Against Compulsory Vaccination A Long Train Of Abuses And Usurpations:

Against Compulsory Vaccination: A Long Train of Abuses and Usurpations Kevin A. Muhammad, 2010 This book comprising three sections lays the base for greater vigilance against mass vaccination The first section Logical Practical Premise for Rejecting Vaccination shows how neither logic nor science supports this medical procedure particularly the way it is universally implemented Section 2 Historical Context of Vaccination examines the political and economic agendas surrounding the origin of vaccination It details the true history and consequences of vaccination which is directly opposite what the medical industry claims Understanding this history prevents us from being victimized The third section hinges on the theme A Long Train of Abuses and Usurpations the subtitle of this book This descriptive phrase is in the U S Declaration of Independence a document that details the human and civil rights violations that moved the 13 American colonies in 1776 to separate from the British Empire Vaccination as enforced since its inception is a long standing egregious violation of our unalienable Rights of Life Liberty and the pursuit of Happiness The pandemic of horrible vaccine induced diseases is proof of this We are obligated by the law of self preservation to end this medical tyranny A citizen s vaccination law predicated on self preservation and self determination must be established in the hearts and minds of all citizens beginning with each of us The achievement of this automatically leads to a confrontation with other compulsory laws that encase the evil intent inherent in vaccination Ultimately citizen s laws must be enacted to abolish these unjust laws as well **Liberty** Benjamin Ricketson Tucker, 1970 Some Leading Arguments Against Compulsory Vaccination London Society for the Abolition of Compulsory Vaccination, 1887 *Some Leading Arguments Against Compulsory Vaccination* London Society for the Abolition of Compulsory Vaccination (LONDON), 1887 The Fight Against Compulsory Vaccination Alexander Milton Ross, Canadian Anti-Compulsory Vaccination League, 1883 *Some Leading Arguments Against Compulsory Vaccination* London Society for the Abolition of Compulsory Vaccination, 1887 **The Position and Prospects of the Revolt Against Compulsory Vaccination in England** William Tebb, Francis William Newman, 1881 *The National Anti-compulsory-vaccination Reporter*, 1881 The Evils of Vaccination George S.
