The Lives We Lost Megan Crewe,2022-04-02 First the virus took Kaelyn's friends Then her family Now it's taken away her home But she can't look back the life she once had is gone forever A deadly virus has destroyed Kaelyn's small island community and spread beyond the quarantine No one is safe But when Kaelyn finds samples of a vaccine in her father's abandoned lab she knows there must be someone somewhere who can replicate it Determined to stop the friendly flu for good Kaelyn and her friends head to the mainland in search of help They encounter a world beyond recognition It's not only the virus that's a killer there are people who will stop at nothing to get their hands on the vaccine How much will Kaelyn risk for an unproven cure when the search could either destroy those she loves or save the human race **The Fallen World** Megan Crewe,2022-03-29 It starts with an itch you just can't shake Then comes a fever and a tickle in your throat A few days later you'll be blabbing your secrets and chatting with strangers like they're old friends Three more and the paranoid hallucinations kick in And then you're dead When a strange new virus sweeps through sixteen-year-old Kaelyn's island community everything she took for granted slips away As the dead pile up the schools close the phone lines fail and the power goes out Desperate to save her home Kaelyn joins forces with a former rival and opens her heart to a boy she once feared The journey they set off on will test her resilience and shake her faith in humankind How much of herself will she have to sacrifice to see her mission through This box set contains the complete Fallen World trilogy *The Way We Fall* *The Lives We Lost* and *The Worlds We Make* as well as *Those Who Lived* the Fallen World story collection *Girls on Fire* Sarah Hentges,2018-04-04 Under the threat of climate change corruption inequality and injustice Americans may feel they are living in a dystopian novel come to life Like many American narratives dystopian stories often focus on males as the agents of social change With a focus on the intersections of race gender class sexuality and power the author analyzes the themes issues and characters in young adult YA dystopian fiction featuring female protagonists the *Girls on Fire* who inspire progressive transformation for the future **The Lives We Lost** Megan Crewe,2013-05-24 **Film Review** ,1997
