributions to Christian mission leadership education relief work healthcare and other social services of the church Complements the growing body of literature about Christian women from different continental regional national and ecclesiastical perspectives Explores the contributions of contemporary Christian women of all major denominations in Africa Asia Europe Latin America North America and Oceania Helps students become more aware of the unique challenges women face worldwide and what they are doing to overcome them Women in World Christianity Building and Sustaining a Global Movement is an excellent primary textbook for introductory courses on World Christianity History of Christianity World Religions Gender in Religion as well as undergraduate and graduate courses specifically focused on women in World Christianity

Spirits Rejoice! Jason Bivins, 2015 Bivins explores the relationship between American religion and American music and the places where religion and jazz have overlapped Dust jacket flap

Christianity and Ibo culture Ilogu, 2024-08-26

Encyclopedia of Christianity in the Global South Mark A. Lamport, 2018-06-01 Christianity has transformed many times in its 2 000 year history from its roots in the Middle East to its presence around the world today From the mid twentieth century onward the presence of Christianity has increased dramatically in Asia Africa and Latin America and the majority of the world's Christians are now nonwhite and non Western The Encyclopedia of Christianity in the Global South traces both the historical evolution and contemporary themes in Christianity in more than 150 countries and regions The volumes include maps images and a detailed timeline of key events The phrases Global Christianity and World Christianity are inadequate to convey the complexity of the countries and regions involved this encyclopedia with its more than 500 entries aims to offer rich perspectives on the varieties of Christianity where it is growing how the spread of Christianity shapes the faith in various regions and how the faith is changing worldwide

Christian Missionary Engagement in Central Nigeria, 1857-1891 Femi J.

Kolapo,2019-11-28 In the decades before colonial partition in Africa the Church Missionary Society embarked on the first serious effort to evangelize in an independent Muslim state Bishop Samuel Ajayi Crowther led an all African field staff to convert the people of the Upper Niger and Confluence area whose communities were threatened or already conquered by an expanding jihadist Nupe state In this book Femi J Kolapo examines the significance of the mission as an African rather than European undertaking assessing its impact on missionary practice local engagement and Christian conversion prospects By offering a fuller history of this overlooked mission in the history of Christianity in Nigeria this book reaffirms indigenous agency and rethinks the mission as an experiment ahead of its time Origins of the African American Jeremiad Willie J. Harrell, Jr.,2011-10-14 In the moralistic texts of jeremiadic discourse authors lament the condition of society utilizing prophecy as a means of predicting its demise This study delves beneath the socio religious and cultural exterior of the American jeremiadic tradition to unveil the complexities of African American jeremiadic rhetoric in antebellum America It examines the development of the tradition in response to slavery explores its contributions to the antebellum social protest writings of African Americans and evaluates the role of the jeremiad in the growth of an African American literary genre Despite its situation within an unreceptive environment the African American jeremiad maintained its power continuing to influence contemporary African American literary and cultural traditions
