Ageless Faith A Conversation Between Generations About Church:

Ageless Faith Keith W. Drury, David Drury, 2010 A new generation invigorates the Church with fresh perspective and relevance while the older generation enriches us with their wisdom and experience Pull up a chair and participate in real dialogue between leaders from both sides of the church generation gap The issues in their denomination will shine a light on the same widening chasm within the whole body of Christ and within your own fellowship Father and son authors Keith and David Drury seek to bring all generations to the table for respectful and fruitful dialogue about some of the most controversial concerns facing the Church today Dealing with timely issues such as worship community race alcohol and women in leadership Keith and David model the kind of dialogue that empowers generations to define their differences while still remaining united in Christ Includes probing questions for reflection and teaching tips for leaders **Together** Jeff Baxter, 2011-01-04 Does youth ministry in your church exist on an island disconnected from the larger church Does your youth ministry accomplish the church's overall goals for making disciples of teenagers Together helps answer those questions and more Almost since the concept of youth ministry came into being churches have struggled with how to keep their twelve to twenty year olds engaged A contemporary focus lots of fun activities and cool leaders seemed to be the answer Yet large numbers of young people are still leaving many feeling disconnected from mainstream churches In Together author Jeff Baxter offers a thoughtful perspective on why real change requires not just a new model for youth ministry but a whole new congregational mindset Using practical examples from his own experiences ministering to youth and their families Baxter provides a detailed guide for creating an intentional whole church intergenerational ministry Effective and life changing this ministry focuses on connecting the generations for the express purpose of fostering discipleship and spiritual growth and investing youth in the long term goals of the church Together is for anyone committed to helping young people mature into Jesus following adults who remain invested in God's kingdom **A Year with Sofia Cavalletti:** Ann Garrido, 2017 A Year with Sofia Cavalletti Daily Reflections on the Spiritual and Theological Influences of the Catechesis of the Good Shepherd provides a short excerpt for each day from significant theologians and scholars who informed Cavalletti's understanding of Scripture liturgy and the spiritual life as well as a question for further meditation A brief biography of the writer introduces each chapter [Schleiermacher's Influences on American Thought and Religious Life, 1835-1920](#) Jeffrey A. Wilcox, Terrence N. Tice, Catherine L. Kelsey, 2014-10-23 Here freshly researched unprecedented stories regarding modern American thought and religious life show how the scholar Friedrich Schleiermacher 1768 1834 provides ongoing influence still They describe his influence on universal rights American religious life theology philosophy history psychology interpretation of texts community formation and interpersonal dialogue Schleiermacher is an Einstein like innovator in all these areas and more This work contrasts chiefly evangelical liberal figures with others between circa 1835 and the 1920s It also looks ahead to several careers extended well into the twentieth century and offers numerous characterizations of

Schleiermacher's thought In six tightly organized parts fourteen expert historians chronologically discuss the following 1 Methodist leaders 1766-1924 2 Stuart Bushnell Nevins and Hodge 3 Restorationists Transcendentalists women leaders Schaff and Rauschenbusch 4 Clarke Mullins Carus and Bowne 5 Dewey Royce Ames Knudson Brown Fosdick Cross Jones and Thurman within contemporary contexts Unexpectedly John Dewey lies at the epicenter of the narrative and Harry Emerson Fosdick and Howard Thurman bring it to its climax Recently evidence displays a broadening influence advancing rapidly The sixth part of the book surveys modern historiography Schleiermacher on history and comparative method and on psychology as a basic scientific and philosophical field That section also provides a critical survey of histories of modern theology and offers concluding questions and answers The three editors contribute twenty of the thirty one chapters **Wake Up! the Lord is Returning** Alf Droy, 2002 Family Ministry Diana R. Garland, 1999-12-20 This book by Diana Garland provides a multifaceted well informed sense of both the Christian purpose of family and the complex world our families inhabit Winner of the 2000 Academy of Parish Clergy Book of the Year award **The Living Church** , 1943 Index to Educational Audio Tapes , 1974 *The Church of All Ages* Howard A. Vanderwell, 2007-12-17 Many congregations today experience collisions between parents who want to spend time with their children and age segregated church programming as well as between the children worshipping in their pews and the increasing number of seniors in the same pew Among the questions these congregations struggle to address are these Should we try to hold the generations together when we worship Is it even possible Led by pastor and resource developer Howard Vanderwell nine writers pastors teachers worship planners and others serving in specialized ministries offer their reflections on issues congregational leaders need to address as they design their worship ministry In addition numerous sidebars illustrate the diversity of practices in the church today Contributors do not propose easy answers or instant solutions Rather they guide readers as they craft ministries and practices that fit their own community heritage and history Each chapter includes questions for reflection and group discussion and an appendix provides guidelines for small group use The thread that connects these varied contributions is the belief that there is no greater privilege for Christians than worshipping God and there is no better way to do that than as an intergenerational community in which all are important and all encourage and nurture the faith of the others **Institute of Pacific Relations** United States. Forthcoming Books Rose Arny, 2004 Circumcised by Water William Mann, 2018-08-02 How many times have you thought about your own baptism If you are one of the many who have been brought up in a church that includes infants you probably don't even remember the waters running down In our hurried world not many stop to question a sacrament performed so long ago Yet biblically the sign was meant to signify your personal relationship with the God of the universe

What could be more important than this At present we face the reality that the way baptism is practiced has no choice but to portray crucial elements of the cross covenant Does this arrangement merely offer us salvation or does it signify our actual participation in the redemptive work of Christ Down through the centuries whole denominations have divided sharply over the issue a situation that still remains with us But for those caught under the waters a burning question lingers where in all of this do I stand with God On a personal level if you were unaware of the proceedings on that special day one might be very surprised to learn how Old Testament circumcision answers this most important question From its historical origins spiritual realities and harsh consequences the practice of infant baptism must be revealed for what it is and is not This book serves as a powerful resource for both layman and clergy to take a much deeper glimpse into the nature of covenant relationships Once inside the reader will come to understand all that has happened to both the Church and the Gospel message ever since infant membership became a cultural norm A comprehensive effort in returning jurisdiction over the baptismal waters back to the priesthood of Christ this work will possess lasting value for anyone who wants to stand upright and true before the King

Institute of Pacific Relations United States. Congress. Senate. Committee on the Judiciary.
