Africas Media Democracy And The Politics Of Belonging:

Africa's Media, Democracy and the Politics of Belonging Francis B. Nyamnjoh, 2005-05 An overview of the press and mass media in Africa today and their contribution to democratization

Popular Media, Democracy and Development in Africa Herman Wasserman, 2010-10-04 Popular Media Democracy and Development in Africa examines the role that popular media could play to encourage political debate provide information for development or critique the very definitions of democracy and development Drawing on diverse case studies from various regions of the African continent essays employ a range of theoretical and methodological approaches to ask critical questions about the potential of popular media to contribute to democratic culture provide sites of resistance or conversely act as agents for the spread of Americanized entertainment culture to the detriment of local traditions A wide variety of media formats and platforms are discussed ranging from radio and television to the Internet mobile phones street posters film and music As part of the Routledge series Internationalizing Media Studies the book responds to the important challenge of broadening perspectives on media studies by bringing together a range of expert analyses of media in the African continent that will be of interest to students and scholars of media in Africa and further afield

Africa's Political Wastelands: The Bastardization of Cameroon Emmanuel Fru Doh, 2008 Africa's Political Wastelands explores and confirms the fact that because of irresponsible corrupt selfish and unpatriotic kleptocrats parading as leaders the ultimate breakdown of order has become the norm in African nations especially those south of the Sahara The result is the virtual annihilation of once thriving and proud nations along with the citizenry who are transformed into wretches vagrants and in the extreme refugees Doh uses Cameroon as an exemplary microcosm to make this point while still holding imperialist ambitions largely responsible for the status quo in Africa Ultimately in the hope of jumpstarting the process he makes pertinent suggestions on turning the tide on the continent

Media and Politics in New Democracies Jan Zielonka, 2015 How is power being mediated in new democracies Can media function independently in the unstable and polarised political environment experienced after the fall of autocracy Do major shifts in economic and ownership structures help or hinder the quality of the media How much can new media laws alter old journalistic habits and political cultures And how do new technologies impact the media and democracy This book examines these questions drawing on a vast set of data assembled by a large international project

Media Ownership in Africa in the Digital Age Winston Mano, Loubna El Mkaouer, 2022-10-24 Who owns the media and communications in Africa today and with what implications The book elegantly answers this urgent question by unpacking multiple dimensions of media ownership through rare and authoritative perspectives including both historical and contemporary digital developments It traces the evolving forms of ownership of media and communications in specific African contexts showing how they interact with broader changes in and outside the continent The book also shows how Big Techs such as Meta formerly known as Facebook are involved in a scramble for Africa's digital ecosystem and how their advance brings both

opportunities and concerns about ownership and control The chapters analyse evolving forms of ownership and their implications on media concentration and democracy across Africa The book offers a nuanced account of how media ownership structures are in some instances captured with an ever growing and complex ecosystem that also has new opportunities for public interest media Offering a significant representation of the trends and diversity of existing media systems the book goes beyond the postcolonial geographical divisions of North and Sub Saharan Africa to highlight common patterns and significant similarities and differences of communications ownerships between and within African countries The contributors expose media and communications ownership patterns in Africa that are centralised and yet decentralising and in some cases battling resurging and globalising

Press Freedom in Africa Herman Wasserman, 2013-09-13 This book gives an overview of current debates surrounding press freedom in Africa in response to ongoing contestations between media and governments on the continent Through case studies of individual African countries as well as international comparisons a wide range of global contributors provide critical assessments of the state of press freedom on the continent and critical perspectives on the dominant discourses around freedom and democracy Some fear an alarming slide towards a media intolerant environment in South Africa and the proposed Media Appeals Tribunal and the Protection of State Information Bill POSIB have met with strong criticism from journalism practitioners and educators This book examines these and other recent developments seen to represent a threat to press freedom on the African continent Contributors to the volume take a comparative look at the situation in South Africa within a broader global context of transitions to democracy and globalised marketization of the media as well as inspecting specific African examples that may serve to illuminate broader trends Case studies from different African countries are examined but in the process the discourses around press freedom are also subjected to critical scrutiny Critics state that the South African media are not without fault and that part of journalism scholarship's role is to continue to point to these shortcomings and to suggest ways of improving the media's democratic responsibility Press Freedom in Africa provides a range of perspectives on the heated debates surrounding press freedom It illustrates the importance of research based scholarly interventions into the often emotional and rhetorical debates surrounding the role of the media in African society This book was originally published as a special issue of *Ecquid Novi* African Journalism Studies

Media and Identity in Africa Kimani Njogu, 2009-04-09 Studies of the media in Africa incorporating both African and international perspectives are few The thirty papers collected here were presented at a seminar organised and hosted by the Kenya based Twaweza Communications and the International African Institute in Nairobi in 2004 They demonstrate how media outlets are used to perpetuate question or modify the unequal power relations between the North and the South Focusing on east Africa the papers include discussions of the construction of old and new social entities as defined by class gender ethnicity political and economic differences wealth poverty cultural behaviour language and religion The authors illustrate how there is increasing control by local people of traditional and modern forms

of media Globalization is being countered by local responses within the context of social and cultural identities Essentially the book describes the tensions between the global and the local tensions not often discussed in media studies thus pioneering new debates Political Influence of the Media in Developing Countries Mukhongo, Lynete Lusike, Macharia, Juliet Wambui, 2016-01-18 The media plays an intricate role in the political economy of developing nations as it conveys the social issues and impacts of a government's legislation and policy However information is often miscommunicated or biased in emergent economies as media owners often tailor news and advertisements to promote their own agendas rather than meet the needs of citizens Political Influence of the Media in Developing Countries analyzes the use and structure of media in political forums in developing nations Featuring research on the effects of the media on news consumption and the professional and ethical difficulties journalists and editors face in the dissemination of political messages this publication is an essential reference source for policy makers academicians politicians students and researchers interested in the adoption of various media formats used to promote the political environment and civic engagement within developing countries

Media Law, Ethics, and Policy in the Digital Age Mhiripiri, Nhamo A., Chari, Tendai, 2017-01-10 The growing presence of digital technologies has caused significant changes in the protection of digital rights With the ubiquity of these modern technologies there is an increasing need for advanced media and rights protection Media Law Ethics and Policy in the Digital Age is a key resource on the challenges opportunities issues controversies and contradictions of digital technologies in relation to media law and ethics and examines occurrences in different socio political and economic realities Highlighting multidisciplinary studies on cybercrime invasion of privacy and muckraking this publication is an ideal reference source for policymakers academicians researchers advanced level students government officials and active media practitioners

Global Media Ethics Stephen J. A. Ward, 2013-01-09 Global Media Ethics Global Media Ethics Problems and Perspectives The book pleads convincingly that news media outlets and practitioners should urgently reconsider their practices and norms in a world gone global and digitally convergent The various contributions broach the topic from completely different perspectives to create a very stimulating and constructive framework to identify and face the new ethical challenges of journalism and the news media Fran ois Heinderyckx Universit libre de Bruxelles News that crosses boundaries of culture and geography means rethinking media ethics The demands of role audience digital transmission and an industry under fierce economic pressure require the insightful approach to ethical thinking this volume provides From theory to practice this book has something for scholars and professionals alike Lee Wilkins Journal of Mass Media Ethics Global Media Ethics is a cross cultural exploration of the conceptual and practical issues facing media ethics in a global world Focusing on the ethical concepts principles and questions in an era of major change this unique textbook explores the aims and norms that should guide the publication of stories that impact across borders and which affect a globally linked pluralistic world Through case studies analysis of emerging practices and theoretical discussion a team of leading journalism and communication experts

investigate the impact of major global trends on responsible journalism and lead readers to better understand changes in media ethics Chapters look at how these changes promote or inhibit responsible journalism how such changes challenge existing standards and how media ethics can develop to take account of global news media In light of the fact that media journalism is now and will increasingly become multimedia in format and global in its scope and influence the book argues that global media impact entails global responsibilities It is therefore critical that media ethics rethinks its basic notions standards and practices from a more cosmopolitan perspective

Media Reforms and Democratization in Emerging Democracies of Sub-Saharan Africa Ufuoma Akpojivi, 2018-04-03 This book examines the media reform processes and re democratization projects of Ghana and Nigeria s emerging democracies It evaluates and critiques these reform processes arguing that because of dependency approaches resulting from the transplanting of policy framework from the West into these emerging democracies the policy goals and objectives of the reforms have not been achieved Consequently the inherent socio cultural economic and political factors coupled with the historical antecedents of these countries have also affected the reform process Drawing from policy documents analyses and interviews Ufuoma Akpojivi argues that the lack of citizens active participation in policy processes has led to neo liberalization and the continued universalization of Western ideologies such as democracy media freedom and independence Akpojivi posits that the recognition of socio cultural political and economic factors inherent to these emerging democracies coupled with the communal participation of citizens will facilitate true media reform processes and development of these countries

Journalism Cultures in Sierra Leone Sarah Bomkapre Koroma, 2023-06-07 This book provides novel insights into the perspectives of journalists in Sierra Leone and on their work by examining their perceived journalistic values and the influences that shape them It treats journalism as an occupational identity and as a community that works on the foundation of the sub Saharan African philosophies that exalts communal values in every sphere of life When journalists speak about their social function in society and values they are sharing both their individual knowledge and experiences on their work Therefore journalistic values are never isolated ideologies but exist within the contexts in which they practice In this book Sarah Bomkapre Koroma examines the perceptions of journalists on the societal influences that impact their work ranging from individual procedural organizational political economic and many more Questions explored include What journalism cultures exist in Sierra Leone What effects do societal factors have on these journalistic cultures How do journalists in Sierra Leone describe their roles What epistemological underpinnings do they consider during practice What ethical considerations do the journalists share
