disappear **The Shadow Casket** Chris Wooding, 2023-02-16 A BAND OF REBELS A TRAITOR IN THEIR MIDST A REVOLUTION ABOUT TO BEGIN It's been three years since Aren seized the Ember Blade Three years since they struck the spark they hoped would ignite the revolution But the flame has failed to catch The Krodans have crushed Ossia in an iron grip of terror The revolution seems further away than ever Far in the north the Dawnwardens seek to unite the fractious clans of the Fell Folk and create a stronghold from which to retake their land But even if they can overcome the danger of treachery from within they still have to contend with the dreadknights Only the druidess Vika can resist these near unstoppable foes and there's only one of her But what if there was a weapon that could destroy the dreadknights A weapon of such power it could turn the tide A weapon that if it fell into the wrong hands might mean the end of all hope The Shadow Casket has returned from out of the past and it will save or damn them all The Ember Blade is Lord of the Rings for the modern generation an epic world full of history depth and adventure Ed McDonald author of Daughter of Redwinter **The Weavers of Saramyr** Chris Wooding, 2003 A richly textured darkly evocative fantasy set in a beautifully realised fantasy world the Saramyr trilogy tells the story of a dynasty that rules over a land being overwhelmed by evil An evil that comes from within the empire's centre a sect of magicians close to the throne intent on killing any child born with magical powers But now the empress has given birth to just such a child and revolution is brewing Akin to the works of Robin Hobb this is a hugely involving fantasy set in a world with an enticing oriental flavour *The Ace of Skulls* Chris Wooding, 2013 All good things come to an end And this is it the last stand of the Ketty Jay and her intrepid crew They've been shot down set up double crossed and ripped off They've stolen priceless treasures destroyed a ten thousand year old Azryx city and sort of accidentally blew up the son of the Archduke Now they've gone and started a civil war This time they're really in trouble

The Ember Blade Chris Wooding, 2018-09-20 The Ember Blade is hands down the best fantasy novel I've ever read Grimdark Magazine Empires rise civilisations fall and one culture comes to subsume another It's the way of the world sometimes ways of life are improved sometimes they are not But the progression of change is huge and usually unstoppable In this story the Ossian way of life is fading and the Dachen way is taking its place and Aren is comfortable with that Even when his parents are accused of treason he supports the establishment and maintains there's been some mistake which is all it takes to get himself and his best friend arrested Thrown into a prison mine they plan their escape only to be overtaken by events when they're rescued and promptly find themselves in the middle of an ambush By the time they've escaped they're unavoidably linked to Garric their unwelcome saviour and his quest to overturn the Dachen way of life If they leave Garric now they'll be arrested or killed by their pursuers If they turn him in Garric will kill them If they stay with him they'll be abetting a murderous quest they don't believe in There are no good options but Aren will still have to choose a path Designed to return to classic fantasy adventures and values from a modern perspective this is a fast moving coming of age trilogy featuring a strong cast of diverse characters brilliant set pieces and a strong character and plot driven story Readers can't
