Mickey Spillane on Screen Max Allan Collins, James L. Traylor, 2018-01-12 In the mid 20th century Mickey Spillane was the sensation of not just mystery fiction but publishing itself The level of sex and violence in his Mike Hammer thrillers starting with *I the Jury* in 1947 broke down long held taboos and engendered a near hysterical critical backlash Nonetheless Spillane's influence has been felt reflections of Hammer are visible in nearly every subsequent tough guy of fiction and film including James Bond Dirty Harry Shaft Billy Jack and Jack Bauer Spillane's fiction came to the screen in a series of films that include *Kiss Me Deadly* 1955 and *The Girl Hunters* 1963 with the author himself playing his private eye These films and television series starring Darren McGavin and Stacy Keach respectively are examined in a lively knowledgeable fashion by Spillane experts Included are cast and crew listings brief biographical entries on key persons and a lengthy interview with Spillane

Booze and the Private Eye Rita Elizabeth Rippetoe, 2015-01-24 The hard bitten PI with a bottle of bourbon in his desk drawer it's an image as old as the genre of hard boiled detective fiction itself Alcohol has long been an important element of detective fiction but it is no mere prop Rather the treatment of alcohol within the works informs and illustrates the detective's moral code and casts light upon the society's attitudes towards drink This examination of the role of alcohol in hard boiled detective fiction begins with the genre's birth in an era strongly influenced and affected by prohibition and follows both the genre's development and its relation to our changing understanding of and attitudes towards alcohol and alcoholism It discusses the works of Dashiell Hammett Raymond Chandler Mickey Spillane Robert B Parker Lawrence Sanders Marcia Muller Karen Kijewski and Sue Grafton There are bibliographies of both the primary and critical texts and an index of authors and works

Gunmen and Gangsters Michael Schlossheimer, 2018-08-03 Gangsters such as Al Capone and Lucky Luciano were considered by many people to be the most exciting personalities of the 1920s and 1930s The public was hungry for press coverage about these mysterious and dangerous men Most reports about them were sketchy as the reporters did not want to get on the bad side of the racket bosses Hollywood's response to the public's fascination was to portray the lives of gangsters on the movie screen using actors such as Humphrey Bogart James Cagney and Edward G. Robinson Perhaps

surprisingly these men received not so favorable reviews from the Academy Award voters and as their popularity grew with the public censorship dictated other actors be brought in to play the roles That s what this book is about the personal and professional lives of William Bendix Charles Bickford Ward Bond Broderick Crawford Brian Donlevy Paul Douglas William Gargan Barton MacLane and Lloyd Nolan second string actors who replaced the big names and did a memorable job A filmography is supplied for each actor The Literature Lover's Book of Lists Judie L. Keaney,2015-05-20 This work presents 369 British films produced between 1937 and 1964 that embody many of the same filmic qualities as those black films made in the United States during the classic film noir era This reference work makes a case for the inclusion of the British films in the film noir canon which is still considered by some to be an exclusively American inventory In the book s main section the following information is presented for each film a quote from the film the title and release date a rating based on the five star system the production company director cinematographer screenwriter and main performers and a plot synopsis with author commentary Appendices categorize films by rating release date director and cinematographer and also provide a noir and non noir breakdown of the 47 films presented on the Edgar Wallace Mystery Theatre a 1960s British television series that

was also shown in the United States *Jane Austen and Animals* Barbara K. Seeber, 2016-05-06 The first full length study of animals in Jane Austen Barbara K Seeber s book situates the author s work within the serious debates about human animal relations that began in the eighteenth century and continued into Austen s lifetime Seeber shows that Austen s writings consistently align the objectification of nature with that of women and that Austen associates the hunting shooting racing and consuming of animals with the domination of women Austen s complicated depictions of the use and abuse of nature also challenge postcolonial readings that interpret for example Fanny Price s rejoicing in nature as a celebration of England s imperial power In Austen hunting and the owning of animals are markers of station and a prerogative of power over others while her representation of the hierarchy of food where meat occupies top position is identified with a human nature dualism that objectifies not only nature but also the women who are expected to serve food to men In placing Austen s texts in the context of animal rights arguments that arose in the late eighteenth and early nineteenth centuries Seeber expands our understanding of Austen s participation in significant societal concerns and makes an important contribution to animal gender food and empire studies in the nineteenth century **Sports in the Wild** Louise Spilsbury, 2019-07-15 The great outdoors is an athlete s playground and supergirls have gone wild Women athletes have explored the wilderness in extremes from hiking 1 000 miles long distance to climbing vertical rock The vivid images impress and the engaging text shares the accomplishments of women athletes Readers will be inspired to investigate different kinds of wilderness sports including hunting and fishing The text encourages readers to be safe by training and learning all the rules and also motivates young athletes to challenge themselves
