Unconfirmed accounts of a group of Araluen warriors' tales of adventure, battle and triumph over evil have spread for centuries throughout the known world. They and their comrades in arms are said to have traveled throughout the kingdom and beyond its borders protecting those who needed it most. If true, these rumors can be only part of the story. Only now, centuries after these men and women walked the earth, do we have confirmation of their existence. Behold **The Lost Stories**, Book 11 in the *Ranger's Apprentice* epic.
