The Magic in Your Touch Sara Bell, 2005 When Dr Nathan Nate Morris moves to Reed Illinois from Atlanta Georgia to open a medical practice with his best friend Amy Vaughn he s looking forward to putting the past and his homophobic family behind him Considering Reed s reputation as a gay friendly town starting over should be a cinch But when Nate is attacked outside his office late one night in an apparent gay bashing he starts to wonder if maybe the good folks of Reed aren t as accepting as he thought Sheriff Brandon Nash answers the call to a supposed gay bashing with feelings of skepticism As an openly gay man holding an elected position Brandon finds it hard to believe that Nate s attack is really a hate crime Brandon may not know the reasons behind the attack but as he looks into Nate s frightened eyes there s one thing he s absolutely certain of he ll do whatever it takes to keep Nate safe or die trying Forging a relationship isn t easy under the best of circumstances and as Nate s assailant steps up his efforts Nate and Brandon s budding romance is put to the test Add to that the sudden appearance of Seth the brother who disowned Nate years ago and Nate s nerves are stretched to the breaking point When a series of arsons begins and Brandon expresses the belief that the burnings are a ploy to flush him out Nate decides to leave Reed behind believing everyone else will be safe once he s gone Brandon is all set to do whatever he can to make Nate stay but when the brakes on Nate s car are tampered with the decision is nearly taken out of both their hands This book is definitely one that you can t put down until the very end because of the many twists and turns Purchase this book to findout the mystery surrounding Nate s attack and if Nate and Brandon s relationship can survive the stress and strain of their real life professions
